SCHEDULE 1

The Offering Memorandum is hereby supplemented with the following information, which shall be deemed to be incorporated in, and to form part of, the Offering Memorandum. Save as otherwise defined herein, terms defined in the Offering Memorandum have the same meaning when used in this Schedule.

PRESENTATION OF FINANCIAL INFORMATION

On 29 April 2022, Oversea-Chinese Banking Corporation Limited published its "Trading Update" that included certain of its unaudited consolidated financial results for the three months/first quarter ended 31 March 2022 (the "**First-quarter Trading Update**"). The First-quarter Trading Update is included hereto as Schedule 2.

RECENT DEVELOPMENTS

On May 26, 2022, the MAS announced that as a result of deficiencies in our response to a wave of spoofed SMS phishing scams in December 2021, we are to apply a multiplier of 1.3 times to our risk-weighted assets for operational risks for our Singapore banking operations. Based on our unaudited first quarter results, this translates to an additional capital requirement of approximately S\$330 million as at March 31, 2022 and a 0.21 percentage point impact on our capital ratios.

We would draw your attention to "Risk Factors – Risks Relating to our Business – Fraud or other misconduct by employees or third parties could expose us to losses and regulatory sanctions." and "Risk Factors – Risks Relating to our Business – Damage to our reputation or brand names may have an adverse effect on our business."

On June 1, 2022, we priced S\$500,000,000 3.90 per cent. perpetual capital securities first callable in 2027 (the "**Capital Securities**"). The Capital Securities are intended to qualify as our Additional Tier 1 capital and have been issued on June 8, 2022.

SCHEDULE 2

Group net profit for 1Q22 of S\$1.36 billion was 39% higher as compared to S\$973 million in the preceding quarter (“4Q21”), and down 10% from S\$1.50 billion a year ago (“1Q21”).

1Q22 Quarter-on-Quarter Performance

- Group net profit of S\$1.36 billion increased 39%, largely driven by a rise in operating profit and lower allowances.
- Net interest income grew 1% to S\$1.50 billion, underpinned by asset growth and a 3 basis points expansion in net interest margin (“NIM”) to 1.55%. The rise in NIM was driven by an increase in loan yields, which outpaced deposit costs.

- Non-interest income was S\$1.14 billion, up 8% from the previous quarter mainly from growth in trading income and insurance income.
 - Net fee income declined 1% to S\$522 million, led by a fall in credit card, loan and trade-related fees which offset a rise in wealth management and brokerage fees.
 - The Group's wealth management income, comprising income from insurance, private banking, premier private client, premier banking, asset management and stockbroking, grew 1% to S\$911 million and made up 34% of the Group's income in 1Q22.
 - Net trading income rose 48% from S\$152 million in 4Q21 to S\$225 million, driven by an increase in customer and non-customer flow treasury income.
 - Profit from life insurance from subsidiary Great Eastern Holdings ("GEH") of S\$277 million was higher than the S\$248 million reported last quarter, mainly due to a rise in operating profit and mark-to-market gains from a decline in insurance contract liabilities due to a higher discount rate to value these liabilities, in line with rising interest rates.
- Operating expenses decreased 7% to S\$1.20 billion, largely attributable to lower discretionary spending and the absence of operational charges made in the last quarter, partly offset by a rise in staff costs.
- The Group's share of results of associates in 1Q22 was S\$254 million, an increase of 29% from S\$198 million in 4Q21.
- Total allowances were down 86% to S\$44 million, largely due to a drop in allowances for impaired assets.
- The Group's annualised ROE was 10.6% for the quarter, higher than the 7.5% in 4Q21 while annualised earnings per share increased to S\$1.21 from S\$0.85 in the previous quarter.

1Q22 Year-on-Year Performance

- Against a strong 1Q21 performance, net profit was 10% lower.
- Total income declined 9% to S\$2.64 billion.
 - Net interest income was up 4% to S\$1.50 billion, driven by asset growth of 5%, partly offset by 1 basis point drop in NIM to 1.55%.
 - Non-interest income of S\$1.14 billion was 23% lower as compared to S\$1.47 billion a year ago, as a result of lower wealth management fees, trading income and life insurance profit. The prior year's non-interest income was underpinned by robust customer and investment activities arising from favourable market conditions.
- Operating expenses increased 5% mainly due to higher staff costs associated with headcount growth, and a rise in IT-related costs.
- Allowances for loans and other assets for the quarter were 73% lower than a year ago.

 - In 1Q22, net recoveries and upgrades were S\$240 million while write-offs amounted to S\$57 million.
 - The NPL ratio of 1.4% was lower than the 1.5% in the previous quarter, and the allowance coverage against total NPAs for the quarter was 91%.
- Total allowances for 1Q22 of S\$44 million comprised S\$31 million in allowances for impaired assets and S\$13 million in allowances for non-impaired assets. This was significantly lower as compared to the S\$317 million in total allowances set aside in 4Q21, which were largely driven by syndicated project financing loans due to delays in a few projects affected by Covid-19 supply chain disruption in Greater China and international markets.

Message from Group CEO, *Helen Wong*

“Our results for the first quarter underscored the competitive strength of our diversified business franchise. Balanced performance across our banking, wealth management and insurance businesses has continued to allow us to deliver resilient earnings amid the current operating environment. OCBC has also maintained its healthy capital, funding and liquidity positions, and the overall loan portfolio remained sound.

Asia’s growth is expected to remain resilient as the world transits into an endemic Covid-19 environment. The gradual re-opening of economies and borders in Southeast Asia will drive a further rise in economic activities and we continue to closely monitor the evolving pandemic situation in Greater China. Looking ahead, we will be vigilant to risks arising from geopolitical tensions, rising inflation and the pace of policy normalisation. We will continue to be disciplined and prudent in pursuing our strategy to excel for sustainable growth.”

TERMS AND CONDITIONS OF THE NOTES OTHER THAN THE PERPETUAL CAPITAL SECURITIES

The following is the text of the terms and conditions that, save for the words in italics and, subject to completion and amendment and as supplemented or varied in accordance with the provisions of the applicable Pricing Supplement, shall be applicable to the Notes (other than the Perpetual Capital Securities (as defined in the Trust Deed referred to below) in definitive form (if any) issued in exchange for the Global Note(s) or Global Certificate(s) representing each Series and to AMTNs (as defined below). These terms and conditions, together with the relevant provisions of the applicable Pricing Supplement, as so completed, amended, supplemented or varied (and subject to simplification by the deletion of non-applicable provisions), shall be endorsed on such Bearer Notes or on the Certificates relating to such Registered Notes (other than AMTNs). All capitalized terms that are not defined in these Conditions will have the meanings given to them in the applicable Pricing Supplement or the Trust Deed, as the case may be. Those definitions will be endorsed on the definitive Notes or Certificates, as the case may be. References in these Conditions to “Notes” are to the Notes of one Series only, not to all Notes that may be issued under the Program. References in these Conditions to the “Issuer” are to the Issuer issuing Notes under one Series, which, in the case of any Senior Notes, is a reference to Oversea-Chinese Banking Corporation Limited (“OCBC”) or any of its branches outside Singapore or certain other companies in and outside Singapore, each being a subsidiary of OCBC (as may be specified in the applicable Pricing Supplement) and in the case of any Subordinated Notes, is a reference to OCBC.

The Notes (other than Notes which are specified in the applicable Pricing Supplement as being denominated in Australian dollars, issued in the Australian domestic capital market and ranking as senior obligations of the Issuer (“AMTNs”)) are constituted by an amended and restated trust deed (as amended or supplemented as at the date of issue of the Notes (the “Issue Date”)) dated April 6, 2022 (the “Trust Deed”) between Oversea-Chinese Banking Corporation Limited (“OCBC”) (as may be acceded to by any branch of OCBC outside Singapore and Specified Issuers (as defined below) from time to time by the execution of a deed of accession in respect of Senior Notes (as defined below) only) and The Bank of New York Mellon, London Branch (the “Trustee”, which expression shall include all persons for the time being the trustee or trustees under the Trust Deed) as trustee for the Noteholders (as defined below) and, if the Notes are specified in the applicable Pricing Supplement as being governed by Singapore law, as supplemented by the Singapore supplemental trust deed (as amended or supplemented as at the Issue Date) dated April 6, 2022 between OCBC (as may be acceded to by any branch of OCBC outside Singapore and Specified Issuers from time to time by the execution of a deed of accession in respect of Senior Notes only) and the Trustee (the “Singapore Supplemental Trust Deed”), and where applicable, the Notes which are specified in the applicable Pricing Supplement to be held in and cleared through The Central Depository (Pte) Limited (“CDP”) are issued with the benefit of a deed of covenant dated August 31, 2012, as supplemented on March 9, 2018, relating to the Notes executed by OCBC (and as further amended, varied or supplemented from time to time, the “CDP Deed of Covenant”). AMTNs will be constituted by the Deed Poll dated July 5, 2011 (as amended and supplemented from time to time, the “Note (AMTN) Deed Poll”). The provisions of these Conditions (as defined below) relating to Bearer Notes, Certificates, Receipts, Coupons and Talons do not apply to Notes specified in the Pricing Supplement as being AMTNs. The Trustee is not appointed in respect of AMTNs, therefore, to the extent that these Conditions relate to AMTNs, any reference herein to the agreement, opinion, approval, consent, satisfaction or any similar action or decision (however described) being specified or required of, from, by or on the part of the Trustee with respect to any Notes or documents, such agreement, opinion, approval, consent, satisfaction or any similar action or decision (however described) of the Trustee shall not be required in respect of any such AMTNs, the Note (AMTN) Deed Poll or any other document or agreement in connection with them and, where relevant, any other documents expressed to be applicable to a tranche of Notes.

These terms and conditions (the “**Conditions**”) include summaries of, and are subject to, the detailed provisions of the Trust Deed, which includes the form of the Bearer Notes, Certificates, Receipts, Coupons and Talons defined and referred to below. OCBC (and any other branches of OCBC outside Singapore and Specified Issuers which may from time to time accede to the Agency Agreement (as defined below) by the execution of a deed of accession in respect of Senior Notes only), the Trustee, The Bank of New York Mellon, London Branch, as initial issuing and paying agent in relation to each Series of Notes other than AMTNs or any Series of Notes to be held through CDP, in the Central Moneymarkets Unit Service operated by the Hong Kong Monetary Authority (the “**CMU**”) or through The Depository Trust Company (“**DTC**”), The Bank of New York Mellon, Hong Kong Branch as initial CMU lodging and paying agent in relation to each Series of Notes to be held in CMU, The Bank of New York Mellon, Singapore Branch as initial CDP paying agent in relation to each Series of Notes to be held in CDP, The Bank of New York Mellon, as issuing and paying agent, exchange agent and transfer agent and registrar in respect of each Series of Notes to be cleared through DTC and the other agents named therein have entered into an amended and restated agency agreement (as amended or supplemented as at the Issue Date, the “**Agency Agreement**”) dated April 6, 2022 in relation to the Notes (other than AMTNs) and, if the Notes are specified in the applicable Pricing Supplement as being governed by Singapore law, as supplemented by the Singapore supplemental agency agreement (as amended and supplemented as at the Issue Date) dated April 6, 2022 between the Issuer, the CDP paying agent and the other agents named therein (the “**Singapore Supplemental Agency Agreement**”). OCBC and BTA Institutional Services Australia Limited as registrar and issuing and paying agent in Australia (the “**Australian Agent**”) have entered into an Agency and Registry Services Agreement (as amended and supplemented from time to time, the “**Australian Agency Agreement**”) dated July 5, 2011 in relation to the AMTNs. The issuing and paying agent, the CMU lodging and paying agent, the CDP paying agent, the U.S. paying agent, the exchange agent, the other paying agents, the registrar, the Australian agent, the transfer agents and the calculation agent(s) for the time being (if any) are referred to below respectively as the “**Issuing and Paying Agent**”, the “**CMU Lodging and Paying Agent**”, the “**CDP Paying Agent**”, the “**U.S. Paying Agent**”, the “**Exchange Agent**”, the “**Paying Agents**” (which expression shall include the Issuing and Paying Agent, the CMU Lodging and Paying Agent, the CDP Paying Agent, the U.S. Paying Agent and the Australian Agent), the “**Registrar**”, the “**Australian Agent**”, the “**Transfer Agents**” (which expression shall include the Registrar and the Australian Agent) and the “**Calculation Agent(s)**”. For the purposes of these Conditions, all references (other than in relation to the determination of interest and other amounts payable in respect of the Notes) to the Issuing and Paying Agent shall (i) with respect to a Series of Notes to be held in CMU, be deemed to be a reference to the CMU Lodging and Paying Agent, (ii) with respect to a Series of Notes to be held in CDP, be deemed to be a reference to the CDP Paying Agent and (iii) with respect to a Series of Notes to be held in DTC, be deemed to be a reference to the U.S. Paying Agent and all such references shall be construed accordingly. Copies of the Trust Deed, the Singapore Supplemental Trust Deed, the Note (AMTN) Deed Poll, the Agency Agreement, the Singapore Supplemental Agency Agreement, the Australian Agency Agreement and the CDP Deed of Covenant referred to above are available for inspection free of charge during usual business hours at the principal office of the Trustee (presently at One Canada Square, London, E14 5AL, United Kingdom) and at the specified offices of the Paying Agents and the Transfer Agents (other than the Australian Agent). The Noteholders, the holders of the interest coupons (the “**Coupons**”) relating to interest bearing Notes in bearer form and, where specified in the applicable Pricing Supplement, talons for further Coupons (the “**Talons**”) (the “**Couponholders**”) and the holders of the receipts for the payment of installments of principal (the “**Receipts**”) relating to Notes in bearer form of which the principal is payable in installments (the “**Receiptholders**”) are entitled to the benefit of, are bound by, and are deemed to have notice of, these Conditions, (in respect of the holders of Notes (other than AMTNs)) all the provisions of the Trust Deed, the applicable Pricing Supplement and (in respect

of the AMTN holders only) the Note (AMTN) Deed Poll, and, in the case of Notes specified in the applicable Pricing Supplement as being governed by Singapore law, the Singapore Supplemental Trust Deed, and are deemed to have notice of those provisions applicable to them of the Agency Agreement, the Australian Agency Agreement or the Singapore Supplemental Agency Agreement, as the case may be. The Pricing Supplement for any Notes (or the relevant provisions thereof) shall be attached to or endorsed on such Notes. References to “**applicable Pricing Supplement**” are to the Pricing Supplement (or relevant provisions thereof) attached to or endorsed on the relevant Notes.

As used in these Conditions, “**Tranche**” means Notes which are identical in all respects, “**Series**” means a series of Notes comprising one or more Tranches, whether or not issued on the same date, that (except in respect of the first payment of interest and their issue price) have identical terms on issue and are expressed to have the same Series Number specified in the applicable Pricing Supplement, “**Specified Issuer**” means, in respect of Senior Notes only, certain other companies in and outside Singapore, each being a subsidiary of OCBC, as may be specified in the applicable Pricing Supplement and “**subsidiary**” has the meaning given to this term under the Companies Act 1967 of Singapore.

1 Form, Denomination and Title

The Notes are issued in bearer form (“**Bearer Notes**”) or in registered form (“**Registered Notes**”), as specified in the applicable Pricing Supplement, in each case in the Specified Currency and Specified Denomination(s) shown in the applicable Pricing Supplement. AMTNs and Subordinated Notes (as defined in Condition 3(b)) will only be issued in registered certificated form.

*All Registered Notes shall have the same Specified Denomination. Unless otherwise permitted by the then current laws and regulations, Notes which have a maturity of less than one year and in respect of which the issue proceeds are to be accepted by the Issuer in the United Kingdom or whose issue otherwise constitutes a contravention of section 19 of the Financial Services and Markets Act 2000 will have a minimum denomination of £100,000 (or its equivalent in other currencies). Notes sold in reliance on Rule 144A will be in minimum denominations of U.S.\$200,000 (or its equivalent in other currencies) and integral multiples of U.S.\$1,000 (or its equivalent in other currencies) in excess thereof, subject to compliance with all legal and/or regulatory requirements applicable to the relevant currency. Notes which are listed on the Singapore Exchange Securities Trading Limited (the “**SGX-ST**”) will be traded on the SGX-ST in a minimum board lot size of S\$200,000 (or its equivalent in other currencies) or such other amount as may be allowed or required from time to time. In the case of any Notes which are to be admitted to trading on a regulated market within the European Economic Area or in the United Kingdom or offered to the public in a Member State of the European Economic Area or in the United Kingdom in circumstances which require the publication of a prospectus under Regulation (EU) 2017/1129 (as amended or superseded), the minimum Specified Denomination shall be €100,000 or £100,000 (or its equivalent in any other currency as at the date of issue of the relevant Notes).*

Each Note may be a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note, a combination of any of the foregoing or any other kind of Note, depending upon the Interest and Redemption/Payment Basis specified in the applicable Pricing Supplement.

Bearer Notes are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Notes that do not bear interest in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable. Any Bearer Note for which the applicable Pricing Supplement indicates such Notes are Installment Notes is issued with one or more Receipts attached.

Registered Notes (other than AMTNs) are represented by registered certificates (“**Certificates**”) and, save as provided in Condition 2(c), each Certificate shall represent the entire holding of Registered Notes by the same holder.

Title to the Bearer Notes and the Receipts, Coupons and Talons shall pass by delivery. Title to the Registered Notes shall pass by registration in the register that the Issuer shall procure to be kept by the Registrar or the Australian Agent in accordance with the provisions of the Agency Agreement or the Australian Agency Agreement (the “**Register**”). Except as ordered by a court of competent jurisdiction or as required by law, the holder (as defined below) of any Note, Receipt, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes whether or not it is overdue and regardless of any notice of ownership, trust or an interest in it, any writing on it (or on the Certificate representing it) or its theft or loss (or that of the related Certificate) and no person shall be liable for so treating the holder.

In these Conditions, “**Noteholder**” means the bearer of any Bearer Note and the Receipts, Coupons or Talons relating to it or the person in whose name a Registered Note is registered (as the case may be), “**holder**” (in relation to a Note, Receipt, Coupon or Talon) means the bearer of any Bearer Note, Receipt, Coupon or Talon or the person in whose name a Registered Note is registered (as the case may be) and capitalized terms have the meanings given to them in the applicable Pricing Supplement, the absence of any such meaning indicating that such term is not applicable to the Notes.

*For so long as any of the Notes is represented by a Global Note or Global Certificate held on behalf of Euroclear Bank SA/NV (“**Euroclear**”) and/or Clearstream Banking S.A. (“**Clearstream**”), each person (other than Euroclear or Clearstream) who is for the time being shown in the records of Euroclear and/or Clearstream as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear and/or Clearstream as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Trustee and the Agents as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest on such nominal amount of such Notes, for which purpose the bearer of the relevant Global Note or the registered holder of the relevant Global Certificate shall be treated by the Issuer, the Trustee and any Agent as the holder of such nominal amount of such Notes in accordance with and subject to the terms of the relevant Global Note or Global Certificate and the expressions “**Noteholder**” and “**holder of Notes**” and related expressions shall be construed accordingly.*

For so long as DTC or its nominee is the registered owner or holder of a Global Certificate, DTC or such nominee, as the case may be, will be considered the sole owner or holder of the Notes represented by such Global Certificate for all purposes under the Trust Deed and the Agency Agreement and those Notes except to the extent that in accordance with DTC’s published rules and procedures any ownership rights may be exercised by its participants or beneficial owners through participants.

References in these Conditions to Coupons, Talons, Couponholders, Receipts and Receiptholders relate to Bearer Notes only.

In the case of AMTNs, the following provisions shall apply in lieu of the foregoing provisions of Condition 1 in the event of any inconsistency.

AMTNs will be debt obligations of the Issuer owing under the Note (AMTN) Deed Poll, will be represented by a certificate (“**AMTN Certificate**”) and will take the form of entries in a Register to be established and maintained by the Australian Agent in Sydney unless otherwise agreed with the Australian Agent (pursuant to the Australian Agency Agreement). The Agency Agreement and any Singapore Supplemental Agency Agreement are not applicable to the AMTNs.

AMTNs will not be serially numbered. Each entry in the Register constitutes a separate and individual acknowledgement to the relevant Noteholder of the indebtedness of the Issuer to the relevant Noteholder. The obligations of the Issuer in respect of each AMTN constitute separate and independent obligations which the Noteholder is entitled to enforce in accordance with these Conditions and the Note (AMTN) Deed Poll. Other than an AMTN Certificate, no certificate or other evidence of title will be issued by or on behalf of the Issuer unless the Issuer determines that certificates should be made available or it is required to do so pursuant to any applicable law or regulation.

No AMTN will be registered in the name of more than four persons. AMTNs registered in the name of more than one person are held by those persons as joint tenants. AMTNs will be registered by name only, without reference to any trusteeship and an entry in the Register in relation to an AMTN constitutes conclusive evidence that the person so entered is the registered owner of such AMTN, subject to rectification for fraud or error.

Upon a person acquiring title to any AMTNs by virtue of becoming registered as the owner of that AMTN, all rights and entitlements arising by virtue of the Note (AMTN) Deed Poll in respect of that AMTN vest absolutely in the registered owner of the AMTN, such that no person who has previously been registered as the owner of the AMTN has or is entitled to assert against the Issuer or the Australian Agent or the registered owner of the AMTN for the time being and from time to time any rights, benefits or entitlements in respect of the AMTN.

Each Tranche of AMTNs will be represented by a single AMTN Certificate substantially in the form set out in the Note (AMTN) Deed Poll. The Issuer shall issue and deliver, and procure the authentication by the Australian Agent of, such number of AMTN Certificates as are required from time to time to represent all of the AMTNs of each Series. An AMTN Certificate is neither a negotiable instrument nor a document of title in respect of any AMTNs represented by it. In the event of a conflict between any AMTN Certificate and the Register, the Register shall prevail (subject to correction for fraud or proven error).

