A. INTRODUCTION AND PRODUCT FEATURES

A.1 INTRODUCTION

1. What are Savings Bonds? What are the main features?

- Savings Bonds are a special type of Singapore Government Securities (SGS) with features that make them suitable for individual investors:
 - Safe: Savings Bonds are backed by the Singapore Government. In addition, you can always redeem your bonds in exchange for the amount invested, i.e. no capital losses.
 - Long-term: You can invest for up to 10 years and earn interest that increases over time. The longer you hold your bond, the higher your return.
 - Flexible redemption option: You don't have to decide at the start how long you want to hold your Savings Bonds for. You can get your funds back within a month, with no penalty.

2. Why is the Government introducing Savings Bonds? Why is this necessary?

- The Government is providing a long-term savings option that offers safe returns, for Singaporeans who can and wish to save more for the long-term. Savings Bonds will complement the CPF system and other savings and investment options already available (e.g. deposits, equities, unit trusts, endowment plans), offering more choices for the individual investor.

3. Does the Government need the money? What will the Government use the money for?

- The Government is not issuing Savings Bonds to finance its expenditure. The money raised from issuing Savings Bonds cannot be spent and will be invested.

4. Are Savings Bonds going to be a permanent feature?

- The Government is committed to maintaining the Savings Bond programme for at least five years.

5. Is Singapore the first to have Savings Bonds? Do other countries have similar products?

- Other developed countries such as US and UK, as well as regional neighbours such as Malaysia and Thailand have issued savings bonds with differing features to the retail public.

6. When can I start buying Savings Bonds?

- Applications for the first Savings Bond issue will open on 1 Sep 2015 at 6pm, and close on 25 Sep 2015. If your application is successful, you will receive your bonds on 1 Oct 2015.
- Application dates for subsequent issuances will be published on the Savings Bonds website (www.sgs.gov.sg/savingsbonds) as well as in major newspapers at the star.

A.2 ELIGIBILITY

7. Can corporates purchase Savings Bonds?

- Only individual investors can apply for and hold Savings Bonds.
- Savings Bonds are intended for individuals, as an alternate way for them to save. As such, the features of the bonds, such as the small minimum investment amount and non-transferability, have been designed with individual savers in mind. Savings Bonds returns are based on those of conventional Singapore Government Securities (SGS). Institutions, organisations, or corporates who are interested to invest in Government securities should consider conventional SGS instead. There is no limit on the amount of SGS that these institutional investors can hold.

8. Is there a minimum age requirement?

- You need to be at least 18 years old to open an individual CDP Securities account to hold Savings Bonds.

A.3 INTEREST

9. Why is there a need to give “step-up” interest?

- Savings Bonds offer you a return that depends on how long you hold them for. You receive less interest at the start, but the amount “steps up” or increases over time so that the longer you invest in Savings Bonds, the higher your effective return.
- As investors can choose to redeem their Savings Bonds in any month, we do not know how long an investor intends to hold the Savings Bond for. Take two investors, A and B, who start investing in Savings Bonds at the same time. If investor A eventually holds the bonds for 10 years and investor B holds the bonds for 2 years, investor A should get higher returns per year to compensate for the longer investment period. But because their investment durations are not known at the start, we cannot pay investor B the 10-year rate from the start. To make it fair for both investors, we make sure that the average return they get matches their investment period.

10. Where can I check the interest rates of each Savings Bond issue? How do I calculate the returns on my Savings Bonds investment?

- MAS will announce the interest rates as well as the returns over different holding periods when applications for each Savings Bond issue open. The information will be published on the Savings Bonds website (www.sgs.gov.sg/savingsbonds) and in major newspapers.

11. Will I make or lose money if market interest rates change?

- Once a Savings Bond is issued, interest rate changes will have no effect on the bond’s value. Unlike conventional SGS, whose values fluctuate with interest rate movements, Savings Bonds are always redeemable at par.
- Future interest rate levels could turn out to be higher (or lower) than the interest rates you receive from your Savings Bond holdings. You have the option to redeem your Savings Bond for the full invested capital with no penalty, and apply for new Savings Bond issues with higher interest rates, if you find that the latter is more attractive. Before you do this, you will have to consider whether a new Savings Bond with lower initial interest payments

outweighs the stepped-up coupons you will be receiving on an existing Savings Bond that you may have held for some years.