2 No Exchange of Notes and Transfers of Registered Notes

- (a) **No Exchange of Notes:** Registered Notes may not be exchanged for Bearer Notes. Bearer Notes may not be exchanged for Registered Notes. Bearer Notes of one Specified Denomination may not be exchanged for Bearer Notes of another Specified Denomination.
- (b) **Transfer of Registered Notes (other than AMTNs):** This Condition 2(b) does not apply to AMTNs which are specified in the applicable Pricing Supplement to be Registered Notes. Subject to Condition 2(g), one or more Registered Notes may be transferred upon the surrender (at the specified office of the Registrar or any Transfer Agent) of the Certificate representing such Registered Notes to be transferred, together with the form of transfer endorsed on such Certificate, (or another form of transfer substantially in the same form and containing the same representations and certifications (if any), unless otherwise agreed by the Issuer), duly completed and executed and any other evidence as the Registrar or Transfer Agent may require without service charge and subject to payment of any taxes, duties and other governmental charges in respect of such transfer. In the case of a transfer of part only of a holding of Registered Notes represented by one Certificate, a new Certificate shall be issued to the transferee in respect of the part transferred and a further new Certificate in respect of the balance of the holding not transferred shall be issued to the transferor. All transfers of Notes and entries on the Register will be made subject to the detailed regulations concerning transfers of Notes scheduled to the Agency Agreement. The regulations may be changed by the Issuer, with the prior written approval of the Registrar and the Trustee. A copy of the current regulations will be made available by the Registrar to any Noteholder upon request.

Any transfer of interests in Notes evidenced by a Global Note or a Global Certificate will be effected in accordance with the rules of the relevant clearing systems. Transfers of a Global Certificate registered in the name of a nominee for DTC shall be limited to transfers of such Global Certificate, in whole but not in part, to another nominee of DTC or to a successor of DTC or such successor's nominee.

Any transfer of interests in any Subordinated Notes that are the subject of a Trigger Event Notice issued in accordance with Condition 6 or notice of issue of a Bail-in Certificate shall not be permitted during any Suspension Period (as defined below).

- (c) **Exercise of Options or Partial Redemption, Write-off or Conversion in Respect of Registered Notes:** In the case of an exercise of an Issuer or Noteholder's option in respect of, or a partial redemption or (as the case may be) a partial Write-off (as defined in Condition 6(b)(i)) or conversion (if specified and as described in the applicable Pricing Supplement) of, a holding of Registered Notes represented by a single Certificate, a new Certificate shall be issued to the holder to reflect the exercise of such option or in respect of the balance of the holding not redeemed, Written-off (as defined below) or converted. In the case of a partial exercise of an option resulting in Registered Notes of the same holding having different terms, separate Certificates shall be issued in respect of those Notes of that holding that have the same terms. New Certificates shall only be issued against surrender of the existing Certificates to the Registrar or any other Transfer Agent. In the case of a transfer of Registered Notes to a person who is already a holder of Registered Notes, a new Certificate representing the enlarged holding shall only be issued against surrender of the Certificate representing the existing holding.
- (d) **Delivery of New Certificates:** Each new Certificate to be issued pursuant to Condition 2(b) or Condition 2(c) shall be available for delivery within five business days of receipt of the request for transfer, exercise, redemption or exchange, form of transfer or Exercise Notice (as defined in Condition 5(e)) and surrender of the Certificate for transfer, exercise or redemption, except for any Write-off pursuant to Condition 6 or conversion (if specified and as described in the applicable Pricing Supplement) in which case any new Certificate to be issued shall be available for delivery as soon as reasonably practicable. Delivery of the new Certificate(s) shall be made at the specified office of the Transfer Agent or of the Registrar (as the case may be) to whom delivery or surrender of such request for transfer, exercise, redemption or exchange, form of transfer, Exercise Notice and/or Certificate shall have been made or, at the option of the holder making such delivery or surrender as aforesaid and as specified in the relevant form of transfer, Exercise Notice or otherwise in writing, be mailed by uninsured post at the risk of the holder entitled to the new Certificate to such address as may be so specified, unless such holder requests otherwise and pays in advance to the relevant Transfer Agent the costs of such other method of delivery and/or such insurance as it may specify. In this Condition 2(d), "**business day**" means a day, other than a Saturday or Sunday, on which banks are open for business in the place of the specified office of the relevant Transfer Agent or the Registrar (as the case may be).
- (e) **Transfers of AMTNs:** AMTNs may be transferred in whole but not part. Unless lodged in the clearing system operated by Austraclear Ltd ("**Austraclear**"), the AMTNs will be transferable by duly completed and (if applicable) stamped transfer and acceptance forms in the form specified by, and obtainable from, the Australian Agent or by any other manner approved by the Issuer and the Australian Agent. Each transfer and acceptance form must be accompanied by such evidence (if any) as the Australian Agent may require to prove the title of the transferor or the transferor's right to transfer the AMTNs and be signed by both the transferor and the transferee. AMTNs may only be transferred within, to or from Australia if (i) the aggregate consideration payable by the transferee at the time of transfer is at least A\$500,000 (or its equivalent in any other

currency and, in either case, disregarding moneys lent by the transferor or its associates) or the offer or invitation giving rise to the transfer otherwise does not require disclosure to investors in accordance with Part 6D.2 or Chapter 7 of the Corporations Act 2001 of the Commonwealth of Australia (the “**Australian Corporations Act**”), (ii) the transfer is not to a “retail client” for the purposes of section 761G of the Australian Corporations Act, (iii) the transfer is in compliance with all applicable laws, regulations or directives (including, without limitation, in the case of a transfer to or from Australia, the laws of the jurisdiction in which the transfer takes place), and (iv) in the case of a transfer between persons outside Australia, if a transfer and acceptance form is signed outside Australia. A transfer to an unincorporated association is not permitted.

A person becoming entitled to an AMTN as a consequence of the death or bankruptcy of a Noteholder or of a vesting order or a person administering the estate of a Noteholder may, upon producing such evidence as to that entitlement or status as the Australian Agent considers sufficient, transfer such AMTN or, if so entitled, become registered as the holder of the AMTN.

Where the transferor executes a transfer of less than all of the AMTNs registered in its name, and the specific AMTNs to be transferred are not identified, the Australian Agent may register the transfer in respect of such of the AMTNs registered in the name of the transferor as the Australian Agent thinks fit, provided the aggregate nominal amount of the AMTNs registered as having been transferred equals the aggregate nominal amount of the AMTNs expressed to be transferred in the transfer.

- (f) **Transfers Free of Charge:** Transfers of Notes and Certificates on registration, transfer, exercise of an option or partial redemption, Write-off or conversion (if and as specified in the applicable Pricing Supplement) shall be effected without charge by or on behalf of the Issuer, the Registrar, the Australian Agent or the Transfer Agents, but upon payment by the relevant Noteholder of any tax or other governmental charges that may be imposed in relation to it (or the giving of such indemnity as the Registrar, the Australian Agent or the relevant Transfer Agent may require).
- (g) **Closed Periods:** No Noteholder may require the transfer of a Registered Note to be registered (i) during the period of 15 days ending on the due date for redemption of, or payment of any Installment Amount in respect of, that Note, (ii) during the period of 15 days before to any date on which Notes may be called for redemption by the Issuer at its option pursuant to Condition 5(d), (iii) after any such Note has been called for redemption, (iv) during the period of seven days ending on (and including) any Record Date, or (v) in respect of any Subordinated Notes, during a Suspension Period.

In these Conditions, “**Suspension Period**” means the period commencing on the business day in Singapore immediately following the date of a Trigger Event Notice (as defined in Condition 6(e)) or notice of issue of a Bail-in Certificate, as the case may be, and ending on the earlier of the close of business in Singapore on:

- (i) the date on which the Registrar or any other Agent has (A) reflected the relevant Write-off or conversion (if and as specified in the applicable Pricing Supplement) in the Register or (B) issued a new Certificate (as the case may be) to such Noteholder in respect of the related Write-off or conversion (if and as specified in the applicable Pricing Supplement); and
- (ii) on the tenth business day in Singapore immediately following the date of any such notice, or

in the event that a Bail-in Certificate has been issued, when the Bail-in Certificate has been effected.

In relation to any Suspension Period, “**business day**” means a day, other than a Saturday or Sunday, on which banks are open for business in the place of the specified office of the relevant Transfer Agent or the Registrar (as the case may be).

3 Status

- (a) **Status of Senior Notes:** The senior notes (being those Notes that specify their status as senior in the applicable Pricing Supplement (the “**Senior Notes**”)) and the Receipts and Coupons relating to them constitute direct and unsecured obligations of the Issuer and shall at all times rank *pari passu* and without any preference among themselves. The payment obligations of the Issuer under the Senior Notes and the Receipts and Coupons relating to them shall, save for such exceptions as may be provided by applicable legislation, at all times rank at least equally with all other unsecured and unsubordinated indebtedness and monetary obligations of the Issuer, present and future.
- (b) **Status of Subordinated Notes:** The subordinated notes (being those Notes that specify their status as subordinated in the applicable Pricing Supplement) (the “**Subordinated Notes**”) constitute direct, unsecured and subordinated obligations of the Issuer and rank *pari passu* and without any preference among themselves. The rights and claims of the Noteholders are subordinated as described below.
- (c) **Subordination:** Upon the occurrence of any winding-up proceeding (other than pursuant to a Permitted Reorganization (as defined below)), the rights of the Noteholders to the payment of the principal of, and interest on, the Subordinated Notes and any other obligations in respect of the Subordinated Notes are expressly subordinated and subject in right of payment to the prior payment in full of all claims of Senior Creditors, and will rank senior to the claims of the holders of all share capital of the Issuer and Additional Tier 1 Capital Securities and/or as otherwise specified in the applicable Pricing Supplement or in a supplement to the Offering Memorandum. The Subordinated Notes will rank *pari passu* with Tier 2 Capital Securities and/or as otherwise specified in the applicable Pricing Supplement or in a supplement to the Offering Memorandum and any instrument or security issued, entered into or guaranteed by the Issuer that ranks or is expressed to rank, by its terms or operation of law, *pari passu* with a Subordinated Note. In the event that (i) the Noteholders do not receive payment in full of the principal amount due and payable in respect of the Subordinated Notes plus interest thereon accrued to the date of repayment in any winding-up of the Issuer and (ii) the winding-up order or resolution passed for the winding-up of the Issuer or the dissolution of the Issuer is subsequently stayed, discharged, rescinded, avoided, annulled or otherwise rendered inoperative, then to the extent that such Noteholders did not receive payment in full of such principal of and interest on such Subordinated Notes, such unpaid amounts shall remain payable in full; provided that payment of such unpaid amounts shall be subject to the provisions under this Condition 3, Condition 6 and Condition 10(b)(ii) and Clause 5 and Clause 8.2 of the Trust Deed.

The Issuer has agreed, pursuant to the terms of the Trust Deed, to indemnify the Noteholders against any loss incurred as a result of any judgment or order being given or made for any amount due under the Subordinated Notes and such judgment or order being expressed and paid in a currency other than the Specified Currency. Any amounts due under such indemnification will be similarly subordinated in right of payment with other amounts due on the Subordinated Notes and payment thereof shall be subject to the provisions under this Condition 3 and Condition 10(b)(ii) and Clause 8.2 of the Trust Deed.

On a winding-up of the Issuer, there may be no surplus assets available to meet the claims of the Noteholders after the claims of the parties ranking senior to the Noteholders (as provided in this Condition 3 and Clause 5 of the Trust Deed) have been satisfied.

The subordination provisions set out in this Condition 3(c) are effective only upon the occurrence of any winding-up proceedings of the Issuer. In the event that a Trigger Event occurs, the rights of holders of Subordinated Notes shall be subject to Condition 6. This may not result in the same outcome for holders of Subordinated Notes as would otherwise occur under this Condition 3(c) upon the occurrence of any winding-up proceedings.

In these Conditions:

“Additional Tier 1 Capital Securities” means (i) any security issued by the Issuer or (ii) any other similar instrument issued by any subsidiary of the Issuer that is guaranteed by the Issuer, that, in each case, constitutes Additional Tier 1 capital of the Issuer on an unconsolidated basis, pursuant to the relevant requirements set out in MAS Notice 637.

“MAS” means the Monetary Authority of Singapore or such other governmental authority having primary bank supervisory authority with respect to the Issuer.

“MAS Notice 637” means the MAS Notice 637 – “Notice on Risk Based Capital Adequacy Requirements for Banks Incorporated in Singapore” issued by MAS, as amended, replaced or supplemented from time to time.

“Offering Memorandum” means the offering memorandum dated April 6, 2022 relating to, *inter alia*, the Notes (which term shall include those documents incorporated in it by reference from time to time as provided in it) as from time to time amended, supplemented or replaced (but not including any information or documents replaced or superseded by any information so subsequently included or incorporated).

Any sum so paid or returned shall then be treated for the purposes of the Issuer's obligations as if it had not been paid by the Issuer, and its original payment shall be deemed not to have discharged any of the obligations of the Issuer under the Subordinated Notes.

4 Interest and other Calculations

(a) **Interest on Fixed Rate Notes:** If a Note is specified in the applicable Pricing Supplement as a Fixed Rate Note, it shall bear interest on its outstanding nominal amount from and including the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest (as defined in Condition 4(l)), such interest being payable in arrear on each Interest Payment Date specified in the applicable Pricing Supplement. The amount of interest payable shall be determined in accordance with Condition 4(g), Condition 4(h), Condition 4(i) and Condition 4(j).

(b) **Interest on Floating Rate Notes (for non-Singapore Dollar Notes) and Index Linked Interest Notes:**

(i) *Interest Payment Dates:* If a Note is specified in the applicable Pricing Supplement as being a Floating Rate Note or an Index Linked Note, it shall bear interest on its outstanding nominal amount from and including the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 4(g), Condition 4(h), Condition 4(i) and Condition 4(j). Such Interest Payment Date(s) is/are either shown in the applicable Pricing Supplement as Specified Interest Payment Date(s) or, if no Specified Interest Payment Date(s) is/are shown in the applicable Pricing Supplement, Interest Payment Date shall mean each date which falls the number of months or other period shown in the applicable Pricing Supplement as the Interest Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

In this Condition 4(b), Floating Rate Note shall refer to a Floating Rate Note which is denominated in a currency other than Singapore dollars.

(ii) *Business Day Convention:* If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day (as defined in Condition 4(l)), then, if the Business Day Convention specified in the applicable Pricing Supplement is (A) the Floating Rate Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event (x) such date shall be brought forward to the immediately preceding Business Day and (y) each subsequent such date shall be the last Business Day of the month in which such date would have fallen had it not been subject to adjustment, (B) the Following Business Day Convention, such date shall be postponed to the next day that is a Business Day, (C) the Modified Following Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day or (D) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day.

- (iii) *Rate of Interest for Floating Rate Notes*: The Rate of Interest in respect of Floating Rate Notes for each Interest Accrual Period shall be determined in the manner specified in the applicable Pricing Supplement and the provisions below relating to either ISDA Determination or Screen Rate Determination shall apply, depending upon which is specified in the applicable Pricing Supplement.

(A) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified in the applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. For the purposes of this Condition 4(b)(iii)(A), “**ISDA Rate**” for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (w) the Floating Rate Option is as specified in the applicable Pricing Supplement;
- (x) the Designated Maturity is a period specified in the applicable Pricing Supplement;
- (y) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified in the applicable Pricing Supplement; and
- (z) if the Floating Rate Option is an Overnight Floating Rate Option:
 - (1) Compounding with Lookback is applicable if specified in the applicable Pricing Supplement;
 - (2) Compounding with Observation Period Shift is applicable if specified in the applicable Pricing Supplement and, if so, Set-in-Advance is applicable if specified as such in the applicable Pricing Supplement;
 - (3) Compounding with Lockout is applicable if specified in the applicable Pricing Supplement; or
 - (4) OIS Compounding is applicable if specified in the applicable Pricing Supplement; and
 - (5) in connection with the Overnight Rate Compounding Method, references in the ISDA Definitions to numbers, financial centers or other items specified in the Confirmation shall be deemed to be references to the numbers, financial centers or other items specified for such purpose in the applicable Pricing Supplement and references in the ISDA Definitions to “Calculation Period”, “Floating Rate Day Count Fraction”, “Period End Date”, “Termination Date” and “Effective Date” shall be deemed to be references to the relevant Interest Accrual Period, the Day Count Fraction, the relevant Interest Period Date, the final Interest Period Date and the Interest Commencement Date respectively.

For the purposes of this Condition 4(b)(iii)(A), “Floating Rate”, “Calculation Agent”, “Floating Rate Option”, “Designated Maturity”, “Reset Date”, “Swap Transaction”, “Compounding with Lookback”, “Compounding with Observation Period Shift”, “Compounding with Lockout”, “OIS Compounding”, “Overnight Rate Compounding Method” and “Confirmation”, have the meanings given to those terms in the ISDA Definitions.

(B) Screen Rate Determination for Floating Rate Notes where the Reference Rate is not specified as being SONIA Benchmark, SOFR Benchmark or SORA Benchmark

(x) Where Screen Rate Determination is specified in the applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be either:

(1) the offered quotation; or

(2) the arithmetic mean of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at either 11.00 a.m. (Brussels time in the case of the Euro Interbank Offered Rate (“EURIBOR”) or Hong Kong time in the case of the Hong Kong Interbank Offered Rate (“HIBOR”)) on the Interest Determination Date in question as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean of such offered quotations.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Pricing Supplement as being other than EURIBOR or HIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Pricing Supplement.

(y) If the Relevant Screen Page is not available or if, Condition 4(b)(iii)(B)(x)(1) applies and no such offered quotation appears on the Relevant Screen Page or if Condition 4(b)(iii)(B)(x)(2) applies and fewer than three such offered quotations appear on the Relevant Screen Page in each case as at the time specified above, subject as provided below, the Issuer shall request, if the Reference Rate is EURIBOR, the principal Euro-zone office of each of the Reference Banks or, if the Reference Rate is HIBOR, the principal Hong Kong office of each of the Reference Banks, to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) or, if the Reference Rate is HIBOR, at approximately 11.00 a.m. (Hong Kong time) on the Interest Determination Date in question and such rate shall be notified to the Calculation Agent. If two or more of the Reference Banks provide the Issuer with such offered quotations, the Rate of Interest for such Interest Accrual Period shall be the arithmetic mean of such offered quotations as determined by the Calculation Agent; and

(z) If Condition 4(b)(iii)(B)(y) applies and the Issuer determines that fewer than two Reference Banks are providing offered quotations, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) as communicated to (and at the request of) the Issuer by the Reference Banks or any two or more of them, at which such banks were offered, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) or, if the Reference Rate is HIBOR, at approximately 11.00 a.m. (Hong Kong time) on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market or, if the Reference Rate is HIBOR, the Hong Kong inter-bank market, as the case may be, or, if fewer than two of the Reference Banks provide the Issuer with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) or, if the Reference Rate is HIBOR, at approximately 11.00 a.m. (Hong Kong time), on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market or, if the Reference Rate is HIBOR, the Hong Kong inter-bank market, as the case may be, provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this Condition 4(b)(iii)(B)(z), the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Accrual Period).

(C) Screen Rate Determination for Floating Rate Notes where the Reference Rate is specified as being SONIA Benchmark

For each Floating Rate Note where the Reference Rate is specified in the applicable Pricing Supplement as being SONIA Benchmark, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be equal to the relevant SONIA Benchmark plus or minus (as indicated in the applicable Pricing Supplement) the Margin.

The “**SONIA Benchmark**” will be determined based on Compounded Daily SONIA or SONIA Index, as follows (subject in each case to Condition 4(o)):

- (x) If Compounded Daily SONIA is specified in the applicable Pricing Supplement, Compounded Daily SONIA shall be calculated by the Calculation Agent on the relevant Interest Determination Date in accordance with the formula referenced below:

“**Compounded Daily SONIA**” means, with respect to an Interest Accrual Period, the rate of return of a daily compound interest investment during the SONIA Observation Period corresponding to such Interest Accrual Period (with the daily Sterling Overnight Index Average (“**SONIA**”) rate as reference rate for the calculation of interest) and will be calculated by the Calculation Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Pricing Supplement) on the Interest Determination Date, as follows, and the resulting percentage will be rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards:

$$\left[\prod_{i=1}^{d_o} \left(1 + \frac{SONIA_{i-xLBD} \times n_i}{365} \right) - 1 \right] \times \frac{365}{d}$$

where:

“**d**” means the number of calendar days in:

- (1) where “SONIA Observation Lag” is specified as the SONIA Observation Method in the applicable Pricing Supplement, the relevant Interest Accrual Period; or

- (1) where “SONIA Observation Lag” is specified as the SONIA Observation Method in the applicable Pricing Supplement, the first London Business Day in the relevant Interest Accrual Period to (and including) the last London Business Day in such Interest Accrual Period; or
- (2) where “SONIA Observation Shift” is specified as the SONIA Observation Method in the applicable Pricing Supplement, the first London Business Day in the relevant SONIA Observation Period to (and including) the last London Business Day in such SONIA Observation Period;

“**London Business Day**” or “**LBD**” means any day on which commercial banks are open for general business (including dealing in foreign exchange and foreign currency deposits) in London;

“**SONIA Reference Rate**” means, in respect of any London Business Day, a reference rate equal to the daily SONIA rate for such London Business Day as provided by the administrator of SONIA to authorized distributors and as then published on the Relevant Screen Page or, if the Relevant Screen Page is unavailable, as otherwise published by such authorized distributors (on the London Business Day immediately following such London Business Day); and

“**x**” means five London Business Days (or such other number of London Business Days in the SONIA Observation Lookback Days as specified in the applicable Pricing Supplement).

If, subject to Condition 4(o)(i), in respect of any London Business Day in the relevant SONIA Observation Period, the Calculation Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Pricing Supplement) determines that the SONIA Reference Rate is not available on the Relevant Screen Page or has not otherwise been published by the relevant authorized distributors, such SONIA reference rate shall be:

- (i) the Bank of England’s Bank Rate (the “**Bank Rate**”) prevailing at 5.00 p.m. (or, if earlier, close of business) on the relevant London Business Day; plus
- (ii) the mean of the spread of the SONIA Reference Rate to the Bank Rate over the previous five days on which a SONIA Reference Rate has been published, excluding the highest spread (or, if there is more than one highest spread, one only of those highest spreads) and lowest spread (or, if there is more than one lowest spread, one only of those lowest spreads) to the Bank Rate.

Notwithstanding the paragraph above, and without prejudice to Condition 4(o)(i), in the event the Bank of England publishes guidance as to:

- (aa) how the SONIA Reference Rate is to be determined; or
- (bb) any rate that is to replace the SONIA Reference Rate,

the Calculation Agent (or such other party responsible for the calculation of the Rate of Interest as specified in the applicable Pricing Supplement, and in consultation with the Issuer) shall, to the extent that it is reasonably practicable, follow such guidance in order to determine the SONIA rate for the purpose of the relevant Series of Notes for so long as the SONIA Reference Rate is not available or has not been published by the authorized distributors.

In the event that the Rate of Interest cannot be determined in accordance with the foregoing provisions by the Calculation Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Pricing Supplement), subject to Condition 4(o)(i), the Rate of Interest shall be:

- (i) that determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum Rate of Interest or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum Rate of Interest or Minimum Rate of Interest (as specified in the applicable Pricing Supplement) relating to the relevant Interest Accrual Period in place of the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to that last preceding Interest Accrual Period); or

- (ii) if there is no such preceding Interest Determination Date, the initial Rate of Interest which would have been applicable to such Series of Notes for the first Interest Accrual Period had the Notes been in issue for a period equal in duration to the scheduled first Interest Accrual Period but ending on (and excluding) the Interest Commencement Date (but applying the Margin and any Maximum Rate of Interest or Minimum Rate of Interest applicable to the first Interest Accrual Period).
- (y) If SONIA Index (“**SONIA Index**”) is specified in the applicable Pricing Supplement as the relevant SONIA Benchmark, the SONIA Benchmark for each Interest Accrual Period shall be equal to the rate of return of a daily compound interest investment during the SONIA Observation Period corresponding to such Interest Accrual Period (with the daily SONIA rate as reference rate for the calculation of interest) and will be calculated by the Calculation Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Pricing Supplement) on the Interest Determination Date, as follows, and the resulting percentage will be rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards:

$$\left(\frac{\text{SONIA Compounded Index}_{END}}{\text{SONIA Compounded Index}_{START}} - 1 \right) \times \left(\frac{365}{d} \right)$$

provided, however, that, subject to Condition 4(o)(i), if the SONIA Compounded Index Value is not available in relation to any Interest Accrual Period on the Relevant Screen Page for the determination of either SONIA Compounded Index_{START} or SONIA Compounded Index_{END}, the Rate of Interest shall be calculated for such Interest Accrual Period on the basis of Compounded Daily SONIA and using the “SONIA Observation Shift” method (as set out in Condition 4(b)(iii)(C)(x)).

In the formula above:

If any Interest Payment Date would otherwise fall on a day which is not a business day (as defined below), it shall be postponed to the next day which is a business day unless it would thereby fall into the next calendar month. In any such case as aforesaid or if there is no date in the relevant month which corresponds numerically with the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date (a) the Interest Payment Date shall be brought forward to the immediately preceding business day and (b) each subsequent Interest Payment Date shall be the last business day of the month which is the last of the Specified Number of Months after the month in which the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall have fallen.

The period beginning on (and including) the Interest Commencement Date and ending on (but excluding) the first Interest Payment Date and each successive period beginning on (and including) an Interest Payment Date and ending on (but excluding) the next succeeding Interest Payment Date is herein called an “Interest Period” and “**business day**” in this Condition 4(n) means a day (other than Saturday or Sunday) on which commercial banks are open for business in Singapore.

Interest will cease to accrue on each Floating Rate Note or Variable Rate Note from the due date for redemption thereof unless, upon due presentation thereof, payment of principal (or the Redemption Amount, as the case may be) is improperly withheld or refused, in which event interest will continue to accrue (as well after as before judgment) at the rate and in the manner provided in this Condition 4(n) and the Agency Agreement to the Relevant Date.

(ii) *Rate of Interest-Floating Rate Notes:*

- (A) Each Floating Rate Note bears interest at a floating rate determined by reference to a benchmark as stated on the face of such Floating Rate Note and the applicable Pricing Supplement, being the Singapore Overnight Rate Average (“**SORA**”) Benchmark (in which case such Note will be a SORA Note) or in any case such other benchmark as is set out on the face of such Note.

Such floating rate may be adjusted by adding or subtracting the Margin (if any) stated on the face of such Note. The “Margin” is the percentage rate per annum specified on the face of such Note as being applicable to the rate of interest for such Note. The rate of interest so calculated shall be subject to Condition 4(n)(iv).

- (B) The rate of interest payable in respect of a Floating Rate Note from time to time is referred to in this Condition 4(n) as the “**Rate of Interest**”. The Rate of Interest payable from time to time in respect of each Floating Rate Note under this Condition 4(n) will be determined by the Calculation Agent on the basis of the following provisions:

- (z) in the case of Floating Rate Notes which are specified in the applicable Pricing Supplement as being SORA Notes, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be equal to the relevant SORA Benchmark (as defined below) plus or minus the Margin.

The “**SORA Benchmark**” will be determined based on Compounded Daily SORA or SORA Index Average, as follows (subject in each case to Condition 4(o)(iii):

If Compounded Daily SORA (“**Compounded Daily SORA**”) is specified in the applicable Pricing Supplement, the SORA Benchmark for each Interest Accrual Period shall be equal to the value of the SORA rates for each day during the relevant Interest Accrual Period (where Lookback is specified in the applicable Pricing Supplement to determine Compounded Daily SORA) or Observation Period (where Backward Shifted Observation Period is specified in the applicable Pricing Supplement to determine Compounded Daily SORA).

Compounded Daily SORA shall be calculated by the Calculation Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Pricing Supplement) on the relevant Interest Determination Date in accordance with one of the formulas referenced below depending upon which is specified in the applicable Pricing Supplement:

- (1) where Lookback is specified in the applicable Pricing Supplement:

“**Compounded Daily SORA**” means, with respect to an Interest Accrual Period, the rate of return of a daily compound interest investment during the Observation Period corresponding to such Interest Accrual Period (with the reference rate for the calculation

of interest being the daily Singapore Overnight Rate Average) calculated in accordance with the formula set forth below by the Calculation Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Pricing Supplement) on the Interest Determination Date, with the resulting percentage being rounded, if necessary, to the fourth decimal place (0.0001%), with 0.00005% being rounded upwards.

$$\left[\prod_{i=1}^{d_o} \left(1 + \frac{SORA_{i-xSBD} \times n_i}{365} \right) - 1 \right] \times \frac{365}{d}$$

where:

“**d**” is the number of calendar days in the relevant Interest Accrual Period;

“**d_o**”, for any Interest Accrual Period, is the number of Singapore Business Days in the relevant Interest Accrual Period;

“**i**”, for the relevant Interest Accrual Period, is a series of whole numbers from one to **d_o**, each representing the relevant Singapore Business Days in chronological order from, and including, the first Singapore Business Day in such Interest Accrual Period to the last Singapore Business Day in such Interest Accrual Period;

“**Interest Determination Date**” means, with respect to a Rate of Interest and Interest Accrual Period, the date falling one Singapore Business Day after the end of each Observation Period;

“**ni**”, for any day “**i**”, is the number of calendar days from and including such day “**i**” up to but excluding the following Singapore Business Day;

“**Singapore Business Days**” or “**SBD**” means a day (other than a Saturday, Sunday or gazetted public holiday) on which commercial banks settle payments in Singapore;

“**Observation Period**” means, for the relevant Interest Accrual Period, the period from, and including, the date falling five Singapore Business Days (or such other number of Singapore Business Days specified in the applicable Pricing Supplement) prior to the first day of such Interest Accrual Period (and the first Interest Accrual Period shall begin on and include the Interest Commencement Date) and to, but excluding, the date falling five Singapore Business Days (or such other number of Singapore Business Days specified in the applicable Pricing Supplement) prior to the Interest Payment Date at the end of such Interest Accrual Period (or the date falling five Singapore Business Days (or such other number of Singapore Business Days specified in the applicable Pricing Supplement) prior to such earlier date, if any, on which the Notes become due and payable);

“**SORA**” means, in respect of any Singapore Business Day “**i**”, a reference rate equal to the daily Singapore Overnight Rate Average provided by the Monetary Authority of Singapore (or a successor administrator), as the administrator of the benchmark, on the Monetary Authority of Singapore’s website currently at

<http://www.mas.gov.sg>, or any successor website officially designated by the Monetary Authority of Singapore (or as published by its authorized distributors) (the “**Relevant Screen Page**”) on the Singapore Business Day immediately following such day “i”; and

“**SORAI – x SBD**”, in respect of any Singapore Business Day falling in the relevant Observation Period, the reference rate equal to SORA in respect of the Singapore Business Day falling five Singapore Business Days (or such other number of Singapore Business Days specified in the applicable Pricing Supplement) prior to the relevant Singapore Business Day “i”.

- (2) where Backward Shifted Observation Period is specified in the applicable Pricing Supplement:

“**Compounded Daily SORA**” means, with respect to an Interest Accrual Period, the rate of return of a daily compound interest investment during the Observation Period corresponding to such Interest Accrual Period (with the reference rate for the calculation of interest being the daily Singapore Overnight Rate Average) calculated in accordance with the formula set forth below by the Calculation Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Pricing Supplement) on the Interest Determination Date, with the resulting percentage being rounded, if necessary, to the fourth decimal place (0.0001%), with 0.00005% being rounded upwards.

$$\left[\prod_{i=1}^{d_o} \left(1 + \frac{SORA_i \times n_i}{365} \right) - 1 \right] \times \frac{365}{d}$$

where:

“**d**” is the number of calendar days in the relevant Observation Period;

“**d_o**”, for any Interest Accrual Period, is the number of Singapore Business Days in the relevant Observation Period;

“**i**”, for the relevant Interest Accrual Period, is a series of whole numbers from one to d_o, each representing the relevant Singapore Business Days in chronological order from, and including, the first Singapore Business Day in such Observation Period to the last Singapore Business Day in such Observation Period;

“**Interest Determination Date**” means, with respect to a Rate of Interest and Interest Accrual Period, the date falling one Singapore Business Day after the end of each Observation Period;

“**n_i**”, for any day “i”, is the number of calendar days from and including such day “i” up to but excluding the following Singapore Business Day;

“**Singapore Business Days**” or “**SBD**” means a day (other than a Saturday, Sunday or gazetted public holiday) on which commercial banks settle payments in Singapore;

“Observation Period” means, for the relevant Interest Accrual Period, the period from, and including, the date falling five Singapore Business Days (or such other number of Singapore Business Days specified in the applicable Pricing Supplement) prior to the first day of such Interest Accrual Period (and the first Interest Accrual Period shall begin on and include the Interest Commencement Date) and to, but excluding, the date falling five Singapore Business Days (or such other number of Singapore Business Days specified in the applicable Pricing Supplement) prior to the Interest Payment Date at the end of such Interest Accrual Period (or the date falling five Singapore Business Days (or such other number of Singapore Business Days specified in the applicable Pricing Supplement) prior to such earlier date, if any, on which the Notes become due and payable);

“SORA” means, in respect of any Singapore Business Day “i”, a reference rate equal to the daily Singapore Overnight Rate Average provided by the Monetary Authority of Singapore (or a successor administrator), as the administrator of the benchmark, on the Monetary Authority of Singapore’s website currently at <http://www.mas.gov.sg>, or any successor website officially designated by the Monetary Authority of Singapore (or as published by its authorized distributors) (the **“Relevant Screen Page”**) on the Singapore Business Day immediately following such day “i”; and

“SORA_i” means, in respect of any Singapore Business Day falling in the relevant Observation Period, the reference rate equal to SORA in respect of that Singapore Business Day.

For the avoidance of doubt, the formula for the calculation of Compounded Daily SORA only compounds SORA in respect of any Singapore Business Day. SORA applied to a day that is not a Singapore Business Day will be taken by applying SORA for the previous Singapore Business Day but without compounding.

- (3) For each Floating Rate Note where the Reference Rate is specified as being SORA Index Average (**“SORA Index Average”**), the SORA Benchmark for each Interest Accrual Period shall be equal to the value of the SORA rates for each day during the relevant Interest Accrual Period as calculated by the Calculation Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Pricing Supplement) on the relevant Interest Determination Date as follows:

$$\left(\frac{SORA\ Index_{End}}{SORA\ Index_{Start}} - 1 \right) \times \left(\frac{360}{d_c} \right)$$

and the resulting percentage being rounded if necessary to the fourth decimal place (0.0001%), with 0.00005% being rounded upwards, where:

“d_c” means the number of calendar days from (and including) the SORA Index_{Start} to (but excluding) the SORA Index_{End};

“Singapore Business Days” or **“SBD”** means a day (other than a Saturday, Sunday or gazetted public holiday) on which commercial banks settle payments in Singapore;

“SORA Index” means, in relation to any Singapore Business Day, the SORA Index as published by the Monetary Authority of Singapore (or a successor administrator), as the administrator of the benchmark, on the Monetary Authority of Singapore’s website currently at <http://www.mas.gov.sg>, or any successor website officially designated by the Monetary Authority of Singapore (or as published by its authorized distributors) at the SORA Index Determination Time, *provided that* if the SORA Index does not so appear at the SORA Index Determination Time, then:

- (i) if a SORA Index Cessation Event has not occurred, the “SORA Index Average” shall be calculated on any Interest Determination Date with respect to an Interest Accrual Period, in accordance with the Compounded Daily SORA formula described above in Condition 4(n)(ii)(B)(z)(2), and the Observation Period shall be calculated with reference to the number of Singapore Business Days preceding the first date of the relevant Interest Accrual Period that is used in the definition of SORA Index_{Start} as specified in the applicable Pricing Supplement; or
- (ii) if a SORA Index Cessation Event has occurred, the provisions set forth in Condition 4(o)(iii) shall apply;

“SORA Index_{End}” means the SORA Index value on the date falling five Singapore Business Days (or such other number of Singapore Business Days as specified in the applicable Pricing Supplement) preceding the last date of the relevant Interest Accrual Period;

“SORA Index_{Start}” means the SORA Index value on the date falling five Singapore Business Days (or such other number of Singapore Business Days as specified in the applicable Pricing Supplement) preceding the first date of the relevant Interest Accrual Period; and

“SORA Index Determination Time” means, in relation to any Singapore Business Day, approximately 3:00 p.m. (Singapore time) on such Singapore Business Day.

- (4) If, subject to Condition 4(o), by 5:00 p.m., Singapore time, on the Singapore Business Day immediately following such day “i”, SORA in respect of such day “i” has not been published and a SORA Index Cessation Event has not occurred, then SORA for that day “i” will be SORA as published in respect of the first preceding Singapore Business Day for which SORA was published.

- (5) In the event that the Rate of Interest cannot be determined in accordance with the foregoing provisions by the Calculation Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Pricing Supplement), subject to Condition 4(o), the Rate of Interest shall be:
- (A) that determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum Rate of Interest or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum Rate of Interest or Minimum Rate of Interest (as specified in the applicable Pricing Supplement) relating to the relevant Interest Accrual Period in place of the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to that last preceding Interest Accrual Period); or
 - (B) if there is no such preceding Interest Determination Date, the initial Rate of Interest which would have been applicable to such Series of Notes for the first Interest Accrual Period had the Notes been in issue for a period equal in duration to the scheduled first Interest Accrual Period but ending on (and excluding) the Interest Commencement Date (but applying the Margin and any Maximum Rate of Interest or Minimum Rate of Interest applicable to the first Interest Accrual Period).

If the relevant Series of Notes become due and payable in accordance with Condition 10, the final Interest Determination Date shall, notwithstanding any Interest Determination Date specified in the applicable Pricing Supplement, be deemed to be the date on which such Notes became due and payable (with corresponding adjustments being deemed to be made to the applicable SORA Benchmark formula) and the Rate of Interest on such Notes shall, for so long as any such Note remains outstanding, be that determined on such date.

- (C) On the last day of each Interest Period, the Issuer will pay interest on each Floating Rate Note to which such Interest Period relates at the Rate of Interest for such Interest Period.

(iii) *Agreed Yield – Variable Rate Notes*

- (A) Each Variable Rate Note bears interest at a variable rate determined in accordance with the provisions of this Condition 4(n)(iii). The interest payable in respect of a Variable Rate Note for each Interest Period relating to that Variable Rate Note, which shall be payable on the first day of such Interest Period, is referred to in this Condition 4(n)(iii) as the “**Agreed Yield**”.
- (B) The Agreed Yield payable from time to time in respect of each Variable Rate Note for each Interest Period relating to such Variable Rate Note shall be determined as follows:
 - (x) not earlier than 9.00 a.m. (Singapore time) on the ninth business day nor later than 3.00 p.m. (Singapore time) on the fifth business day prior to the commencement of each Interest Period, the Issuer and the Relevant Dealer (as defined below) shall endeavor to agree on an Agreed Yield in respect of such Variable Rate Note for such Interest Period; and

- (y) if the Issuer and the Relevant Dealer shall not have agreed an Agreed Yield in respect of such Variable Rate Note for such Interest Period by 3.00 p.m. (Singapore time) on the fifth business day prior to the commencement of such Interest Period, or if there shall be no Relevant Dealer during the period for agreement referred to in Condition 4(n)(iii)(B)(x), the Agreed Yield for such Variable Rate Note for such Interest Period shall be zero.
- (C) The Issuer has undertaken to the Issuing and Paying Agent and the Calculation Agent that it will as soon as possible after the Agreed Yield in respect of any Variable Rate Note is determined but not later than 10.30 a.m. (Singapore time) on the next following business day:
- (x) notify the Issuing and Paying Agent and the Calculation Agent in writing of the Agreed Yield for such Variable Rate Note for such Interest Period; and
 - (y) cause such Agreed Yield for such Variable Rate Note to be notified by the Issuing and Paying Agent to the relevant Noteholder at its request.
- (D) The Issuer will pay the Agreed Yield applicable to each Variable Rate Note for each Interest Period relating to such Variable Rate Note on the first day of such Interest Period.

(iv) *Determination of Rate of Interest and Calculation of Interest Amounts*

The Calculation Agent will, at the Relevant Time on each Interest Determination Date, determine the Rate of Interest and calculate the amount of interest payable (the “**Interest Amounts**”) in respect of each denomination of the relevant Floating Rate Notes for the relevant Interest Period. The Interest Amounts shall be calculated by applying the Rate of Interest to the Calculation Amount, multiplying such product by the actual number of days in the Interest Period concerned, divided by the FRN Day Basis shown on the face of such Note and rounding the resultant figure to the nearest cent. The determination of the Rate of Interest and the Interest Amounts by the Calculation Agent shall (in the absence of manifest error) be final and binding upon all parties.

(v) *Duration of Rate of Interest and Interest Amounts*

The Calculation Agent will cause the Rate of Interest and the Interest Amounts for each Interest Period and the relevant Interest Payment Date to be notified to the Issuing and Paying Agent, the Issuer and each of the Paying Agents and to be notified to Noteholders and, if the Notes are listed on a stock exchange and the rules of such exchange or other relevant authority so require, the Issuer shall cause the Rate of Interest and the Interest Amounts for each Interest Period and the relevant Interest Payment Date to be notified to such exchange or other relevant authority as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such exchange or other relevant authority, or (ii) in all other cases the fourth Relevant Business Day thereafter. The Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period.

(vi) *Calculation Agent and Reference Banks*

The Issuer will procure that, so long as any relevant Floating Rate Note remains outstanding, there shall at all times be three Reference Banks and a Calculation Agent. If any Reference Bank (acting through its relevant office) is unable or unwilling to continue to act as a Reference Bank or the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for any Interest Period or to calculate the Interest Amounts or the Redemption Amount, the Issuer will appoint the Singapore office of a leading bank or merchant bank engaged in the Singapore inter-bank market to act as such in its place and will notify such change(s) to the Noteholders. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.

(vii) *Definitions*

As used in this Condition 4(n):

“Calculation Agent” means the calculation agent designated for the relevant Notes;

“Calculation Amount” means the amount specified as such on the face of any Note, or if no such amount is so specified, the Denomination Amount of such Note as shown on the face thereof;

“Interest Commencement Date” means, in the case of the first issue of a Note or Notes of a Series, the Issue Date or such other date as may be specified as the Interest Commencement on the face of such Note and, in the case of a further issue of a Note or Notes of such Series, means the most recent Reference Date or, as the case may be, Interest Payment Date in relation to such first issue next preceding the date on which such further Note or Notes are issued or if there is no such date, the Interest Commencement Date in respect of such first issue;

“Reference Banks” means the principal Singapore office of three major banks in the Singapore Inter-bank market, selected by the Issuer or as specified in the applicable Pricing Supplement;

“Relevant Dealer” means, in respect of any Variable Rate Note, the Dealer (if any) party to the Program Agreement referred to in the Agency Agreement with whom the Issuer has concluded an agreement for the issue of such Variable Rate Note pursuant to the Program Agreement; and

“Relevant Time” means 11.00 a.m. (Singapore time).

(o) **Benchmark Discontinuation**

(i) **Benchmark Discontinuation (General)**

Where the Pricing Supplement specifies this Condition 4(o)(i) as applicable:

(A) Independent Adviser

If a Benchmark Event occurs in relation to an Original Reference Rate when any Rate of Interest (or any component part thereof) remains to be determined by reference to such Original Reference Rate, the Issuer shall use its reasonable endeavors to appoint an Independent Adviser, as soon as

reasonably practicable, to determine a Successor Rate, or failing which, an Alternative Rate (in accordance with Condition 4(o)(i)(B)) and, in either case, an Adjustment Spread and any Benchmark Amendments (in accordance with Condition 4(o)(i)(D)).

In making such determination, the Independent Adviser appointed pursuant to this Condition 4(o)(i) shall act in good faith as an expert and in consultation with the Issuer. In the absence of bad faith or fraud, the Independent Adviser shall have no liability whatsoever to the Issuer, the Trustee, the Paying Agents or the Noteholders for any determination made by it, pursuant to this Condition 4(o)(i).

If:

- (i) the Issuer is unable to appoint an Independent Adviser; or
- (ii) the Independent Adviser fails to determine a Successor Rate or, failing which, an Alternative Rate,

in accordance with this Condition 4(o)(i)(A) prior to the relevant Interest Determination Date, the Rate of Interest applicable to the next succeeding Interest Accrual Period shall be equal to the Rate of Interest last determined in relation to the Notes in respect of the immediately preceding Interest Accrual Period. If there has not been a first Interest Payment Date, the Rate of Interest shall be the initial Rate of Interest. Where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Accrual Period shall be substituted in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Accrual Period. For the avoidance of doubt, this paragraph shall apply to the relevant next succeeding Interest Accrual Period only and any subsequent Interest Accrual Periods are subject to the subsequent operation of, and to adjustment as provided in, the first paragraph of this Condition 4(o)(i)(A).

(B) Successor Rate or Alternative Rate

If the Independent Adviser determines that:

- (i) there is a Successor Rate, then such Successor Rate and the applicable Adjustment Spread shall subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the operation of this Condition 4(o)(i)); or
- (ii) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate and the applicable Adjustment Spread shall subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the operation of this Condition 4(o)(i)).