12. When is interest paid? When will I receive the interest payments?

- Interest is paid every 6 months, on the 1st business day of the month. The first interest payment will be made 6 months after you receive your Savings Bonds. In general, for a Savings Bond that is issued on 1 Oct, the interest payments will be made on 1 Apr and 1 Oct (assuming they are business days) of each subsequent year for the next 10 years as long as you continue to hold the Savings Bond.
- Interest will be automatically credited into your designated DCS bank account. This is the bank account that is linked to your individual CDP Securities account.

A.4 INVESTMENT AMOUNTS

13. How much can I invest in Savings Bonds? Why are there limits on the maximum investment amount?

- You may invest a minimum of \$500, and in subsequent multiples of \$500 up to a maximum of \$50,000 for each Savings Bond issue. This “Issue Limit” ensures that each Savings Bond issue is made available to as many people as possible.
- At any point in time, you may hold up to a maximum of \$100,000 in Savings Bonds. This “Overall Limit” is sufficient to meet the needs of most individuals as more than 90% of individual bank deposit accounts have balances of \$100,000 or lower. Individuals with larger sums to invest may wish to consider investing in SGS.

14. Will everyone get as much Savings Bonds as he/she wants, as long as he keeps to the limits on the maximum investment amount?

- If the total amount of applications for a particular Savings Bond issue exceeds the amount of bonds available, you may not get the full amount of bonds that you have applied for. If this happens, you can consider applying for the next Savings Bond issue.

15. If I have reached my “Overall Limit” but have submitted a redemption request, will I be able to apply for new Savings Bonds within the same month to bring my total holdings back to the “Overall Limit”?

- Yes.

A.5 ISSUANCE AND REDEMPTION

16. How often are Savings Bonds issued? When can I redeem my Savings Bonds?

- Savings Bonds will be issued every month from Oct 2015. You will be able to redeem your Savings Bonds in any month before the bond matures with no penalty.

17. Is there a minimum holding period?

- You can redeem your Savings Bonds as early as the month in which the bond is issued. Redemption proceeds will be paid out on the 1st business day of the following month.

A.6 TRANSFERABILITY

18. Is there any scenario under which I am allowed to transfer my Saving Bonds?

- Savings Bonds cannot be transferred except in specific situations such as the death of the bondholder. In the event of death, the bonds can be transferred to the rightful beneficiaries according to the deceased person’s will or under the intestacy law.

19. Are Savings Bonds tradable? Can I trade this on SGX?

- Savings Bonds cannot be bought or sold in the open market, or traded on SGX like shares. They cannot be pledged as collateral.

A.7 COMPARISON WITH SINGAPORE GOVERNMENT SECURITIES (SGS) AND FIXED DEPOSITS

20. How are Savings Bonds different from conventional SGS?

- Firstly, Savings Bonds are not tradable while conventional SGS can be traded on SGX. This means that the prices of conventional SGS

can change, depending on market interest rates movements and financial market conditions. So you may receive more or less than your invested capital if you sell your conventional SGS before maturity. However, you will always receive your principal when investing in Savings Bonds.

- Secondly, unlike Savings Bonds, conventional SGS cannot be redeemed early.
- Finally, Savings Bonds have a lower minimum investment amount and unit size of \$500 compared to \$1,000 for conventional SGS. Individuals can hold up to \$100,000 of Savings Bonds at any point, but there are no investment limits on conventional SGS.

21. If SGS has been largely successful, why is there a need to launch Savings Bonds? Will Savings Bonds replace the conventional SGS?

- The Government and MAS have in recent years made it easier for individuals to buy and sell SGS. One example is the ability to purchase SGS through ATMs and through SGX via brokers. However, despite these efforts, participation from individuals in the SGS market remains low. Many individual investors lack familiarity with SGS, and some may not want to subject themselves to price risks if they sell the bonds before maturity.
- Savings Bonds are intended to give individuals an accessible way to receive the same interest or return that they receive when they invest in SGS. They are not intended to replace SGS. The overall size of the Savings Bond programme is expected to be small compared to the amount of outstanding SGS.

22. How do Savings Bonds compare with fixed deposits?

- Savings Bonds offer individual investors another way to save for the long term. Most fixed deposits have tenors of up to 2 or 3 years. Savings Bonds allow you to save for up to 10 years. In addition, Savings Bonds are backed by the Government, rather than a bank.
- As there are many banks offering fixed-deposit products with differing terms and conditions (e.g. minimum investment sums, penalties for early withdrawal, promotional rates), you may wish to get more information on the products offered by banks and compare these against the Savings Bonds to see which better suits your needs.