(C) Adjustment Spread

The Adjustment Spread (or the formula or methodology for determining the Adjustment Spread) shall be applied to the Successor Rate or the Alternative Rate (as the case may be). If the Independent Adviser (in consultation with the Issuer) is unable to determine the quantum of, or a formula or methodology for determining, such Adjustment Spread, then the Successor Rate or Alternative Reference Rate (as applicable) will apply without an Adjustment Spread.

(D) Benchmark Amendments

If any Successor Rate or Alternative Rate and, in either case, the applicable Adjustment Spread is determined in accordance with this Condition 4(o)(i) and the Independent Adviser (in consultation with the Issuer) determines:

- (i) that amendments to these Conditions and/or the Trust Deed are necessary to ensure the proper operation of such Successor Rate or Alternative Rate and/or (in either case) the applicable Adjustment Spread (such amendments, the “**Benchmark Amendments**”); and
- (ii) the terms of the Benchmark Amendments, then the Issuer shall, subject to giving notice thereof in accordance with Condition 4(o)(i)(E), without any requirement for the consent or approval of Noteholders, the Trustee or the Agents, vary these Conditions and/or the Trust Deed to give effect to such Benchmark Amendments with effect from the date specified in such notice.

At the request of the Issuer, but subject to receipt by the Trustee of a certificate signed by two authorized signatories of the Issuer pursuant to Condition 4(o)(i)(E), the Trustee shall (at the expense of the Issuer), without any requirement for the consent or approval of the Noteholders, be obliged to concur with the Issuer in effecting any Benchmark Amendments (including, *inter alia*, by the execution of a deed supplemental to or amending the Trust Deed), provided that the Trustee shall not be obliged so to concur if in the opinion of the Trustee doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend the protective provisions afforded to the Trustee in these Conditions or the Trust Deed (including, for the avoidance of doubt, any supplemental trust deed) in any way.

For the avoidance of doubt, the Trustee and the Issuing and Paying Agent shall, at the direction and expense of the Issuer, effect such consequential amendments to the Trust Deed, the Agency Agreement and these Conditions as may be required in order to give effect to this Condition 4(o)(i)(D). Noteholders' consent shall not be required in connection with the effecting of the Successor Rate or the Alternative Rate (as applicable) or such other changes, including the execution of any documents or any steps by the Trustee or the Issuing and Paying Agent (if required). Further, none of the Trustee, the Calculation Agent, the Paying Agents, the Registrars or the Transfer Agents shall be responsible or liable for any determinations or certifications made by the Issuer or the Independent Adviser with respect to any Successor Rate or Alternative Rate (as applicable) or any other changes and shall be entitled to rely conclusively on any certifications provided to each of them in this regard.

In connection with any such variation in accordance with this Condition 4(o)(i)(D), the Issuer shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

(E) Notices

Any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments, determined under this Condition 4(o)(i) will be notified promptly by the Issuer to the Trustee, the Calculation Agent, the Paying Agents and, in accordance with Condition 16, the Noteholders or the Couponholders. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any.

No later than notifying the Noteholders of the same, the Issuer shall deliver to the Trustee a certificate signed by two authorized signatories of the Issuer:

(x) confirming

- (i) that a Benchmark Event has occurred;
- (ii) the Successor Rate or, as the case may be, the Alternative Rate;
- (iii) the applicable, Adjustment Spread; and
- (iv) the specific terms of the Benchmark Amendments (if any),

in each case as determined in accordance with the provisions of this Condition 4(o)(i); and

(y) certifying that the Benchmark Amendments (if any) are necessary to ensure the proper operation of such Successor Rate or Alternative Rate and (in either case) the applicable Adjustment Spread.

The Trustee shall be entitled to rely on such certificate (without liability to any person) as sufficient evidence thereof. The Successor Rate, Alternative Rate, the Adjustment Spread or the Benchmark Amendments (if any) specified in such certificate will (in the absence of manifest error or bad faith in the determination of the Successor Rate, Alternative Rate, the Adjustment Spread or the Benchmark Amendments (if any) and without prejudice to the Trustee's ability to rely on such certificate as aforesaid) be binding on the Issuer, the Trustee, the Calculation Agent, the Paying Agents, the Noteholders and Couponholders.

(F) Survival of Original Reference Rate

Without prejudice to the obligations of the Issuer under Condition 4(o)(i)(A), 4(o)(i)(B), 4(o)(i)(C) and 4(o)(i)(D), the Original Reference Rate and the fallback provisions provided for in Condition 4(b)(iii)(B) or (C), as applicable, will continue to apply unless and until a Benchmark Event has occurred.

(G) Definitions:

As used in this Condition 4(o)(i):

“Adjustment Spread” means either:

- (i) a spread (which may be positive, negative or zero); or
- (ii) a formula or methodology for calculating a spread, in each case to be applied to the Successor Rate or the Alternative Rate (as the case may be) and is the spread, formula or methodology which:
 - (x) in the case of a Successor Rate, is formally recommended in relation to the replacement of the Original Reference Rate with the Successor Rate by any Relevant Nominating Body; or (if no such recommendation has been made, or in the case of an Alternative Rate);
 - (y) the Independent Adviser determines as being customarily applied to the relevant Successor Rate or the Alternative Rate (as the case may be) in international debt capital markets transactions to produce an industry-accepted replacement rate for the Original Reference Rate; or (if the Independent Adviser determines that no such spread is customarily applied);
 - (z) the Independent Adviser (in consultation with the Issuer) determines, and which is recognized or acknowledged as being the industry standard for over-the-counter derivative transactions which reference the Original Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate (as the case may be).

“Alternative Rate” means an alternative benchmark or screen rate which the Independent Adviser determines in accordance with Condition 4(o)(i)(B) is customarily applied in international debt capital markets transactions for the purposes of determining rates of interest (or the relevant component part thereof) in the same Specified Currency as the Notes.

“Benchmark Amendments” has the meaning given to it in Condition 4(o)(i)(D).

“Benchmark Event” means:

- (i) the Original Reference Rate ceasing to be published for a period of at least five Business Days or ceasing to exist; or
- (ii) a public statement by the administrator of the Original Reference Rate that it has ceased or that it will cease publishing the Original Reference Rate permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of the Original Reference Rate) and such cessation is reasonably expected by the Issuer to occur prior to the Maturity Date; or
- (iii) a public statement by the supervisor of the administrator of the Original Reference Rate, that the Original Reference Rate has been or will be permanently or indefinitely discontinued and such discontinuation is reasonably expected by the Issuer to occur prior to the Maturity Date; or

- (iv) a public statement by the supervisor of the administrator of the Original Reference Rate as a consequence of which the Original Reference Rate will be prohibited from being used either generally, or in respect of the Notes and such prohibition is reasonably expected by the Issuer to occur prior to the Maturity Date; or
- (v) a public statement by the supervisor of the administrator of the Original Reference Rate that the Original Reference Rate is or will be (or is or will be deemed by such supervisor to be) no longer representative of its relevant underlying market; or
- (vi) it has become unlawful for any Paying Agent, Calculation Agent, the Issuer or other party to calculate any payments due to be made to any Noteholder using the Original Reference Rate,

provided that the Benchmark Event shall be deemed to occur (a) in the case of sub-paragraphs (ii) and (iii) above, on the date of the cessation of publication of the Original Reference Rate or the discontinuation of the Original Reference Rate, as the case may be, (b) in the case of subparagraph (iv) above, on the date of the prohibition of use of the Original Reference Rate and (c) in the case of sub-paragraph (v) above, on the date with effect from which the Original Reference Rate will no longer be (or will be deemed by the relevant supervisor to no longer be) representative of its relevant underlying market and which is specified in the relevant public statement, and, in each case, not the date of the relevant public statement.

The occurrence of a Benchmark Event shall be determined by the Issuer and promptly notified to the Trustee, the Calculation Agent and the Paying Agents. For the avoidance of doubt, neither the Trustee, the Calculation Agent nor the Paying Agents shall have any responsibility for making such determination.

“Independent Adviser” means an independent financial institution of international repute or an independent financial adviser with appropriate expertise appointed by and at the expense of the Issuer under Condition 4(o)(i)(A).

“Original Reference Rate” means the originally-specified benchmark or screen rate (as applicable) used to determine the Rate of Interest (or any component part thereof) on the Notes.

“Relevant Nominating Body” means, in respect of a benchmark or screen rate (as applicable):

- (i) the central bank for the currency to which the benchmark or screen rate (as applicable) relates, or any central bank or other supervisory authority which is responsible for supervising the administrator of the benchmark or screen rate (as applicable); or
- (ii) any working group or committee sponsored by, chaired or co-chaired by or constituted at the request of
 - (w) the central bank for the currency to which the benchmark or screen rate (as applicable) relates;

(ii) Benchmark Discontinuation (SOFR)

This Condition 4(o)(ii) shall only apply to U.S. dollar-denominated Notes where so specified in the applicable Pricing Supplement.

The following provisions shall apply if Benchmark Discontinuation (SOFR) is specified as applicable in the applicable Pricing Supplement:

(A) Benchmark Replacement

If the Issuer or its designee determines on or prior to the relevant Reference Time that a Benchmark Event and its related Benchmark Replacement Date have occurred with respect to the then-current Benchmark, the Benchmark Replacement will replace the then-current Benchmark for all purposes relating to the Notes in respect of all determinations on such date and for all determinations on all subsequent dates.

(B) Benchmark Replacement Conforming Changes

In connection with the implementation of a Benchmark Replacement, the Issuer or its designee will have the right to make Benchmark Replacement Conforming Changes from time to time. For the avoidance of doubt, the Trustee and any of the Agents shall, at the direction and expense of the Issuer, but subject to receipt by the Trustee of a certificate signed by two authorized signatories of the Issuer confirming that a Benchmark Event has occurred, without any requirement for the consent or approval of the Noteholders, effect such consequential amendments to the Trust Deed, the Agency Agreement and these Conditions as may be required to give effect to this Condition 4(o)(ii)(B) and none of the Trustee or the Agents shall be liable to any party for any consequences thereof, provided that the Trustee and the

Agents shall not be obliged to effect any such amendments, if, in the opinion of the Trustee or the Agents, doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend the rights and/or protective provisions afforded to it in these Conditions and/or the Trust Deed and/or the Agency Agreement and/or any documents to which it is a party (including for the avoidance of doubt, any supplemental trust deed or supplemental agency agreement) in any way. Noteholders' consent shall not be required in connection with effecting any such changes, including the execution of any documents or any steps to be taken by the Trustee or any of the Agents (if required). Further, none of the Trustee, the Calculation Agent, the Paying Agents, the Registrars or the Transfer Agents shall be responsible or liable for any determinations, decisions or elections made by the Issuer or its designee with respect to any Benchmark Replacement or any other changes and shall be entitled to rely conclusively on any certifications provided to each of them in this regard.

(C) Decisions and Determinations

Any determination, decision or election that may be made by the Issuer or its designee pursuant to this Condition 4(o)(ii), including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection (i) will be conclusive and binding absent manifest error, (ii) will be made in the sole discretion of the Issuer or its designee, as applicable, and (iii) notwithstanding anything to the contrary in the documentation relating to the Notes, shall become effective without consent from the holders of the Notes or any other party.

(D) Definitions

The following defined terms shall have the meanings set out below for purpose of this Condition 4(o)(ii):

"Benchmark" means, initially, the relevant SOFR Benchmark specified in the applicable Pricing Supplement; provided that if the Issuer or its designee determines on or prior to the Reference Time that a Benchmark Event and its related Benchmark Replacement Date have occurred with respect to the relevant SOFR Benchmark (including any daily published component used in the calculation thereof) or the then-current Benchmark, then **"Benchmark"** means the applicable Benchmark Replacement;

"Benchmark Event" means the occurrence of one or more of the following events with respect to the then-current Benchmark (including any daily published component used in the calculation thereof):

- (i) a public statement or publication of information by or on behalf of the administrator of the Benchmark (or such component) announcing that such administrator has ceased or will cease to provide the Benchmark (or such component), permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Benchmark (or such component); or

- (ii) a public statement or publication of information by the regulatory supervisor for the administrator of the Benchmark (or such component), the central bank for the currency of the Benchmark (or such component), an insolvency official with jurisdiction over the administrator for the Benchmark (or such component), a resolution authority with jurisdiction over the administrator for the Benchmark (or such component) or a court or an entity with similar insolvency or resolution authority over the administrator for the Benchmark, which states that the administrator of the Benchmark (or such component) has ceased or will cease to provide the Benchmark (or such component) permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Benchmark (or such component); or
- (iii) a public statement or publication of information by the regulatory supervisor for the administrator of the Benchmark announcing that the Benchmark is no longer representative;

“Benchmark Replacement” means the first alternative set forth in the order below that can be determined by the Issuer or its designee as of the Benchmark Replacement Date:

- (i) the sum of:
 - (a) the alternate reference rate that has been selected or recommended by the Relevant Governmental Body as the replacement for the then-current Benchmark (including any daily published component used in the calculation thereof); and
 - (b) the Benchmark Replacement Adjustment;
- (ii) the sum of:
 - (a) the ISDA Fallback Rate; and
 - (b) the Benchmark Replacement Adjustment; or
- (iii) the sum of:
 - (c) the alternate reference rate that has been selected by the Issuer or its designee as the replacement for the then-current Benchmark (including any daily published component used in the calculation thereof) giving due consideration to any industry-accepted reference rate as a replacement for the then-current Benchmark (including any daily published component used in the calculation thereof) for U.S. dollar-denominated Floating Rate Notes at such time; and
 - (d) the Benchmark Replacement Adjustment;

“Benchmark Replacement Adjustment” means the first alternative set forth in the order below that can be determined by the Issuer or its designee as of the Benchmark Replacement Date:

- (i) the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected or recommended by the Relevant Governmental Body for the applicable Unadjusted Benchmark Replacement;
- (ii) if the applicable Unadjusted Benchmark Replacement is equivalent to the ISDA Fallback Rate, the ISDA Fallback Adjustment; or
- (iii) the spread adjustment (which may be a positive or negative value or zero) that has been selected by the Issuer or its designee giving due consideration to any industry-accepted spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of the then-current Benchmark (including any daily published component used in the calculation thereof) with the applicable Unadjusted Benchmark Replacement for U.S. dollar-denominated Floating Rate Notes at such time;

“Benchmark Replacement Conforming Changes” means, with respect to any Benchmark Replacement, any technical, administrative or operational changes (including changes to the timing and frequency of determining rates and making payments of interest, rounding of amounts or tenors, and other administrative matters) the Issuer or its designee decides may be appropriate to reflect the adoption of such Benchmark Replacement in a manner substantially consistent with market practice (or, if the Issuer or its designee decides that adoption of any portion of such market practice is not administratively feasible or if the Issuer or its designee determine that no market practice for use of the Benchmark Replacement exists, in such other manner as the Issuer or its designee determines is reasonably necessary);

“Benchmark Replacement Date” means the earliest to occur of the following events with respect to the then-current Benchmark (including any daily published component used in the calculation thereof):

- (i) in the case of sub-paragraph (i) or (ii) of the definition of “Benchmark Event”, the later of:
 - (a) the date of the public statement or publication of information referenced therein; and
 - (b) the date on which the administrator of the Benchmark permanently or indefinitely ceases to provide the Benchmark (or such component); or
- (ii) in the case of sub-paragraph (iii) of the definition of “Benchmark Event”, the date of the public statement or publication of information referenced therein.

For the avoidance of doubt, if the event giving rise to the Benchmark Replacement Date occurs on the same day as, but earlier than, the Reference Time in respect of any determination, the Benchmark Replacement Date will be deemed to have occurred prior to the Reference Time for such determination;

“**designee**” means a designee as selected and separately appointed by the Issuer in writing;

“**ISDA Fallback Adjustment**” means the spread adjustment (which may be a positive or negative value or zero) that would apply for derivatives transactions referencing the ISDA Definitions to be determined upon the occurrence of an index cessation event with respect to the Benchmark;

“**ISDA Fallback Rate**” means the rate that would apply for derivatives transactions referencing the ISDA Definitions to be effective upon the occurrence of an index cessation date with respect to the Benchmark (including any daily published component used in the calculation thereof) for the applicable tenor excluding the applicable ISDA Fallback Adjustment;

“**Reference Time**” with respect to any determination of the Benchmark means (1) if the Benchmark is the SOFR Benchmark, the SOFR Determination Time (where Compounded Daily SOFR is specified as applicable in the applicable Pricing Supplement) or SOFR Index Determination Time (where SOFR Index is specified as applicable in the applicable Pricing Supplement), or (2) if the Benchmark is not the SOFR Benchmark, the time determined by the Issuer or its designee after giving effect to the Benchmark Replacement Conforming Changes;

“**Relevant Governmental Body**” means the Federal Reserve Board and/or the Federal Reserve Bank of New York, or a committee officially endorsed or convened by the Federal Reserve Board and/or the Federal Reserve Bank of New York or any successor thereto; and

“**Unadjusted Benchmark Replacement**” means the Benchmark Replacement excluding the Benchmark Replacement Adjustment.

(iii) **Benchmark Discontinuation (SORA)**

This Condition 4(o)(iii) shall only apply to Singapore dollar-denominated Notes where so specified in the applicable Pricing Supplement.

Where the Pricing Supplement specifies that this Condition 4(o)(iii) as applicable:

- (A) **Independent Adviser:** If a SORA Index Cessation Event occurs in relation to an Original Reference Rate when any Rate of Interest (or any component part thereof) remains to be determined by reference to such Original Reference Rate, the Issuer shall use its reasonable endeavors to appoint an Independent Adviser, as soon as reasonably practicable, to determine a Successor Rate, or failing which, an Alternative Rate (in accordance with Condition 4(o)(iii)(C) and, in either case, an Adjustment Spread and any Benchmark Amendments (in accordance with Condition 4(o)(iii)(D)).

In making such determination, the Independent Adviser appointed pursuant to this Condition 4(o)(iii) shall act in good faith as an expert and in consultation with the Issuer. In the absence of bad faith or fraud, the Independent Adviser shall have no liability whatsoever to the Issuer, the Trustee, the Paying Agents or the Noteholders for any determination made by it, pursuant to this Condition 4(o)(iii).

If:

- (i) the Issuer is unable to appoint an Independent Adviser; or
- (ii) the Independent Adviser fails to determine a Successor Rate or, failing which, an Alternative Rate,

in accordance with this Condition 4(o)(iii)(A) prior to the relevant Interest Determination Date, the Rate of Interest applicable to the next succeeding Interest Accrual Period shall be equal to the Rate of Interest last determined in relation to the Notes in respect of the immediately preceding Interest Accrual Period. If there has not been a first Interest Payment Date, the Rate of Interest shall be the initial Rate of Interest which would have been applicable to the Series of Notes for the first Interest Accrual Period had the Notes been in issue for a period equal in duration to the scheduled first Interest Accrual Period but ending on (and excluding) the Interest Commencement Date. Where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Accrual Period shall be substituted in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Accrual Period. For the avoidance of doubt, this paragraph shall apply to the relevant next succeeding Interest Accrual Period only and any subsequent Interest Accrual Periods are subject to the subsequent operation of, and to adjustment as provided in, the first paragraph of this Condition 4(o)(iii)(A).

(B) **Successor Rate or Alternate Rate:** If the Independent Adviser determines that:

- (i) there is a Successor Rate, then such Successor Rate and the applicable Adjustment Spread shall subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the operation of this Condition 4(o)(iii)); or
- (ii) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate and the applicable Adjustment Spread shall subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the operation of this Condition 4(o)(iii)).

(C) **Adjustment Spread:** The Adjustment Spread (or the formula or methodology for determining the Adjustment Spread) shall be applied to the Successor Rate or the Alternative Rate (as the case may be). If the Independent Adviser (in consultation with the Issuer) is unable to determine the quantum of, or a formula or methodology for determining such Adjustment Spread, then the Successor Rate or Alternative Rate (as applicable) will apply without an Adjustment Spread.

(D) **Benchmark Amendments:** If any Successor Rate or Alternative Rate and, in either case, the applicable Adjustment Spread is determined in accordance with this Condition 4(o)(iii) and the Independent Adviser (in consultation with the Issuer) determines:

- (i) that amendments to these Conditions and/or the Trust Deed are necessary to ensure the proper operation of such Successor Rate or Alternative Rate and/or (in either case) the applicable Adjustment Spread (such amendments, the “**Benchmark Amendments**”); and
- (ii) the terms of the Benchmark Amendments, then the Issuer shall, subject to giving notice thereof in accordance with Condition 4(o)(iii)(E), without any requirement for the consent or approval of Noteholders, the Trustee or the Agents, vary these Conditions and/or the Trust Deed to give effect to such Benchmark Amendments with effect from the date specified in such notice.

At the request of the Issuer, but subject to receipt by the Trustee of a certificate signed by two authorized signatories of the Issuer pursuant to Condition 4(o)(iii)(E), the Trustee shall (at the expense of the Issuer), without any requirement for the consent or approval of the Noteholders, be obliged to concur with the Issuer in effecting any Benchmark Amendments (including, inter alia, by the execution of a deed supplemental to or amending the Trust Deed), provided that the Trustee shall not be obliged so to concur if in the opinion of the Trustee doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend the protective provisions afforded to the Trustee in these Conditions or the Trust Deed (including, for the avoidance of doubt, any supplemental trust deed) in any way.

For the avoidance of doubt, the Trustee and the Issuing and Paying Agent shall, at the direction and expense of the Issuer, effect such consequential amendments to the Trust Deed, the Agency Agreement and these Conditions as may be required in order to give effect to this Condition 4(o)(iii)(D). Noteholders' consent shall not be required in connection with effecting of the Successor Rate or the Alternative Rate (as applicable) or such other changes, including the execution of any documents or any steps by the Trustee or the Issuing and Paying Agent (if required). Further, none of the Trustee, Calculation Agent, Paying Agents, Registrars or the Transfer Agents shall be responsible or liable for any determinations or certifications made by the Issuer or Independent Adviser with respect to any Successor Rate or Alternative Rate (as applicable) or any other changes and shall be entitled to rely conclusively on any certifications provided to each of them in this regard.

In connection with any such variation in accordance with this Condition 4(o)(iii)(D), the Issuer shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

(E) **Notices:** Any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments, determined under this Condition 4(o)(iii) will be notified promptly by the Issuer to the Trustee, the Calculation Agent, the Paying Agents and, in accordance with Condition 16, the Noteholders and the Couponholders. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any.

No later than notifying the Trustee of the same, the Issuer shall deliver to the Trustee a certificate signed by two authorized signatories of the Issuer:

(x) confirming:

- (I) that a SORA Index Cessation Event has occurred;
- (II) the Successor Rate or, as the case may be, the Alternative Rate;
- (III) the applicable Adjustment Spread;
- (IV) the specific terms of the Benchmark Amendments (if any),

in each case as determined in accordance with the provisions of this Condition 4(o)(iii); and

(y) certifying that the Benchmark Amendments (if any) are necessary to ensure the proper operation of such Successor Rate or Alternative Rate and (in either case) the applicable Adjustment Spread.

The Trustee shall be entitled to rely on such certificate (without liability to any person) as sufficient evidence thereof. The Successor Rate or Alternative Rate and the Adjustment Spread and the Benchmark Amendments (if any) specified in such certificate will (in the absence of manifest error or bad faith in the determination of the Successor Rate, Alternative Rate, the Adjustment Spread or the Benchmark Amendments (if any) and without prejudice to the Trustee's ability to rely on such certificate as aforesaid) be binding on the Issuer, the Trustee, the Calculation Agent, the Paying Agents and the Noteholders.

(F) **Definitions:**

As used in this Condition 4(o)(iii):

"Adjustment Spread" means either:

- (a) a spread (which may be positive, negative or zero); or
- (b) a formula or methodology for calculating a spread, in each case to be applied to the Successor Rate or the Alternative Rate (as the case may be) and is the spread, formula or methodology which:
 - (i) in the case of a Successor Rate, is formally recommended in relation to the replacement of the Original Reference Rate with the Successor Rate by any Relevant Nominating Body; or (if no such recommendation has been made, or in the case of an Alternative Rate);
 - (ii) the Independent Adviser determines as being customarily applied to the relevant Successor Rate or the Alternative Rate (as the case may be) in debt capital markets transactions to produce an industry-accepted replacement rate for the Original Reference Rate; or (if the Independent Adviser determines that no such spread is customarily applied);

- (iii) the Independent Adviser (in consultation with the Issuer) determines, and which is recognized or acknowledged as being the industry standard for over-the-counter derivative transactions which reference the Original Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate (as the case may be);

“Alternative Rate” means an alternative benchmark or screen rate which the Independent Adviser, determines in accordance with Condition 4(o)(iii)(B) as being customarily applied in market usage in debt capital markets transactions for the purposes of determining rates of interest (or the relevant component part thereof) in Singapore Dollars;

“Benchmark Amendments” has the meaning given to it in Condition 4(o)(iii)(D);

“Independent Adviser” means an independent financial institution of international repute or an independent financial adviser with appropriate expertise appointed by the Issuer under Condition 4(o)(iii)(A);

“Original Reference Rate” means, initially, SORA (being the originally-specified benchmark rate used to determine SORA Benchmark and the Rate of Interest), provided that if a SORA Index Cessation Event has occurred with respect to SORA or the then-current Original Reference Rate, then **“Original Reference Rate”** means the applicable Successor Rate or Alternative Rate (as the case may be).

“Relevant Nominating Body” means:

- (a) the Monetary Authority of Singapore (or any successor administrator of the Original Reference Rate); or
- (b) any working group or committee officially sponsored or endorsed by, chaired or co-chaired by or constituted at the request of the Monetary Authority of Singapore (or any successor administrator of the Original Reference Rate).

“SORA Index Cessation Event” means the occurrence of one or more of the following events:

- (i) the Original Reference Rate ceasing to be published for a period of at least five Singapore Business Days or ceasing to exist; or
- (ii) a public statement or publication of information by or on behalf of the Monetary Authority of Singapore (or a successor administrator of the Original Reference Rate), the regulatory supervisor for the administrator of the Original Reference Rate, the central bank for the currency of the Original Reference Rate, an insolvency official with jurisdiction over the administrator of the Original Reference Rate, a resolution authority with jurisdiction over the administrator of the Original Reference Rate or a court or an entity with similar insolvency or resolution authority over the administrator of the Original Reference Rate, announcing that the administrator of the Original Reference Rate has ceased or will cease to provide the Original Reference Rate permanently or indefinitely, and such cessation is reasonably expected by the Issuer to occur prior to the Maturity Date, provided that, at the time of the statement or publication, there is no successor administrator that will continue to provide the Original Reference Rate; or

- (iii) a public statement or publication of information by the regulatory supervisor for the administrator of the Original Reference Rate announcing that the Original Reference Rate has been or will be permanently or indefinitely discontinued and such discontinuation is reasonably expected by the Issuer to occur prior to the Maturity Date; or
- (iv) a public statement or publication of information by or on behalf of the Monetary Authority of Singapore (or the supervisor of a successor administrator of the Original Reference Rate) as a consequence of which the Original Reference Rate will be prohibited from being used either generally, or in respect of the Notes, and such prohibition is reasonably expected by the Issuer to occur prior to the Maturity Date; or
- (v) a public statement by or on behalf of the Monetary Authority of Singapore (or the supervisor of a successor administrator of the Original Reference Rate) that the Original Reference Rate is or will be (or is or will be deemed by such supervisor to be) no longer representative of its relevant underlying market,

provided that the SORA Index Cessation Event shall be deemed to occur (a) in the case of sub-paragraphs (ii) and (iii) above, on the date of the cessation of publication of the Original Reference Rate or the discontinuation of the Original Reference Rate, as the case may be, (b) in the case of sub-paragraph (iv) above, on the date of the prohibition of use of the Original Reference Rate and (c) in the case of sub-paragraph (v) above, on the date with effect from which the Original Reference Rate will no longer be (or will be deemed by the relevant supervisor to no longer be) representative of its relevant underlying market and which is specified in the relevant public statement, and, in each case, not the date of the relevant public statement.

The occurrence of a SORA Index Cessation Event shall be determined by the Issuer and promptly notified to the Trustee, the Calculation Agent and the Paying Agents. For the avoidance of doubt, neither the Trustee, the Calculation Agent nor the Paying Agents shall have any responsibility for making such determination; and

“Successor Rate” means a successor to or replacement of the Original Reference Rate which is formally recommended by any Relevant Nominating Body as the replacement of the Original Reference Rate (which rate may be produced by the Monetary Authority of Singapore or such other administrator).

(iv) **Qualification as Tier 2 Capital Securities**

Notwithstanding any other provision of Conditions 4(o)(i)(D), 4(o)(ii)(B) or 4(o)(ii)(C) or 4(o)(iii)(D) (as applicable), no Successor Rate, Alternative Rate or Benchmark Replacement (as the case may be) will be adopted, nor will the applicable Adjustment Spread or Benchmark Replacement Adjustment (as the case may be) be applied, nor will any Benchmark Amendments or Benchmark Replacement Conforming Changes (as the case may be) be made, if and to the extent that, in the determination of the Issuer, the same could reasonably be expected to prejudice the qualification of the Notes as Tier 2 Capital Securities and/or the Notes as eligible liabilities or loss absorbing capacity instruments for the purposes of any applicable loss absorption regulations.

5 Redemption, Purchase and Options

(a) Redemption by Installments and Final Redemption:

- (i) Unless previously redeemed, purchased and canceled as provided in this Condition 5, each Note that provides for Installment Dates and Installment Amounts shall be partially redeemed on each Installment Date at the related Installment Amount specified in the applicable Pricing Supplement. The outstanding nominal amount of each such Note shall be reduced by the Installment Amount (or, if such Installment Amount is calculated by reference to a proportion of the nominal amount of such Note, such proportion) for all purposes with effect from the related Installment Date, unless payment of the Installment Amount is improperly withheld or refused, in which case, such amount shall remain outstanding until the Relevant Date relating to such Installment Amount.
- (ii) Unless otherwise provided in the applicable Pricing Supplement and unless previously redeemed, purchased and canceled as provided below, each Note shall be finally redeemed on the Maturity Date specified in the applicable Pricing Supplement at its Final Redemption Amount (which, unless otherwise provided in the applicable Pricing Supplement, is its nominal amount) or, in the case of a Note falling within Condition 5(a)(i), its final Installment Amount.

(b) Early Redemption:

(i) *Zero Coupon Notes:*

- (A) The Early Redemption Amount payable in respect of any Zero Coupon Note, the Early Redemption Amount of which is not linked to an index and/or a formula, upon redemption of such Note pursuant to Condition 5(c) or upon it becoming due and payable as provided in Condition 10 shall be the “**Amortized Face Amount**” (calculated as provided below) of such Note unless otherwise specified in the applicable Pricing Supplement.
- (B) Subject to the provisions of Condition 5(b)(i)(C), the Amortized Face Amount of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortization Yield (which, if none is shown in the applicable Pricing Supplement, shall be such rate as would produce an Amortized Face Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually.
- (C) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 5(c) or upon it becoming due and payable as provided in Condition 10 is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortized Face Amount of such Note as defined in Condition 5(b)(i)(B), except that such Condition shall have effect as though the date on which the Note becomes due and payable were the Relevant Date. The calculation of the Amortized Face Amount in accordance with this Condition 5(b)(i)(C) shall continue to be made (both before and after judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 4(c).

Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction shown in the applicable Pricing Supplement.

- (ii) *Other Notes*: The Early Redemption Amount payable in respect of any Note (other than Notes described in (i) above), upon redemption of such Note pursuant to Condition 5(c) or upon it becoming due and payable as provided in Condition 10, shall be the Final Redemption Amount unless otherwise specified in the applicable Pricing Supplement.

(c) **Redemption for Taxation Reasons:**

- (i) *Senior Notes*: The Senior Notes may be redeemed at the option of the Issuer in whole, but not in part, (the “**Senior Notes Optional Tax Redemption**”) on any Interest Payment Date (if this Senior Note is either a Floating Rate Note or an Index Linked Note) or at any time (if this Senior Note is neither a Floating Rate Note nor an Index Linked Note), on giving not less than 15 days’ notice to the Noteholders (which notice shall be irrevocable) at their Early Redemption Amount (as described in Condition 5(b)) together with interest accrued but unpaid (if any) to (but excluding) the date fixed for redemption or, if the Early Redemption Amount is not specified in the applicable Pricing Supplement, at their nominal amount, together with interest accrued but unpaid (if any) to (but excluding) the date fixed for redemption, if (aa) the Issuer has paid or will or would on the next payment date be required to pay any Additional Amounts (as defined in Condition 8) as a result of any change in, or amendment to, the laws or regulations of a Relevant Taxing Jurisdiction (as defined in Condition 8) or any political subdivision or any authority therein or thereof having power to tax (or any taxing authority of any taxing jurisdiction in which the Issuer is a tax resident) or any generally published application or interpretation of such laws or regulations by any such relevant tax authority or any generally published pronouncement by any such tax authority, including a decision of any court or tribunal in any such jurisdiction, or the Notes do not qualify as “qualifying debt securities” for the purposes of the Income Tax Act 1947 of Singapore (the “**Income Tax Act**”) which change or amendment becomes effective on or after the date on which agreement is reached to issue the first Tranche of the Senior Notes, and (bb) such obligation cannot be avoided by the Issuer taking measures reasonably available to it, provided that, where the Issuer has or will become obliged to pay Additional Amounts, no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such Additional Amounts were a payment in respect of the Senior Notes then due.

Before the publication of any notice of redemption pursuant to this Condition 5(c)(i), the Issuer shall deliver to (i) if the subject of the Senior Notes Optional Tax Redemption is Senior Notes other than AMTNs, the Trustee or (ii) if the subject of the Senior Notes Optional Tax Redemption is AMTNs, the Australian Agent, a certificate signed by two authorized signatories of OCBC (and in the case of any other Issuer, one authorized signatory of such Issuer) stating that the payment of Additional Amounts cannot be avoided by the Issuer taking reasonable measures available to it and the Trustee or the Australian Agent, as the case may be, shall be entitled to accept such certificate without any further inquiry as sufficient evidence of the satisfaction of Conditions 5(c)(i)(aa) and (bb) without liability to any person in which event it shall be conclusive and binding on the relevant Noteholders, Receiptholders and Couponholders. The Australian Agent will make such certificate available to the holders of the relevant AMTNs for inspection. Upon expiry of such notice, the Issuer shall redeem such Senior Notes in accordance with this Condition 5(c)(i).

(ii) *Subordinated Notes*: Subject to Condition 5(m), the Subordinated Notes may be redeemed at the option of the Issuer in whole, but not in part, on any Interest Payment Date (if this Subordinated Note is a Floating Rate Note) or at any time (if this Subordinated Note is not a Floating Rate Note), on giving not less than 15 days' notice to the Noteholders (which notice shall be irrevocable) at their Early Redemption Amount (as described in Condition 5(b)) together with interest accrued but unpaid (if any) to (but excluding) the date fixed for redemption or, if the Early Redemption Amount is not specified in the applicable Pricing Supplement, at their nominal amount, together with interest accrued but unpaid (if any) to (but excluding) the date fixed for redemption, if:

(A) the Issuer has paid or will or would on the next payment date be required to pay Additional Amounts (as defined in Condition 8); or

(B) payments of interest on the Subordinated Notes will or would be treated as “**distributions**” or dividends within the meaning of the Income Tax Act or any other act in respect of or relating to Singapore taxation or would otherwise be considered as payments of a type that are non-deductible for Singapore income tax purposes; or

(C) the Subordinated Notes do not qualify as “qualifying debt securities” for the purposes of the Income Tax Act,

in each case as a result of any change in, or amendment to, the laws or regulations of a Relevant Taxing Jurisdiction or any political subdivision or any authority therein or thereof having power to tax (or any taxing authority of any taxing jurisdiction in which the Issuer is a tax resident) or any generally published application or interpretation of such laws or regulations by any such relevant tax authority or any generally published pronouncement by any such tax authority, including a decision of any court or tribunal in any such jurisdiction, which change or amendment becomes effective on or after the date on which agreement is reached to issue the Subordinated Notes, and such obligations cannot be avoided by the Issuer taking measures reasonably available to it, provided that, where the Issuer has or will become obliged to pay Additional Amounts, no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such Additional Amounts were a payment in respect of the Subordinated Notes then due.

Before the publication of any notice of redemption pursuant to this Condition 5(c)(ii), the Issuer shall deliver to the Trustee a certificate signed by two authorized signatories of OCBC (and in the case of any other Issuer, one authorized signatory of such Issuer) stating that the payment of Additional Amounts, or that the non-deductibility of the payments of interest for Singapore income tax purposes, as the case may be, cannot be avoided by the Issuer taking reasonable measures available to it and the Trustee shall be entitled to accept such certificate without any further inquiry as sufficient evidence of the satisfaction of this Condition 5(c)(ii) without liability to any person in which event it shall be conclusive and binding on Noteholders. Upon expiry of such notice, the Issuer shall redeem the Subordinated Notes in accordance with this Condition 5(c)(ii).

Any redemption of the Subordinated Notes by the Issuer pursuant to this Condition 5(c)(ii) is subject to the Issuer obtaining the prior approval of MAS.

(d) **Redemption at the option of the Issuer:**

- (i) *Senior Notes:* If Call Option is specified in the applicable Pricing Supplement as applicable, the Issuer may, on giving not less than 15 but not more than 30 days' irrevocable notice to the Noteholders (or such other notice period as may be specified in the applicable Pricing Supplement) redeem all or, if so provided, some of the Senior Notes on the date(s) specified in the applicable Pricing Supplement (the "**Senior Notes Optional Redemption Date**"). Any such redemption of Senior Notes shall be at the Optional Redemption Amount specified in the applicable Pricing Supplement together with interest accrued but unpaid (if any) to (but excluding) the date fixed for redemption or, if no Optional Redemption Amount is specified in the applicable Pricing Supplement, at their nominal amount together with interest accrued but unpaid (if any) to (but excluding) the date fixed for redemption, in accordance with these Conditions. Any such redemption or exercise must relate to Senior Notes of a nominal amount at least equal to the Minimum Redemption Amount to be redeemed specified in the applicable Pricing Supplement and no greater than the Maximum Redemption Amount to be redeemed specified in the applicable Pricing Supplement.

All Senior Notes in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition 5(d)(i).

In the case of a partial redemption of Senior Notes other than AMTNs, the notice to Noteholders shall also contain the certificate numbers of the Bearer Notes, or in the case of Registered Notes shall specify the nominal amount of Registered Notes drawn and the holder(s) of such Registered Notes, to be redeemed, which shall have been drawn in such place as the Trustee may approve and in such manner as it deems appropriate, subject to compliance with any applicable laws and stock exchange or other relevant authority requirements.

In the case of a partial redemption of AMTNs, the AMTNs to be redeemed must be specified in the notice and selected (i) in a fair and reasonable manner; and (ii) in compliance with any applicable law, directive or requirement of any stock exchange or other relevant authority on which the AMTNs are listed.

- (ii) *Subordinated Notes:* Subject to Condition 5(m), and unless otherwise specified in the Pricing Supplement, if Call Option is specified in the applicable Pricing Supplement as applicable, the Issuer may, on giving not less than 15 days' irrevocable notice to the Noteholders, elect to redeem all, but not some only, of the Subordinated Notes on (i) the relevant First Call Date specified in the applicable Pricing Supplement (which shall not be less than 5 years from the Issue Date); and (ii) any Interest Payment Date following such First Call Date at their Optional Redemption Amount specified in the applicable Pricing Supplement or, if no Optional Redemption Amount is specified in the applicable Pricing Supplement, at their nominal amount together with interest accrued but unpaid (if any) to (but excluding) the date fixed for redemption in accordance with these Conditions.

All Subordinated Notes in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition 5(d)(ii).

The Maturity Date of the Subordinated Notes will not be less than five years from the Issue Date. Any redemption of the Subordinated Notes by the Issuer pursuant to this Condition 5(d)(ii) is subject to the Issuer obtaining the prior approval of MAS.

- (e) **Redemption at the option of holders of Senior Notes:** If Put Option is specified in the applicable Pricing Supplement, the Issuer shall, at the option of the holder of any such Senior Note, upon the holder of such Senior Note giving not less than 15 but not more than 30 days' notice to the Issuer (or such other notice period as may be specified in the applicable Pricing Supplement) redeem such Senior Note on the Optional Redemption Date(s) at the Optional Redemption Amount stated in the applicable Pricing Supplement together with interest accrued but unpaid (if any) to (but excluding) the date fixed for redemption.

To exercise such option the holder must deposit (in the case of Bearer Notes) such Senior Note (together with all unmatured Receipts and Coupons and unexchanged Talons) with any Paying Agent or (in the case of Registered Notes other than AMTNs) the Certificate representing such Senior Note(s) with the Registrar or any Transfer Agent at its specified office, together with a duly completed option exercise notice ("**Exercise Notice**") in the form obtainable from any Paying Agent, the Registrar or any Transfer Agent (as applicable) within the notice period. No such Senior Note so deposited and option exercised may be withdrawn (except as provided in the Agency Agreement) without the prior consent of the Issuer.

Unless otherwise provided in the applicable Pricing Supplement, the Subordinated Notes are not redeemable prior to the Maturity Date at the option of the Noteholders.

- (f) **Purchase at the option of Noteholders of Senior Notes:** If VRN Purchase Option is specified in the applicable Pricing Supplement, each Noteholder shall have the option to have all or any of its Variable Rate Notes purchased by the Issuer at their nominal amount on any Interest Payment Date (as defined in Condition 4(n)) and the Issuer will purchase such Variable Rate Notes accordingly. To exercise such option, a Noteholder shall deposit any Variable Rate Notes to be purchased, together with all Coupons relating to such Variable Rate Notes which mature after the date fixed for purchase, together with a duly completed option exercise notice in the form obtainable from the Paying Agent, not later than 5.00 p.m. (Singapore time) on the last day of the VRN Purchase Option Period shown on the face hereof. Any Variable Rate Notes so deposited may not be withdrawn. Such Variable Rate Notes may be held, resold or surrendered to the Paying Agent for cancellation. The Variable Rate Notes so purchased, while held by or on behalf of the Issuer, shall not entitle the holder to vote at any meetings of the Noteholders and shall not be deemed to be outstanding for the purposes of calculating quorums at meetings of the Noteholders or for the purposes of Condition 11(a).

If Purchase Option is specified in the applicable Pricing Supplement, each Noteholder shall have the option to have all or any of its Notes purchased by the Issuer at their nominal amount on any date on which interest is due to be paid on such Notes and the Issuer will purchase such Notes accordingly. To exercise such option, a Noteholder shall deposit any such Notes to be purchased, together with all Coupons relating to such Notes which mature after the date fixed for purchase, together with a duly completed option exercise notice in the form obtainable from the Paying Agent, not later than 5.00 p.m. (Singapore time) on the last day of the Purchase Option shown on the face hereof. Any such Notes so deposited may not be withdrawn. Such Notes may be held, resold or surrendered to the Paying Agent for cancellation. The Notes so purchased, while held by or on behalf of the Issuer, shall not entitle the holder to vote at any meetings of the Noteholders and shall not be deemed to be outstanding for the purposes of calculating quorums at meetings of the Noteholders or for the purposes of Condition 11(a).

(g) **Redemption for Change of Qualification Event in respect of Subordinated Notes:** Subject to Condition 5(m), if as a result of a change or amendment to the relevant requirements issued by MAS, or any change in, or amendment to, the application of official or generally accepted and published interpretation of such relevant requirements issued by MAS or any relevant supervisory authority having jurisdiction over the Issuer, including a ruling or notice issued by MAS or any such relevant supervisory authority, or any interpretation or pronouncement by MAS or any such relevant supervisory authority that provides for a position with respect to such requirements issued by MAS that differs from the previously published official or such generally accepted and published interpretation in relation to similar transactions or which differs from any specific written statements made by MAS or any relevant supervisory authority having jurisdiction over the Issuer in relation to:

- (i) the qualification of the Subordinated Notes as Tier 2 Capital Securities; or
- (ii) the inclusion of any Subordinated Notes in the calculation of the capital adequacy ratio,

in each case, of the Issuer (either on a consolidated or unconsolidated basis) (“**Eligible Capital**”), which change or amendment:

- (x) becomes, or would become, effective on or after the Issue Date; or
- (y) in the case of a change or amendment to the relevant requirements issued by MAS

or any relevant authority, if such change or amendment is expected to be issued by MAS or any relevant supervisory authority on or after the Issue Date,

the relevant Subordinated Notes (in whole or in part) would not qualify as Eligible Capital of the Issuer (excluding, for the avoidance of doubt, non-qualification solely by virtue of the Issuer already having, or coming to have, an issue of securities with an aggregate principal amount up to or in excess of the limit of Tier 2 Capital Securities permitted pursuant to the relevant legislation and statutory guidelines in force as at the Issue Date) (a “**Change of Qualification Event**”), then the Issuer may, having given not less than 15 days’ prior written notice to the Noteholders in accordance with Condition 16 (which notice shall be irrevocable), redeem in accordance with these Conditions on any Interest Payment Date (if this Subordinated Note is at the relevant time a Floating Rate Note) or at any time (if this Subordinated Note is at the relevant time not a Floating Rate Note) all, but not some only, of the relevant Subordinated Notes, at their Early Redemption Amount or, if no Early Redemption Amount is specified in the applicable Pricing Supplement, at their nominal amount together with interest accrued but unpaid (if any) to (but excluding) the date fixed for redemption in accordance with these Conditions.

Prior to the publication of any notice of redemption pursuant to this Condition 5(g), the Issuer shall deliver to the Trustee a certificate signed by two authorized signatories of OCBC (and in the case of any other Issuer, one authorized signatory of such Issuer) stating that a Change of Qualification Event has occurred and the Trustee shall be entitled to accept such certificate without any further inquiry as sufficient evidence of the satisfaction of the conditions set out above without liability to any person in which event it shall be conclusive and binding on the Noteholders. Upon expiry of such notice, the Issuer shall redeem the Subordinated Notes in accordance with this Condition 5(g).

Any redemption of the Subordinated Notes by the Issuer pursuant to this Condition 5(g) is subject to the Issuer obtaining the prior approval of MAS.

(h) **Variation of Subordinated Notes:**

Subject to Condition 5(m), where this Condition 5(h) is specified as being applicable in the applicable Pricing Supplement for the relevant Subordinated Notes, the Issuer may at any time, without any requirement for the consent or approval of the Noteholders and having given not less than 15 days' notice to the Noteholders in accordance with Condition 16 (which notice shall be irrevocable), vary the terms of those Subordinated Notes, where such variation does not result in terms that are materially less favorable to the Noteholders and so that they remain or, as appropriate, become Qualifying Securities and provided further that:

- (i) such variation does not itself give rise to any right of the Issuer to redeem the varied securities that is inconsistent with the redemption provisions of those Subordinated Notes;
- (ii) neither a Tax Event nor a Capital Event arises as a result of such variation; and
- (iii) the Issuer is in compliance with the rules of any stock exchange on which the Subordinated Notes are for the time being listed or admitted to trading.

In order to give effect to a variation pursuant to this Condition 5(h), the Issuer and the Trustee shall take all such steps, including executing any supplemental deed, as may be necessary or desirable to give effect to such variation. For the avoidance of doubt, the Trustee shall not be responsible or liable for verifying or certifying whether any of the provisions of this Condition 5(h) have been complied with nor incur any liability whatsoever for any failure to do so.

Any variation (to the extent that any variation would affect the eligibility of the Subordinated Notes as Tier 2 Capital Securities) of the Subordinated Notes by the Issuer pursuant to this Condition 5(h) is subject to the Issuer obtaining the prior approval of MAS.

In this Condition 5(h):

“**Additional Amounts**” means such additional amounts the Issuer shall pay as will result (after withholding or deduction) in receipt by the Noteholders of the sums which would have been receivable (in the absence of such withholding or deduction) from it in respect of their Subordinated Notes;

a “**Capital Event**” will be deemed to have occurred if any Subordinated Notes are not, or cease to be, eligible in their entirety to be treated as Tier 2 Capital Securities of the relevant Issuer;

“**Qualifying Securities**” means securities, whether debt, equity, interests in limited partnerships or otherwise, issued directly or indirectly by the Issuer that:

- (i) qualify (in whole or in part) as Tier 2 Capital Securities; or
- (j) may be included (in whole or in part) in the calculation of the capital adequacy ratio, in each case of (x) the Issuer, on an unconsolidated basis, or (y) the Issuer and its subsidiaries, on a consolidated basis;

- (iv) shall:
 - (A) include a ranking at least equal to that of the Subordinated Notes;
 - (B) have at least the same interest rate and the same Interest Payment Dates as those from time to time applying to the Subordinated Notes;
 - (C) have the same redemption rights as the Subordinated Notes;
 - (D) preserve any existing rights under the Subordinated Notes to any accrued interest which has not been paid in respect of the period from (and including) the Interest Payment Date last preceding the date of variation; and
 - (E) if applicable, are assigned (or maintain) the same or higher credit ratings as were assigned to the Subordinated Notes immediately prior to such variation; and
- (v) are listed on the SGX-ST (or such other stock exchange approved by the Trustee) if the Subordinated Notes were listed immediately prior to such variation; and

a “**Tax Event**” is deemed to have occurred if, in making any payments on any Subordinated Notes, the Issuer has paid or will or would on the next payment date be required to pay any Additional Amounts or payments of interest on the Subordinated Notes will or would be treated as “distributions” or dividends within the meaning of the Income Tax Act or any other act in respect of or relating to Singapore taxation or would otherwise be considered as payments of a type that are non-deductible for Singapore income tax purposes, in each case under the laws or regulations of a Relevant Taxing Jurisdiction (as defined in Condition 8) or any political subdivision or any authority therein or thereof having power to tax (or any taxing authority of any taxing jurisdiction in which the Issuer is a tax resident) or any generally published application or interpretation of such laws or regulations by any relevant tax authority or any generally published pronouncement by any such tax authority, including a decision of any court or tribunal in any such jurisdiction, and the Issuer cannot avoid the foregoing by taking measures reasonably available to it.

If a variation has occurred pursuant to, or otherwise in accordance with, this Condition 5(h), such event will not constitute a Default under these Conditions.

- (k) **Partly Paid Notes:** If the Notes are specified in the applicable Pricing Supplement as being Partly Paid Notes, such Notes will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition 5 and the provisions specified in the applicable Pricing Supplement.
- (l) **Purchases:** The Issuer and any of its subsidiaries (with the prior approval of MAS, for so long as the Issuer is required to obtain such approval, in the case of Subordinated Notes) may at any time purchase Notes (provided that all unmatured Receipts and Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise at any price in accordance with all relevant laws and regulations and, for so long as the Notes are listed, the requirements of the relevant stock exchange. The Issuer or any such subsidiary may, at its option, retain such purchased Notes for its own account and/or resell or cancel or otherwise deal with them at its discretion.

- (m) **Cancellation:** All Notes purchased by or on behalf of the Issuer or any of its subsidiaries may be surrendered for cancellation, in the case of Bearer Notes, by surrendering each such Note together with all unmatured Receipts and Coupons and all unexchanged Talons to the Issuing and Paying Agent and, in the case of Registered Notes (other than AMTNs), by surrendering the Certificate representing such Notes to the Registrar and, in each case, if so surrendered, shall, together with all Notes redeemed by the Issuer, be canceled forthwith (together with all unmatured Receipts and Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so surrendered for cancellation may not be reissued or resold and the obligations of the Issuer in respect of any such Notes shall be discharged. Any Subordinated Note that is Written-off in full in accordance with Condition 6 or converted in full if and as described in the applicable Pricing Supplement shall be automatically canceled.

If any AMTN represented by an AMTN Certificate is redeemed or purchased and canceled in accordance with this Condition 5 then (i) the applicable AMTN Certificate will be deemed to be surrendered and canceled without any further formality, and (ii) where some, but not all, of the AMTNs represented by that AMTN Certificate are so redeemed, the Issuer will, promptly and without charge, issue and deliver, and procure the authentication by the Australian Agent of, a new AMTN Certificate in respect of those AMTNs that had been represented by the original AMTN Certificate and which remain outstanding following such redemption.

- (n) **No Obligation to Monitor:** In the case of Notes other than AMTNs, the Trustee shall not be under any duty to monitor whether any event or circumstance has happened or exists within this Condition 5 and will not be responsible to the Noteholders, Receiptholders or Couponholders for any loss arising from any failure by it to do so. Unless and until the Trustee has notice in writing of the occurrence of any event or circumstance within this Condition 5, it shall be entitled to assume that no such event or circumstance exists.
- (o) **Redemption or Variation of Subordinated Notes:** Without prejudice to any provision in this Condition 5, any redemption pursuant to Condition 5(c)(ii), Condition 5(d)(ii) or Condition 5(g) or variation pursuant to Condition 5(h) (to the extent that any variation would affect the eligibility of the Subordinated Notes as Tier 2 Capital Securities) of Subordinated Notes by the Issuer is subject to the Issuer obtaining the prior approval of MAS.

These Conditions may be amended, modified or varied in relation to any Series of Notes by the terms of the applicable Pricing Supplement in relation to such Series.

6 Loss Absorption upon a Trigger Event and Bail-in Power in respect of Subordinated Notes

- (a) The applicable Pricing Supplement will specify whether “Write-off” or “Conversion” applies as the relevant Loss Absorption Option upon the occurrence of a Trigger Event in relation to the Subordinated Notes to which it relates. If “Write-off” is specified, the provisions of Conditions 6(b) and (c) shall apply. If “Conversion” is specified, the terms applicable thereto will be specified in the applicable Pricing Supplement.
- (b) **Write-off on a Trigger Event:**
- (i) If “Write-off” is specified as the Loss Absorption Option in the applicable Pricing Supplement for any Subordinated Notes and if a Trigger Event occurs, the Issuer shall, upon the issue of a Trigger Event Notice, irrevocably and without the need for the consent of the Trustee or the holders of any Subordinated Notes, procure

that the Registrar shall reduce the principal amount and cancel any accrued but unpaid interest of each Subordinated Note (in whole or in part) by an amount equal to the Trigger Event Write-off Amount per Subordinated Note (a “**Write-off**”, and “**Written-off**” shall be construed accordingly). Once any principal or interest under a Subordinated Note has been Written-off, it will be extinguished and will not be restored in any circumstances, including where the relevant Trigger Event ceases to continue. No Noteholder may exercise, claim or plead any right to any Trigger Event Write-off Amount, and each Noteholder shall be deemed to have waived all such rights to such Trigger Event Write-off Amount. For the avoidance of doubt, any Write-off in accordance with this Condition 6 shall not constitute a Default (as defined below).

- (ii) If a Trigger Event Notice has been given in respect of any Subordinated Notes in accordance with this Condition 6(b), transfers of any such Subordinated Notes that are the subject of such notice shall not be permitted during the Suspension Period. From the date on which a Trigger Event Notice in respect of any Subordinated Notes in accordance with this Condition 6(b) is issued by the Issuer to the end of the Suspension Period, the Trustee and the Registrar shall not register any attempted transfer of any Subordinated Notes and such an attempted transfer will not be effective.
- (iii) Any reference in these Conditions to principal in respect of the Subordinated Notes shall refer to the principal amount of the Subordinated Note(s), reduced by any applicable Write-off(s).

Any Write-off of Subordinated Notes or any cancellation, modification, conversion or change in form as a result of the exercise of the MAS’s powers under Division 4A of Part IVB of the MAS Act is subject to the availability of procedures to effect the Write-off in the relevant clearing systems. For the avoidance of doubt, however, any Write-off of any Subordinated Notes, or the giving of effect of a Bail-in Certificate with respect to the Issuer, under this Condition 6 will be effective upon the date that the Issuer specifies in the Trigger Event Notice or in the notice of issue of a Bail-in Certificate (or as may otherwise be notified in writing to Subordinated Noteholders, the Trustee and Agents by the Issuer) notwithstanding any inability to operationally effect any such Write-off or cancellation, modification, conversion or change in form as a result of the exercise of the MAS’s powers under Division 4A of Part IVB of the MAS Act in the relevant clearing system(s).

(c) Multiple Trigger Events and Write-offs in part:

- (i) Where only part of the principal and/or interest of Additional Tier 1 Capital Securities or Tier 2 Capital Securities of the Issuer is to be Written-off, the Issuer shall use reasonable endeavors to conduct any Write-off such that:
 - (A) holders of any Series of Subordinated Notes are treated ratably and equally;
 - (B) the Write-off of any Subordinated Notes is conducted only to the extent that the Trigger Event Write-off Amount (as applicable) exceeds the aggregate nominal amount of all Additional Tier 1 Capital Securities of the Issuer that are capable of being written-off or converted under any applicable laws and/or their terms of issue analogous to these conditions, so as to Write-off Tier 2 Capital Securities of the Issuer (including the Subordinated Notes) in an aggregate nominal amount equal to the amount of that excess; and

- (C) the Write-off of any Subordinated Notes is conducted on a *pro rata* and proportionate basis with all other Tier 2 Capital Securities of the Issuer, to the extent that such Tier 2 Capital Securities are capable of being written-off or converted under any applicable laws and/or their terms of issue analogous to these Conditions.

Any loss absorption action to be taken in respect of any Common Equity Tier 1 Capital shall not be required before a Write-off or conversion (if applicable) of any Subordinated Notes can be effected in accordance with these Conditions.

- (ii) Any Series of Subordinated Notes may be subject to one or more Write-offs in part (as the case may be), except where such Series of Subordinated Notes has been Written-off in its entirety.

(d) Bail-in Power in respect of Subordinated Notes

Notwithstanding any other term of the Subordinated Notes, including without limitation Condition 6(b), or any other agreement or arrangement, the Subordinated Notes may be subject to cancelation, modification, conversion, change in form, or have the effect as if a right of modification, conversion, or change of form had been exercised by the MAS in the exercise of the MAS's powers under Division 4A of Part IVB of the MAS Act without prior notice. The Trustee (on behalf of the holders of Subordinated Notes) and each holder of a Subordinated Note shall be subject, and shall be deemed to agree, to be bound by and acknowledge that they are each subject to, having the Subordinated Notes being the subject of the exercise of the MAS's powers under Division 4A of Part IVB of the MAS Act. Further, the Trustee (on behalf of the holders of Subordinated Notes) and each holder of a Subordinated Note shall be deemed to agree to be bound by a Bail-in Certificate.

The rights of the holders of Subordinated Notes and the Trustee (on behalf of the holders of Subordinated Notes) under the Subordinated Notes and these Conditions are subject to, and will be amended and varied (if necessary), solely to give effect to, the exercise of the MAS's powers under Division 4A of Part IVB of the MAS Act.

No repayment of any outstanding principal amount of any Subordinated Notes or payment of any interest on any Subordinated Notes shall become due and payable or be paid after the exercise of the MAS's powers under Division 4A of Part IVB of the MAS Act unless, at the time that such repayment or payment, respectively, is scheduled to become due, such repayment or payment would be permitted to be made by the Issuer under the laws and regulations applicable to the Issuer.

Upon the issue of a Bail-in Certificate with respect to the Subordinated Notes, the Issuer shall provide written notice of such Bail-in Certificate to the holders of Subordinated Notes and the Trustee in accordance with Condition 16 not more than two Business Days after the issue of such Bail-in Certificate.

Neither the cancelation, modification, conversion or change in form of the Subordinated Notes as a result of the exercise of the MAS's powers under Division 4A of Part IVB of the MAS Act with respect to the Issuer or the Subordinated Notes shall constitute a Default under Condition 10(b).

(e) **Definitions:**

In this Condition 6:

“Bail-in Certificate” means a bail-in certificate issued pursuant to Section 75 of the MAS Act;

“Common Equity Tier 1 Capital” means:

- (i) any security issued by the Issuer; or
- (ii) any other similar instrument issued by any subsidiary of the Issuer,

that, in each case, constitutes Common Equity Tier 1 Capital of the Issuer, on an unconsolidated basis, pursuant to the relevant requirements set out in MAS Notice 637;

“Loss Absorption Option” means such loss absorption option as may be specified in the applicable Pricing Supplement in respect of any Subordinated Notes;

“MAS Act” means the Monetary Authority of Singapore Act 1970 of Singapore, as amended;

“Trigger Event” means the earlier of:

- (i) MAS notifying the Issuer in writing that it is of the opinion that a Write-off or conversion is necessary, without which the Issuer would become non-viable; and

“Trigger Event Notice” means the notice specifying that a Trigger Event has occurred, which shall be issued by the Issuer not more than two Business Days after the occurrence of a Trigger Event to the holders of the Subordinated Notes, the Trustee and the Issuing and Paying Agent in accordance with Condition 16 and which shall state with reasonable detail the nature of the relevant Trigger Event and, if applicable, specify, as applicable (A) the Trigger Event Write-off Amount per Subordinated Note to be Written-off or (B) details of any conversion consistent with any mechanics specified in the applicable Pricing Supplement. (f) Role of the Issuer, the Trustee and the Agents:

Notwithstanding anything to the contrary that may be set out in these Conditions, the Trust Deed, the Agency Agreement, the applicable Pricing Supplement or any other document relating to the Subordinated Notes:

- (i) neither the Trustee nor any Agent shall be under any duty to determine, monitor or report whether a Trigger Event has occurred or circumstances exist which may lead to the occurrence of a Trigger Event and will not be responsible or liable to the Noteholders or any other person for any loss arising from any failure by it to do so, except where such failure is due to the fraud, negligence or willful misconduct of the Trustee or such Agent. Unless and until the Trustee and the Issuing and Paying Agent receive a Trigger Event Notice in accordance with this Condition 6 and the other Agents are expressly notified in writing, each of them shall be entitled to assume that no such event or circumstance has occurred or exists;
- (ii) each of the Trustee and each Agent shall be entitled without further enquiry and without liability to any Noteholder or any other person to rely on any Trigger Event Notice and such Trigger Event Notice shall be conclusive evidence of the occurrence of the Trigger Event and conclusive and binding on Noteholders;
- (iii) neither the Trustee nor any Agent shall be under any duty to determine or calculate, or verify any determination or calculation of or relating to, any Trigger Event Write-off Amount and will not be responsible or liable to the Noteholders or any other person for any loss arising from any failure by it to do so, except where such failure is due to the fraud, negligence or willful misconduct of the Trustee or such Agent;
- (iv) each of the Trustee, the Agents, Euroclear, Clearstream, CDP, DTC and any other relevant clearing system shall be entitled without further enquiry and without liability to any Noteholder or any other person to rely on any Trigger Event Notice and the Trigger Event Write-off Amount specified therein shall, as to the amount of interest and/or principal to be Written-off, be conclusive and binding on Noteholders;
- (v) as long as such Subordinated Notes are held in global form, neither the Trustee nor any Agent shall, in any circumstances, be responsible or liable to the Issuer, the Noteholders or any other person for any act, omission or default by Euroclear, Clearstream, CDP, DTC or any other relevant clearing system, or its respective participants, members, any broker-dealer or any other relevant third party with respect to the notification and/or implementation of any Write-off by any of them in respect of such Subordinated Notes;
- (vi) once the Issuer has delivered a Trigger Event Notice to the Trustee pursuant to this Condition 6:
 - (A) the Trustee shall not be obliged to take any action pursuant to any direction, instruction or request provided to it pursuant to an Extraordinary Resolution (as defined in the Trust Deed) or a resolution passed at a meeting of Noteholders; and
 - (B) any direction, instruction or request given to the Trustee pursuant to an Extraordinary Resolution or a resolution passed at a meeting of Noteholders prior to the date of the Trigger Event Notice shall cease automatically and shall be null and void and of no further effect,

provided that any action taken by the Trustee in respect of any such Subordinated Notes shall only be taken after the relevant Suspension Period;

- (vii) the Issuer, the Trustee and each Agent shall, without the need for the consent or approval of the holders of any Subordinated Notes (or any further action or direction on the part of Noteholders), take any and all such steps in accordance with the Agency Agreement as may be necessary or desirable to give effect to any Trigger Event and any Write-off following the occurrence of the Trigger Event and to reflect the same in the records of Euroclear, Clearstream, CDP, DTC or any other relevant clearing system; and
- (viii) the Trust Deed and Agency Agreement contain certain other protections and disclaimers as applicable to the Trustee and Agents in relation to Condition 6 and each Noteholder shall be deemed to have authorized, directed and requested the Trustee, the Registrar and the other Agents, as the case may be, to take any and all such steps as may be necessary or desirable to give effect to any Trigger Event and any Write-off following the occurrence of the Trigger Event.

7 Payments and Talons

- (a) **Bearer Notes not held in CMU:** Payments of principal and interest in respect of Bearer Notes not held in CMU shall, subject as mentioned below, be made against presentation and surrender of the relevant Receipts (in the case of payments of Installment Amounts other than on the due date for redemption and provided that the Receipt is presented for payment together with its relevant Note), Notes (in the case of all other payments of principal and, in the case of interest, as specified in Condition 7(h)(vi)) or Coupons (in the case of interest, save as specified in Condition 7(h)(ii)), as the case may be:
 - (i) in the case of a currency other than Renminbi, at the specified office of any Paying Agent outside the United States by a cheque payable in the relevant currency drawn on, or, at the option of the holder, by transfer to an account denominated in such currency with, a Bank; and
 - (ii) in the case of Renminbi where the Notes are cleared through CDP, by transfer to a Renminbi account maintained by or on behalf of a Noteholder with a bank in Singapore or Hong Kong.

If a holder does not maintain such an account in respect of a payment to be made under the Notes, the Issuer reserves the right, in its sole discretion and upon such terms as it may determine, to make arrangements to pay such amount to that holder by another means, provided that the Issuer shall not have any obligation to make any such arrangements.

In this Condition 7(a), “**Bank**” means a bank in the principal financial center for such currency or, in the case of Euro, in a city in which banks have access to the TARGET System.

- (b) **Bearer Notes held in CMU:** Payments of principal and interest in respect of Bearer Notes held in CMU will be made to the person(s) for whose account(s) interests in the relevant Bearer Note are credited as being held with CMU in accordance with CMU Rules (as defined in the Agency Agreement) at the relevant time as notified to the CMU Lodging and Paying Agent by CMU in a relevant CMU Instrument Position Report (as defined in the Agency Agreement) or any other relevant notification by CMU, which notification shall be conclusive evidence of the records of CMU (save in the case of manifest error) and payment made in accordance thereof shall discharge the obligations of the Issuer in respect of that payment.

(c) **Registered Notes (other than AMTNs) not held in CMU:** This Condition 7(c) does not apply to AMTNs.

- (i) Payments of principal (which for the purposes of this Condition 7(c) shall include final Installment Amounts but not other Installment Amounts) in respect of Registered Notes shall be made against presentation and surrender of the relevant Certificates at the specified office of any of the Transfer Agents or of the Registrar and in the manner provided in Condition 7(a)(ii).
- (ii) Interest (which for the purpose of this Condition 7(c) shall include all Installment Amounts other than final Installment Amounts) on Registered Notes shall be paid to the person shown on the Register at the close of business (i) on the fifteenth day before the due date for payment thereof or (ii) in the case of Renminbi, on the fifth day before the due date for payment thereof (the “**Record Date**”). Payments of interest on each Registered Note shall be made:
 - (x) in the case of a currency other than Renminbi, in the relevant currency by cheque drawn on a Bank and mailed to the holder (or to the first named of joint holders) of such Registered Note at its address appearing in the Register. Upon application by the holder to the specified office of the Registrar or any Transfer Agent before the Record Date, such payment of interest may be made by transfer to an account in the relevant currency maintained by the payee with a Bank; and
 - (y) in the case of Renminbi where the Notes are cleared through CDP, by transfer to the registered account of the Noteholder. If a holder does not maintain such a registered account in respect of a payment to be made under such Registered Note, the Issuer reserves the right, in its sole discretion and upon such terms as it may determine, to make arrangements to pay such amount to that holder by another means, *provided that* the Issuer shall not have any obligation to make any such arrangements.

In this Condition 7(c)(ii), “**registered account**” means the Renminbi account maintained by or on behalf of the Noteholder with a bank in Singapore or Hong Kong, details of which appear on the Register at the close of business on the fifth business day before the due date for payment.

- (iii) Noteholders will not be entitled to any interest or other payment for any delay after the due date in receiving the amount due on a Note if the due date is not a relevant business day, if the Noteholder is late in surrendering or cannot surrender its Certificate (if required to do so) or if a cheque mailed in accordance with Condition 7(c)(ii) arrives after the due date for payment.

(d) **Registered Notes (other than AMTNs) held in CMU:** This Condition 7(d) does not apply to AMTNs.

Payments of principal and interest in respect of Registered Notes held in CMU will be made to the person(s) for whose account(s) interests in the relevant Registered Note are credited as being held with CMU in accordance with CMU Rules (as defined in the Agency Agreement) at the relevant time as notified to the CMU Lodging and Paying Agent by CMU in a relevant CMU Instrument Position Report (as defined in the Agency Agreement) or any other relevant notification by CMU, which notification shall be conclusive evidence of the records of CMU (save in the case of manifest error) and payment made in accordance thereof shall discharge the obligations of the Issuer in respect of that payment.

For so long as any of the Notes that are cleared through CMU are represented by a Global Note or a Global Certificate, payments of interest or principal will be made to the persons for whose account a relevant interest in that Global Note or, as the case may be, that Global Certificate is credited as being held by the operator of CMU at the relevant time, as notified to the CMU Lodging and Paying Agent by the operator of CMU in a relevant CMU Instrument Position Report (as defined in the rules of CMU) or in any other relevant notification by the operator of CMU. Such payment will discharge the Issuer's obligations in respect of that payment. Any payments by CMU participants to indirect participants will be governed by arrangements agreed between CMU participants and the indirect participants and will continue to depend on the inter-bank clearing system and traditional payment methods. Such payments will be the sole responsibility of such CMU participants.

- (e) **Payments in the United States:** Notwithstanding the foregoing, if any Bearer Notes are denominated in U.S. dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.
- (f) **Payments subject to fiscal laws:** All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives in the place of payment or other laws to which the Issuer agrees to be subject and the Issuer will not be liable for any taxes or duties of whatever nature imposed or levied by such laws, regulations, directives or agreements, but without prejudice to the provisions of Condition 8. No commission or expenses shall be charged to the Noteholders, Receiptholders or Couponholders in respect of such payments.
- (g) **Appointment of Agents:** The Issuing and Paying Agent, the CMU Lodging and Paying Agent, the CDP Paying Agent, the U.S. Paying Agent, the Paying Agents, the Registrar, the Australian Agent, the Exchange Agent, the Transfer Agents and the Calculation Agent initially appointed by the Issuer and their respective specified offices are listed below. The Issuing and Paying Agent, the CMU Lodging and Paying Agent, the CDP Paying Agent, the U.S. Paying Agent, the Paying Agents, the Registrar, the Australian Agent, the Exchange Agent, the Transfer Agents and the Calculation Agent act solely as agents of the Issuer and do not assume any obligation or relationship of agency or trust for or with any Noteholder, Receiptholders or Couponholder. The Issuer reserves the right at any time with the approval of the Trustee to vary or terminate the appointment of the Issuing and Paying Agent, the CMU Lodging and Paying Agent, the CDP Paying Agent, the U.S. Paying Agent, any other Paying Agent, the Registrar, the Australian Agent, the Exchange Agent, any Transfer Agent or the Calculation Agent(s) and to appoint additional or other Paying Agents or Transfer Agents, provided that the Issuer shall at all times maintain (i) an Issuing and Paying Agent, (ii) a Registrar or Australian Agent (as applicable) in relation to Registered Notes, (iii) a Transfer Agent in relation to Registered Notes, (iv) a CMU Lodging and Paying Agent in relation to Notes cleared through CMU, (v) a CDP Paying Agent in relation to Notes cleared through CDP, (vi) a U.S. Paying Agent in relation to Notes cleared through DTC, (vii) one or more Calculation Agent(s) where these Conditions so require and (viii) such other agents as may be required by any other stock exchange on which the Notes may be listed in each case, as approved by the Trustee.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Bearer Notes denominated in U.S. dollars in the circumstances described in Condition 7(e).

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders.

So long as any Global Certificate payable in a specified currency other than U.S. dollars is held through DTC or its nominee, there will at all times be an Exchange Agent with a specified office in New York City.

(h) Unmatured Coupons and Receipts and unexchanged Talons:

- (i) Upon the due date for redemption of Bearer Notes which comprise Fixed Rate Notes such Notes should be surrendered for payment together with all unmaturing Coupons (if any) relating thereto, failing which an amount equal to the face value of each missing unmaturing Coupon (or, in the case of payment not being made in full, that proportion of the amount of such missing unmaturing Coupon that the sum of principal so paid bears to the total principal due) shall be deducted from the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, due for payment. Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such claim in relation to such Coupon has become void pursuant to Condition 9).
- (ii) Upon the due date for redemption of any Bearer Note which does not comprise a Fixed Rate Note, unmaturing Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
- (iii) Upon the due date for redemption of any Bearer Note, any unexchanged Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
- (iv) Upon the due date for redemption of any Bearer Note that is redeemable in installments, all Receipts relating to such Note having an Installment Date falling on or after such due date (whether or not attached) shall become void and no payment shall be made in respect of them.
- (v) Where any Bearer Note that provides that the relevant unmaturing Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unmaturing Coupons, and where any Bearer Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.
- (vi) If the due date for redemption of any Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Bearer Note or Certificate representing it, as the case may be. Interest accrued on a Note that only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Note or Certificate representing it, as the case may be.

- (i) **Talons:** On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Bearer Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Issuing and Paying Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any claims in relation to Coupons that may have become void pursuant to Condition 9).
- (j) **Non-Business Days:** If any date for payment in respect of any Note, Receipt or Coupon is not a business day, the holder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. In this Condition 7(j), “**business day**” means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in the relevant place of presentation, in such other jurisdictions as shall be specified as “Financial Centers” in the applicable Pricing Supplement and:
- (i) (in the case of a payment in a currency other than Euro and Renminbi) where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial center of the country of such currency; or
 - (ii) (in the case of a payment in Euro) which is a TARGET Business Day; or
 - (iii) (in the case of Renminbi where the Notes are cleared through CMU) on which banks and foreign exchange markets are open for business and settlement of Renminbi payments in Hong Kong; or
 - (iv) (in the case of Renminbi where the Notes are cleared through CDP or in definitive form) on which banks and foreign exchange markets are open for business and settlement of Renminbi payments in Singapore and Hong Kong; or
 - (v) (in the case of Renminbi where the Notes are cleared through Euroclear or Clearstream) on which banks and foreign exchange markets are open for business and settlement of Renminbi payments in London.
- (k) **Renminbi Disruption Fallback:** Notwithstanding the foregoing, if (i) Renminbi is, in the reasonable opinion of the Issuer, not expected to be available to the Issuer when payment of the Notes is due as a result of circumstances beyond the control of the Issuer or (ii) by reason of Inconvertibility, Non-transferability or Illiquidity, the Issuer is not able to satisfy payments of principal or interest in respect of the Notes when due in Renminbi (in the case of Notes cleared through CMU, Euroclear or Clearstream) in Hong Kong or (in the case of Notes cleared through CDP) in Singapore, the Issuer shall, on giving not less than five nor more than 30 days’ irrevocable notice to the Noteholders prior to the due date for payment, settle any such payment (in the case of Notes cleared through CMU, Euroclear or Clearstream) in U.S. dollars on the due date at the U.S. Dollar Equivalent, or (in the case of Notes cleared through CDP) in Singapore dollars on the due date at the Singapore Dollar Equivalent, of any such Renminbi denominated amount. The due date for payment shall be the originally scheduled due date or such postponed due date as shall be specified in the notice referred to above, which postponed due date may not fall more than 20 days after the originally scheduled due date. Interest on the Notes will continue to accrue up to but excluding any such date for payment of principal.

In such event, payments of the U.S. Dollar Equivalent or the Singapore Dollar Equivalent (as applicable) of the relevant principal or interest in respect of the Notes shall be made by:

- (i) in the case of Notes cleared through CMU, Euroclear or Clearstream, transfer to a U.S. dollar denominated account maintained by the payee with, or by a U.S. dollar denominated cheque drawn on, or, at the option of the holder, by transfer to a U.S. dollar account maintained by the holder with, a bank in New York City and the definition of “**business day**” for the purpose of Condition 7(j) shall mean any day on which banks and foreign exchange markets are open for general business in the relevant place of presentation, and New York City; or
- (ii) in the case of Notes cleared through CDP, transfer to a Singapore dollar denominated account maintained by the payee with, or by a Singapore dollar denominated cheque drawn on, a bank in Singapore.

For the purposes of this Condition 7:

“**Determination Business Day**” means a day (other than a Saturday or Sunday) on which commercial banks are open for general business (including dealings in foreign exchange):

- (i) in the case of Notes cleared through CMU, Euroclear or Clearstream, in Hong Kong and New York City; or
- (ii) in the case of Notes cleared through CDP, in Singapore.

“**Determination Date**” means the day which:

- (i) in the case of Notes cleared through CMU, Euroclear or Clearstream, is two Determination Business Days before the due date for payment of the relevant amount under these Conditions; or
- (ii) in the case of Notes cleared through CDP, is seven Determination Business Days before the due date of the relevant amount under these Conditions.

“**Governmental Authority**” means:

- (i) in the case of Notes cleared through CMU, Euroclear or Clearstream, any *de facto* or *de jure* government (or any agency or instrumentality thereof), court, tribunal, administrative or other governmental authority or any other entity (private or public) charged with the regulation of the financial markets (including the central bank) of Hong Kong; or
- (ii) in the case of Notes cleared through CDP, MAS or any other governmental authority or any other entity (private or public) charged with the regulation of the financial markets of Singapore.

“**Illiquidity**” means:

- (i) in the case of Notes cleared through CMU, Euroclear or Clearstream, the general Renminbi exchange market in Hong Kong becomes illiquid as a result of which the Issuer cannot obtain sufficient Renminbi in order to satisfy its obligation to pay interest or principal in respect of the Notes as determined by the Issuer in good faith and in a commercially reasonable manner following consultation with two Renminbi Dealers selected by the Issuer; or

- (ii) in the case of Notes cleared through CDP, the general Renminbi exchange market in Singapore becomes illiquid as a result of which the Issuer cannot obtain sufficient Renminbi in order to satisfy its obligation to pay interest or principal in respect of the Notes as determined by the Issuer in good faith and in a commercially reasonable manner following consultation with two Renminbi Dealers selected by the Issuer.

“Inconvertibility” means the occurrence of any event that makes it impossible (where it had been previously possible) for the Issuer to convert any amount due in respect of the Notes in the general Renminbi exchange market in (in the case of Notes cleared through CMU, Euroclear or Clearstream) Hong Kong or (in the case of Notes cleared through CDP) Singapore, other than where such impossibility is due solely to the failure of the Issuer to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after the Issue Date and it is impossible for the Issuer, due to an event beyond its control, to comply with such law, rule or regulation).

“Non-transferability” means the occurrence of any event that makes it impossible for the Issuer to deliver Renminbi between accounts:

- (i) in the case of Notes cleared through CMU, Euroclear or Clearstream, inside Hong Kong or from an account inside Hong Kong to an account outside Hong Kong and outside the PRC or from an account outside Hong Kong and outside the PRC to an account inside Hong Kong, other than where such impossibility is due solely to the failure of the Issuer to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after the Issue Date and it is impossible for the Issuer, due to an event beyond its control, to comply with such law, rule or regulation); or
- (ii) in the case of Notes cleared through CDP, inside Singapore or from an account inside Singapore to an account outside Singapore and outside the PRC or from an account outside Singapore and outside the PRC to an account inside Singapore, other than where such impossibility is due solely to the failure of the Issuer to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after the Issue Date and it is impossible for the Issuer, due to an event beyond its control, to comply with such law, rule or regulation).

“PRC” means the People’s Republic of China (excluding the Hong Kong Special Administrative Region, the Macau Special Administrative Region and Taiwan).

“Renminbi Dealer” means an independent foreign exchange dealer of international repute active in the Renminbi exchange market in (in the case of Notes cleared through CMU, Euroclear or Clearstream) Hong Kong or (in the case of Notes cleared through CDP) Singapore.

“Singapore Dollar Equivalent” means the Renminbi amount converted into Singapore dollars using the relevant Spot Rate for the relevant Determination Date, as promptly notified to the Issuer and the Paying Agents.

“Spot Rate” means:

- (i) in the case of Notes cleared through CMU, Euroclear or Clearstream, the spot CNY/U.S. dollar exchange rate for the purchase of U.S. dollars with Renminbi in the over-the-counter Renminbi exchange market in Hong Kong for settlement in

two Determination Business Days, as determined by the Calculation Agent at or around 11.00 a.m. (Hong Kong time) on the Determination Date, on a deliverable basis by reference to Reuters Screen Page TRADCNY3, or if no such rate is available, on a non-deliverable basis by reference to Reuters Screen Page TRADNDF.

If such rate is not available, the Calculation Agent will determine the Spot Rate at or around 11.00 a.m. (Hong Kong time) on the Determination Date as the most recently available CNY/U.S. dollar official fixing rate for settlement in two Determination Business Days reported by The State Administration of Foreign Exchange of the PRC, which is reported on the Reuters Screen Page CNY=SAEC. Reference to a page on the Reuters Screen means the display page so designated on the Reuter Monitor Money Rates Service (or any successor service) or such other page as may replace that page for the purpose of displaying a comparable currency exchange rate; or

- (ii) in the case of Notes cleared through CDP, the spot CNY/Singapore dollar exchange rate as determined by the Issuer at or around 11.00 a.m. (Singapore time) on the Determination Date in good faith and in a reasonable commercial manner, and if a spot rate is not readily available, the Issuer may determine the rate taking into consideration all available information which the Issuer deems relevant, including pricing information obtained from the Renminbi non-deliverable exchange market in Singapore or elsewhere and the PRC domestic foreign exchange market in Singapore (and, for the avoidance of doubt, the Calculation Agent shall have no obligation to determine the Spot Rate in the case of Notes cleared through CDP).

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 7(k) by the Calculation Agent, will (in the absence of willful default, bad faith or manifest error) be binding on the Issuer, the Agents and all Noteholders.

“U.S. Dollar Equivalent” means the Renminbi amount converted into U.S. dollars using the Spot Rate for the relevant Determination Date as promptly notified to the Issuer and the Paying Agents.

(I) **AMTNs:**

- (i) The Australian Agent will act (through its office in Sydney) as paying agent for AMTNs pursuant to the Australian Agency Agreement and:
 - (A) if the AMTN is in the clearing system (the **“Austraclear System”**) operated by Austraclear, by crediting on the relevant Interest Payment Date or Maturity Date (as the case may be) the amount then due to the account (held with a bank in Australia) of Austraclear in accordance with the rules and regulations known as the **“Austraclear System Regulations”** established by Austraclear (as amended or replaced from time to time) to govern the use of the Austraclear System;
 - (B) if the AMTN is not in the Austraclear System, by crediting on the Interest Payment Date or Maturity Date (as the case may be), the amount then due to an account (held with a bank in Australia) previously notified in writing by the holder of the AMTN to the Issuer and the Australian Agent.

If a payment in respect of the AMTN is prohibited by law from being made in Australia, such payment will be made in an international financial center for the account of the relevant payee, and on the basis that the relevant amounts are paid in immediately available funds, freely transferrable at the order of the payee.

For the purposes of this Condition 7(l), in relation to AMTNs, “**Business Day**” has the meaning given in the Australian Agency Agreement.

- (ii) Payments of principal and interest will be made in Sydney in Australian dollars to the persons registered at the close of business in Sydney on the relevant Record Date (as defined below) as the holders of such AMTNs, subject in all cases to normal banking practice and all applicable laws and regulations. Payment will be made by cheques drawn on the Sydney branch of an Australian bank dispatched by post on the relevant payment date at the risk of the Noteholder or, at the option of the Noteholder, by the Australian Agent giving in Sydney irrevocable instructions for the effecting of a transfer of the relevant funds to an Australian dollar account in Australia specified by the Noteholder to the Australian Agent (or in any other manner in Sydney which the Australian Agent and the Noteholder agree).
- (iii) In the case of payments made by electronic transfer, payments will for all purposes be taken to be made when the Australian Agent gives irrevocable instructions in Sydney for the making of the relevant payment by electronic transfer, being instructions which would be reasonably expected to result, in the ordinary course of banking business, in the funds transferred reaching the account of the Noteholder on the same day as the day on which the instructions are given.
- (iv) If a cheque posted or an electronic transfer for which irrevocable instructions have been given by the Australian Agent is shown, to the satisfaction of the Australian Agent, not to have reached the Noteholder and the Australian Agent is able to recover the relevant funds, the Australian Agent may make such other arrangements as it thinks fit for the effecting of the payment in Sydney.
- (v) Interest will be calculated in the manner specified in Condition 4 and will be payable to the persons who are registered as Noteholders at the close of business in Sydney on the relevant Record Date and cheques will be made payable to the Noteholder (or, in the case of joint Noteholders, to the first-named) and sent to their registered address, unless instructions to the contrary are given by the Noteholder (or, in the case of joint Noteholders, by all the Noteholders) in such form as may be prescribed by the Australian Agent. Payments of principal will be made to, or to the order of, the persons who are registered as Noteholders at the close of business in Sydney on the relevant Record Date, subject, if so directed by the Australian Agent, to receipt from them of such instructions as the Australian Agent may require.
- (vi) If any day for payment in respect of any AMTN is not a Business Day, such payment shall not be made until the next day which is a Business Day, and no further interest shall be paid in respect of the delay in such payment.
- (vii) Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto. Neither the Issuer nor the Australian Agent shall be liable to any Noteholder or other person for any commissions, costs, losses or expenses in relation to or resulting from such payments.

In this Condition 7(l) in relation to AMTNs, “**Record Date**” means, in the case of payments of principal or interest, the close of business in Sydney on the date which is the fifteenth calendar day before the due date of the relevant payment of principal or interest.

8 Taxation

All payments of principal and interest by or on behalf of the Issuer in respect of the Notes, the Receipts and the Coupons shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by a Relevant Taxing Jurisdiction or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law. In that event, the Issuer shall pay such additional amounts (the “**Additional Amounts**”) as shall result in receipt by the Noteholders, Receiptholders and Couponholders of such amounts as would have been received by them had no such withholding or deduction been required, except that no such Additional Amounts shall be payable with respect to any Note, Receipt or Coupon:

- (a) **Other connection:** to, or to a third party on behalf of, a holder who is (i) treated as a resident of the Relevant Taxing Jurisdiction or as having a permanent establishment in the Relevant Taxing Jurisdiction for tax purposes or (ii) liable to such taxes, duties, assessments or governmental charges in respect of such Note, Receipt, Talon or Coupon by reason of his having some connection with the Relevant Taxing Jurisdiction other than the mere holding or ownership of the Note, Receipt, Talon or Coupon or receiving income therefrom, or the enforcement thereof; or
- (b) **Lawful avoidance of withholding:** to, or to a third party on behalf of, a holder who could lawfully avoid (but has not so avoided) such deduction or withholding by complying or procuring that any third party complies with any statutory requirements or by making or procuring that any third party makes a declaration of non-residence or other similar claim for exemption to any tax authority in the place where the relevant Note (or the Certificate representing it), Receipt or Coupon is presented for payment; or
- (c) Presentation more than 30 days after the Relevant Date: presented (or in respect of which the Certificate representing it is presented) for payment more than 30 days after the Relevant Date except to the extent that the holder of it would have been entitled to such Additional Amounts on presenting it for payment on the thirtieth such day; or
- (d) **Payment to an associate:** to, or to a third party on behalf of, a holder of a Note issued by the Issuer through its Australian branch or by a Specified Issuer that is a resident of Australia (and who is not acting through a branch outside of Australia) who is an “associate” (as that term is defined in section 128F(9) of the Income Tax Assessment Act 1936 of Australia) of the Issuer or Specified Issuer, as relevant, and such holder is not acting in the capacity of a clearing house, paying agent, custodian, funds manager or responsible entity of a registered scheme within the meaning of the Australian Corporations Act;
- (e) **Australian tax file number/Australian Business Number withholding tax:** to, or to a third party on behalf of, a holder of a Registered Note, if that person has not supplied an appropriate Australian tax file number, Australian Business Number or details of an applicable exemption from these requirements; or
- (f) **Garnishee directions by the Australian Commissioner of Taxation:** to, or to a third party on behalf of, a holder of a Note where such withholding or deduction is required to be made pursuant to a notice or direction issued by the Commissioner of Taxation under section 255 of the Income Tax Assessment Act 1936 of Australia or section 260-5 of Schedule 1 to the Taxation Administration Act 1953 of Australia or any similar law.

For the avoidance of doubt, neither the Issuer nor any other person shall be required to pay any Additional Amounts or otherwise indemnify a holder for any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the United States Internal Revenue Code of 1986, as amended (the “Code”) as amended or otherwise imposed pursuant to Sections 1471 through 1474 of the Code (or any regulations thereunder or official interpretations thereof) or an intergovernmental agreement between the United States and another jurisdiction facilitating the implementation thereof (or any law implementing such an intergovernmental agreement).

As used in these Conditions,

- (i) **“Relevant Date”** in respect of any Note, Receipt, Talon or Coupon means the date on which payment in respect of it first becomes due or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is made or (if earlier) the date seven days after that on which notice is duly given to the Noteholders that, upon further presentation of the Note (or relevant Certificate), Receipt, Talon or Coupon being made in accordance with these Conditions, such payment will be made, provided that payment is in fact made upon such presentation. References in these Conditions to (i) “principal” shall be deemed to include any premium payable in respect of the Notes, all Installment Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortized Face Amounts and all other amounts in the nature of principal payable pursuant to Condition 5 or any amendment or supplement to it, (ii) “interest” shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 4 or any amendment or supplement to it and (iii) “principal” and/or “interest” shall be deemed to include any additional amounts that may be payable under this Condition 8 or any undertaking given in addition to or in substitution for it under the Trust Deed.
- (ii) **“Relevant Taxing Jurisdiction”** means, in respect of Senior Notes, Singapore or any country in which the branch of the Issuer through which the Issuer is issuing the Senior Notes is located or the country of the Specified Issuer and (ii) in respect of Subordinated Notes, Singapore.

Where interest, discount income, prepayment fee, redemption premium or break cost is derived from any of the Notes or Coupons (if applicable) by any person who is not resident in Singapore and who carries on any operations in Singapore through a permanent establishment in Singapore, the tax exemption available for qualifying debt securities (subject to certain conditions) under the Income Tax Act, shall not apply if such person acquires such Notes or Coupons (if applicable) using the funds and profits of such person’s operations through a permanent establishment in Singapore. Any person whose interest, discount income, prepayment fee, redemption premium or break cost derived from the Notes is not exempt from tax (including for the reasons described above) shall include such income in a return of income made under the Income Tax Act.

9 Prescription

Claims against the Issuer for payment in respect of the Notes, Receipts and Coupons (which, for this purpose, shall not include Talons) shall be prescribed and become void unless made within 10 years (in the case of principal) or five years (in the case of interest) from the appropriate Relevant Date in respect of them.

10 Events of Default

(a) Senior Notes:

If any of the following events (“**Events of Default**”) occurs and is continuing, (i) in the case of Senior Notes (other than AMTNs), the Trustee at its absolute discretion may, and if so requested by holders of at least one-quarter in nominal amount of the Senior Notes then outstanding or if so directed by an Extraordinary Resolution shall (subject in each case to its being indemnified and/or secured to its satisfaction) give notice to the Issuer that the Senior Notes are, and they shall immediately become, due and payable at their Early Redemption Amount together (if applicable) with accrued interest or (ii) in the case of AMTNs, the holder of an AMTN may, give written notice to the Australian Agent and the Issuer that such AMTN is immediately repayable, whereupon the Early Redemption Amount of such AMTN together (if applicable) with accrued interest to the date of payment shall become immediately due and payable, unless such event of default shall have been remedied prior to the receipt of such notice by the Australian Agent or the Issuer:

- (i) *Non-Payment*: default is made for more than 14 days in the payment on the due date of interest or principal in respect of any of the Senior Notes; or
- (ii) *Breach of Other Obligations*: the Issuer does not perform or comply with any one or more of its other obligations under the Senior Notes, the Trust Deed or the Note (AMTN) Deed Poll, which default has not been remedied within 60 days after notice of such default shall have been given to the Issuer by the Trustee or a holder of the relevant AMTNs; or
- (iii) *Insolvency*: the Issuer is (or is deemed by law or a court of competent jurisdiction to be) insolvent or bankrupt or unable to pay its debts as they fall due, stops, suspends or threatens to stop or suspend payment of all or a material part of its debts, or makes a general assignment or an arrangement or composition with or for the benefit of all its creditors in respect of any such debts or a moratorium is agreed or declared in respect of all or a material part of the debts of the Issuer; or
- (iv) *Winding-up*: an order is made or an effective resolution passed for the winding-up or dissolution or administration of the Issuer, or the Issuer shall apply or petition for a winding-up or administration order in respect of itself or ceases or through an official action of its board of directors threatens to cease to carry on all or a substantial part of its business or operations, in each case except for the purpose of and followed by a reconstruction, amalgamation, reorganization, merger or consolidation.

(b) Subordinated Notes: In the case of the Subordinated Notes:

- (i) **Default**: “**Default**”, wherever used in these Conditions, means (except as expressly provided below, whatever the reason for such Default and whether or not it shall be voluntary or involuntary or be effected by the operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body) failure to pay principal of or interest on any Subordinated Note (which default in the case of principal continues for seven Business Days and in the case of interest continues for 14 Business Days) after the due date for such payment.

If a Write-off or conversion has occurred pursuant to, or otherwise in accordance with, Condition 6 or (with respect to a conversion) any applicable Pricing Supplement, such event will not constitute a Default under these Conditions.

- (ii) **Enforcement:** If a Default occurs and is continuing, the Trustee may in its absolute discretion institute proceedings in Singapore (but not elsewhere) for the winding-up of the Issuer. The Trustee shall have no right to enforce payment under or accelerate payment of any Subordinated Note in the case of such Default in payment on such Subordinated Note or a default in the performance of any other covenant of the Issuer in such Subordinated Note or in the Trust Deed except as provided for in this Condition 10 and Clause 7 of the Trust Deed.

Subject to the subordination provisions as set out in Condition 3, in Clause 5 and Clause 7.2 of the Trust Deed, if a court order is made or an effective resolution is passed for the winding-up of the Issuer, there shall be payable on the Subordinated Notes after the payment in full of all claims of all Senior Creditors, but in priority to holders of share capital of the Issuer and Additional Tier 1 Capital Securities and/or as otherwise specified in the applicable Pricing Supplement or in a supplement to the Offering Memorandum, such amount remaining after the payment in full of all claims of all Senior Creditors up to, but not exceeding, the nominal amount of the Subordinated Notes together with interest accrued to the date of repayment.

- (iii) **Rights and Remedies upon Default:** If a Default in respect of the payment of principal of or interest on the Subordinated Notes occurs and is continuing, the sole remedy available to the Trustee shall be the right to institute proceedings in Singapore (but not elsewhere) for the winding-up of the Issuer. If the Issuer shall default in the performance of any obligation contained in the Trust Deed, other than a Default specified in Condition 10(b)(i), the Trustee and the Noteholders shall be entitled to every right and remedy given hereunder or thereunder or now or hereafter existing at law or in equity or otherwise, provided, however, that the Trustee shall have no right to enforce payment under or accelerate payment of any Subordinated Note except as provided in this Condition 10(b)(iii) and Clause 7.2 of the Trust Deed.

If any court awards money damages or other restitution for any default with respect to the performance by the Issuer of its obligations contained in the Trust Deed, the payment of such money damages or other restitution shall be subject to the subordination provisions set out herein and in Clause 5 and Clause 7.2 of the Trust Deed.

- (iv) **Entitlement of the Trustee:** The Trustee shall not be bound to take any of the actions referred to in Condition 10(b)(ii) or Condition 10(b)(iii) or Clause 7.2 of the Trust Deed or any other action under the Trust Deed unless (i) it shall have been so requested by an Extraordinary Resolution (as defined in the Trust Deed) of the Noteholders or in writing by the holders of at least one-quarter in nominal amount of the Subordinated Notes then outstanding and (ii) it shall have been indemnified and/or secured to its satisfaction.
- (v) **Rights of Holders:** No Noteholder shall be entitled to proceed directly against the Issuer or to institute proceedings for the winding-up of the Issuer in Singapore or to prove in any winding-up of the Issuer unless the Trustee, having become so bound to proceed (in accordance with the terms of the Trust Deed) or being able to prove in such winding-up, fails to do so within a reasonable period and such failure shall be continuing, in which case the Noteholder shall have only such rights against the Issuer as those which the Trustee is entitled to exercise.

No remedy against the Issuer, other than as referred to in this Condition 10 and Clause 7 of the Trust Deed, shall be available to the Trustee or any Noteholder whether for the recovery of amounts owing in relation to or arising from the Subordinated Notes and/or the Trust Deed or in respect of any breach by the Issuer of any of its other obligations relating to or arising from the Subordinated Notes and/or the Trust Deed.

11 Meetings of Noteholders, Modification and Waiver

Condition 11(a), Condition 11(b) and Condition 11(c) do not apply to AMTNs.

- (a) **Meetings of Noteholders:** The Trust Deed contains provisions for convening meetings of Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution (as defined in the Trust Deed) of a modification of any of these Conditions or any provision of the Trust Deed. Such a meeting may be convened by Noteholders holding not less than 10% in nominal amount of the Notes for the time being outstanding. The quorum for any meeting convened to consider an Extraordinary Resolution shall be two or more persons holding or representing a clear majority in nominal amount of the Notes for the time being outstanding, or at any adjourned meeting two or more persons being or representing Noteholders whatever the nominal amount of the Notes held or represented, unless the business of such meeting includes consideration of proposals, *inter alia*, (i) to amend the dates of maturity or redemption of the Notes, any Installment Date or any date for payment of interest or Interest Amounts on the Notes, (ii) to reduce or cancel the nominal amount of, or any Installment Amount of, or any premium payable on redemption of, the Notes, (iii) to reduce the rate or rates of interest in respect of the Notes or to vary the method or basis of calculating the rate or rates or amount of interest or the basis for calculating any Interest Amount in respect of the Notes (except as a result of any modification contemplated in Condition 4(o)), (iv) if a Minimum and/or a Maximum Rate of Interest, Installment Amount or Redemption Amount is shown in the applicable Pricing Supplement, to reduce any such Minimum and/or Maximum, (v) to vary any method of, or basis for, calculating the Final Redemption Amount, the Early Redemption Amount or the Optional Redemption Amount, including, in the case of Zero Coupon Notes, the method of calculating the Amortized Face Amount, (vi) to vary the currency or currencies of payment or the Specified Denomination of the Notes, (vii) to take any steps that as specified in the applicable Pricing Supplement may only be taken following approval by an Extraordinary Resolution to which the special quorum provisions apply, (viii) to modify the provisions concerning the quorum required at any meeting of Noteholders or the majority required to pass the Extraordinary Resolution, (ix) to modify Condition 3 in respect of the Subordinated Notes, (x) to modify Condition 5(i) where Condition 5(i) is specified as being applicable in the Pricing Supplement for the relevant Subordinated Notes or (xi) to sanction the exchange or substitution for the Notes of, or the conversion of the Notes into, shares, bonds or other obligations or securities of the Issuer or any other entity in circumstances other than where "Conversion" is specified in the applicable Pricing Supplement and as contemplated by such provisions, in which case the necessary quorum shall be two or more persons holding or representing not less than 75%, or at any adjourned meeting not less than 25%, in nominal amount of the Notes for the time being outstanding. Any Extraordinary Resolution duly passed shall be binding on Noteholders (whether or not they were present at the meeting at which such resolution was passed) and on all Couponholders and Receiptholders.

The Trust Deed provides that a resolution in writing signed by or on behalf of the holders of not less than 90% in nominal amount of the Notes outstanding shall for all purposes be as valid and effective as an Extraordinary Resolution passed at a meeting of Noteholders duly convened and held. Such a resolution in writing may be contained in one document or several documents in the same form, each signed by or on behalf of one or more Noteholders.

The consent or approval of the Noteholders shall not be required in the case of amendments to these Conditions pursuant to Condition 4(o) to vary the method or basis of calculating the rate or rates or amount of interest or the basis for calculating any Interest Amount in respect of the Notes or for any other variation of these Conditions and/or the Agency Agreement required to be made in the circumstances described in Condition 4(o), where the requirements of Condition 4(o) have been satisfied (including the provision of a certificate to the Trustee, where applicable).

These Conditions may be amended, modified or varied in relation to any Series of Notes by the terms of the applicable Pricing Supplement in relation to such Series.

- (b) **Modification of the Trust Deed and waiver:** The Trustee may agree, without the consent of the Noteholders, Receiptholders or Couponholders, to (i) any modification of any of the provisions of the Trust Deed which is, in its opinion, of a formal, minor or technical nature or is made to correct a manifest error or to comply with any mandatory provision of law, and (ii) any other modification (except as mentioned in the Trust Deed), and waive or authorize, on such terms as seem expedient to it, any breach or proposed breach, of any of the provisions of the Trust Deed that is in the opinion of the Trustee not materially prejudicial to the interests of the Noteholders. Notwithstanding any other provision of these Conditions or the Trust Deed, for Notes specified in the applicable Pricing Supplement as being Subordinated Notes, no modification to any Condition or any provision of the Trust Deed may be made without the prior approval of MAS where such modifications could impact the eligibility of the Subordinated Notes as Tier 2 Capital Securities. Any such modification, authorization or waiver shall be binding on the Noteholders, Receiptholders and the Couponholders and, if the Trustee so requires, such waiver or authorization shall be notified by the Issuer to the Noteholders as soon as practicable.
- (c) **Entitlement of the Trustee:** In connection with the exercise of its functions (including but not limited to those referred to in this Condition 11(c)) the Trustee shall have regard to the interests of the Noteholders, Receiptholders or Couponholders as a class and shall not have regard to the consequences of such exercise for individual Noteholders, Receiptholders or Couponholders and the Trustee shall not be entitled to require, nor shall any Noteholder, Receiptholders or Couponholder be entitled to claim, from the Issuer any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders, Receiptholders or Couponholders.
- (d) **Meetings of AMTN holders:** The Note (AMTN) Deed Poll contains provisions for convening meetings of holders of AMTNs to consider any matter affecting their interests.

12 Enforcement in respect of Senior Notes

In the case of Senior Notes (that are not AMTNs), at any time after the Senior Notes become due and payable, the Trustee may, in its absolute discretion and without further notice, institute such proceedings against the Issuer as it may think fit to enforce the terms of the Trust Deed, the Senior Notes, the Receipts and the Coupons, but it need not take any such proceedings unless (a) it shall have been so directed by an Extraordinary Resolution or so requested in writing by Noteholders holding at least one-quarter in nominal amount of the Senior Notes outstanding, and (b) it shall have been indemnified and/or secured to its satisfaction. No Noteholder, Receiptholder or Couponholder in respect of Senior Notes (that are not AMTNs) may proceed directly against the Issuer unless the Trustee, having become bound so to proceed, fails to do so within a reasonable time and such failure is continuing, in which case such Noteholder, Receiptholder or Couponholder shall have only such rights against the Issuer as those which the Trustee is entitled to exercise. In the case of any

AMTN, at any time after such AMTN becomes due and payable, the holder of such AMTN may at its discretion and without further notice, institute such proceedings against the Issuer as it may think fit to enforce the terms of the Note (AMTN) Deed Poll and such AMTN.

13 Indemnification of the Trustee

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility. The Trustee is entitled to enter into business transactions with the Issuer and any entity related to the Issuer without accounting for any profit.

Each Noteholder, Receiptholder and Couponholder shall be solely responsible for making and continuing to make its own independent appraisal and investigation into the financial position, creditworthiness, condition, affairs, status and nature of the Issuer and the Trustee shall not at any time have any responsibility for the same and each Noteholder, Receiptholder or Couponholder shall not rely on the Trustee in respect thereof.

The Trustee may accept and rely without liability to Noteholders, Receiptholders or Couponholders on a report, confirmation or certificate or any advice of any accountants, financial advisors, financial institution or any other expert, whether or not addressed to it and whether their liability in relation thereto is limited (by its terms or by any engagement letter relating thereto entered into by the Trustee or in any other manner) by reference to a monetary cap, methodology or otherwise. Such report, confirmation or certificate or advice shall be binding on the Issuer, the Trustee, the Noteholders, Receiptholders and the Couponholders.

14 Replacement of Notes, Certificates, AMTN Certificates, Receipts, Coupons and Talons

If a Note, Certificate, Receipt, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and stock exchange or other relevant authority regulations, at the specified office of the Issuing and Paying Agent (in the case of Bearer Notes, Receipts, Coupons or Talons) and of the Registrar (in the case of Certificates) or such other Paying Agent or Transfer Agent, as the case may be, as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to Noteholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Note, Certificate, Receipt, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Notes, Certificates, Receipts, Coupons or Talons) and otherwise as the Issuer or such agent may require. Mutilated or defaced Notes, Certificates, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

Should any AMTN Certificate be lost, stolen, mutilated, defaced or destroyed, upon written notice of such having been received by the Issuer and the Australian Agent:

- (a) that AMTN Certificate will be deemed to be canceled without any further formality; and
- (b) the Issuer will, promptly and without charge, issue and deliver, and procure the authentication by the Australian Agent of, a new AMTN Certificate to represent the holding of the AMTNs that had been represented by the original AMTN Certificate.

15 Further Issues

The Issuer may from time to time without the consent of the Noteholders, Receiptholders or Couponholders create and issue further securities either having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest on them) and so that such further issue shall be consolidated and form a single Series with the outstanding securities of any Series (including the Notes) or upon such terms as the Issuer may determine at the time of their issue. References in these Conditions to the Notes include (unless the context requires otherwise) any other securities issued pursuant to this Condition 15 and forming a single Series with the Notes. Any further securities forming a single series with the outstanding securities of any Series (including the Notes) constituted by the Trust Deed or any deed supplemental to it shall, and any other securities may (with the consent of the Trustee), be constituted by the Trust Deed. The Trust Deed contains provisions for convening a single meeting of the Noteholders and the holders of securities of other Series where the Trustee so decides.

16 Notices

Notices to Noteholders will be valid if published in a daily newspaper of general circulation in Singapore (which is expected to be *The Business Times* but may be another leading daily English language newspaper with general circulation in Singapore) or for so long as the Notes are listed on the SGX-ST and the rules of the SGX-ST so require, on the website of the SGX-ST (www.sgx.com). Any such notice shall be deemed to have been given on the date of publication.

So long as the Notes are represented by the Global Certificate and the Global Certificate is held on behalf of (i) DTC, Euroclear or Clearstream, the Alternative Clearing System (as defined in the form of the Global Certificate) or CDP, notices to Noteholders shall be given by delivery of the relevant notice to DTC, Euroclear or Clearstream, the Alternative Clearing System or (subject to the agreement of CDP) CDP for communication by it to entitled accountholders in substitution for notification as required by these Conditions or (ii) CMU, notices to the holders of Notes of that Series may be given by delivery of the relevant notice to the persons shown in a CMU Instrument Position Report issued by the Hong Kong Monetary Authority on the business day preceding the date of dispatch of such notice, in each case except that if the Notes are listed on the SGX-ST, and the rules of the SGX-ST so require, notice will in any event be published as provided above.

A Trigger Event Notice or notice of the issue of a Bail-in Certificate to the holders of any Subordinated Notes shall be deemed to have been validly given on the date on which such notice is published in a daily newspaper of general circulation in Singapore (which is expected to be *The Business Times* but may be another leading daily English language newspaper with general circulation in Singapore) or so long as the Subordinated Notes are listed on the SGX-ST and the rules of the SGX-ST so require, published on the website of the SGX-ST (www.sgx.com). Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the first date on which publication is made, as provided above.

17 Contracts (Rights of Third Parties) Act

No person shall have any right to enforce any term or condition of the Notes under (i) if the Notes are specified in the applicable Pricing Supplement as being governed by English law, the Contracts (Rights of Third Parties) Act 1999 or (ii) if the Notes are specified in the applicable Pricing Supplement as being governed by Singapore law, Contracts (Rights of Third Parties) Act 2001 of Singapore.

18 Governing Law and Jurisdiction

Condition 18(a), Condition 1 8(b) and Condition 18(c) do not apply to AMTNs.

- (a) **Governing Law:** The Trust Deed and, if the Notes are specified in the applicable Pricing Supplement as being governed by Singapore law, as supplemented by the Singapore Supplemental Trust Deed, the Notes, the Receipts, the Coupons and the Talons and any non-contractual obligations arising out of or in connection with them are governed by, and shall be construed in accordance with, English or Singapore law, as specified in the applicable Pricing Supplement, save that Condition 3(b), Condition 3(c), Condition 3(d), Condition 10(b)(ii) and Condition 1 0(b)(iii) for Notes specified in the applicable Pricing Supplement as Subordinated Notes are in all cases governed by, and shall be construed in accordance with, Singapore law.
- (b) **Jurisdiction:**
- (i) If the Notes are specified in the applicable Pricing Supplement as being governed by English law, the courts of England are to have jurisdiction to settle any disputes that may arise out of or in connection with any Notes, Receipts, Coupons or Talons, save that the courts of Singapore shall have exclusive jurisdiction to settle any disputes that may arise out of Conditions 3(b), 3(c), 3(d), 10(b)(ii) and/or 10(b)(iii), and accordingly any legal action or proceedings arising out of or in connection with any Notes, Receipts, Coupons or Talons (“**Proceedings**”) may be brought in such courts. For Notes for which English law is specified as the governing law in the applicable Pricing Supplement, insofar as the Proceedings do not arise out of or are in connection with Conditions 3(b), 3(c), 3(d), 10(b)(ii) and/or 10(b)(iii), the Issuer irrevocably submits to the jurisdiction of the courts of England and waives any objection to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This submission is made for the benefit of each of the holders of the Notes, Receipts, Coupons and Talons and shall not affect the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not). Insofar as the Proceedings arise out of or are in connection with Conditions 3(b), 3(c), 3(d), 10(b)(ii) and/or 10(b)(iii), all parties irrevocably submit to the exclusive jurisdiction of the courts of Singapore and waive any objection to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum.
- (ii) If the Subordinated Notes are specified in the applicable Pricing Supplement as being governed by Singapore law, the courts of Singapore are to have exclusive jurisdiction to settle any disputes that may arise out of or in connection with any Subordinated Notes and accordingly any Proceedings shall be brought in such courts. For Subordinated Notes for which Singapore law is specified as the governing law in the applicable Pricing Supplement, all parties irrevocably submit to the exclusive jurisdiction of the courts of Singapore and waive any objection to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum.
- (c) **Service of Process:** For Notes for which English law is specified as the governing law in the applicable Pricing Supplement, the Issuer has in the Trust Deed agreed that its branch in England shall accept service of process on its behalf in respect of any Proceedings in England. If such branch ceases to be able to accept service of process in England, the Issuer shall immediately appoint a new agent to accept such service of process in England.

(d) **AMTNs:**

This Condition 18(d) shall only apply to AMTNs.

- (i) The AMTNs, the Australian Agency Agreement and the Note (AMTN) Deed Poll shall be governed by the laws in force in New South Wales, Australia.
- (ii) The courts of New South Wales, Australia and the courts of appeal from them are to have non-exclusive jurisdiction to settle any disputes which may arise out of or in connection with them and any suit, action or proceedings arising out of or in connection with the AMTNs, the Australian Agency Agreement and the Note (AMTN) Deed Poll (together referred to as “**Australian Proceedings**”) may be brought in such courts.
- (iii) For so long as any AMTNs are outstanding, the Issuer agrees that its Sydney branch in Australia shall accept service of process on its behalf in New South Wales, Australia in respect of any Australian Proceedings. In the event there is no such branch, the Issuer shall immediately appoint another agent to accept such service of process in Sydney.