B. APPLYING FOR SAVINGS BONDS

B.1 GETTING STARTED

23. What do I need in order to buy Savings Bonds?

- First, you need to have a bank account with one of the participating banks – currently DBS/POSB, OCBC or UOB. You also need to have an ATM card for the account. You can visit any of the three local banks' branches in Singapore to open a bank account.
- Next, you need to open an Individual CDP Securities account if you do not have one, and link it to your bank account by applying for Direct Crediting Service (DCS) at the same time. You need to be at least 18 years old to open an Individual CDP Securities account.

24. Why do I need to open a CDP Securities account to buy Savings Bonds? Can I use my joint CDP Securities account to buy Savings Bonds?

- CDP is the custodian for Savings Bonds. You will need to have an individual CDP Securities account as a holding account for your Savings Bonds.
- Savings Bonds may not be held in any other types of CDP accounts (such as joint accounts) or in accounts outside CDP.

25. Can I purchase Savings Bonds in joint name or under trust account?

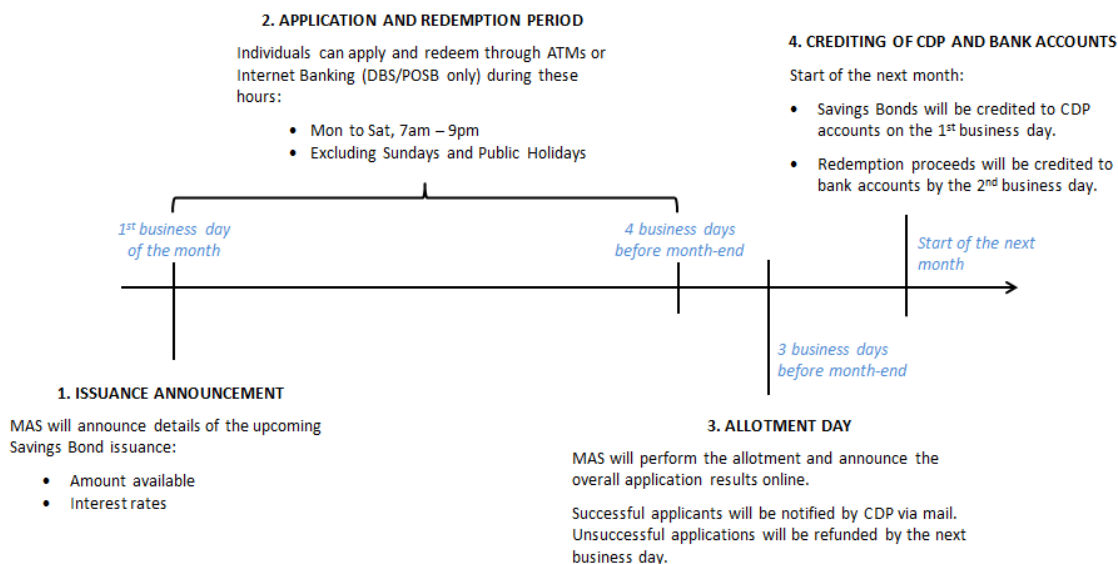

- You need to have a CDP Securities account in your own name in order to purchase Savings Bonds.
- However, you can pay for the Savings Bonds from a joint account tagged to your personal ATM card.

26. Can I use Supplementary Retirement Scheme (SRS) or Central Provident Fund (CPF) funds to buy Savings Bonds?

- SRS and CPF funds are currently not eligible.

B.2 APPLICATION PERIOD

Overview of the monthly application timeline

27. Can I apply at any time of the month?

- MAS will announce details of the upcoming Savings Bond issue (such as when applications open, the amount available and interest rates) on the 1st business day of each month. The application period for each Savings Bond issue opens on 6.00pm on the 1st business day of the month and closes at 9.00pm on the 4th last business day of the month.
- The operating hours for application submissions are:
 7am-9pm, Mon-Sat (excluding Public Holidays)

28. I am currently overseas and interested to purchase Savings Bonds. However, I will not be back until after the current application period closes. How can I purchase the Savings Bonds?

- You can apply through DBS/POSB's Internet Banking portal if you have an account with DBS/POSB. You should also note that the Government is committed to issuing Savings Bonds on a monthly basis for at least 5 years from the first issuance. There is still time to apply for Savings Bonds during this period.

29. Where can I find information on the application period for each issue?

- Application details for each Savings Bond issue will be published on the Savings Bonds website (www.sgs.gov.sg/savingsbonds) and major newspapers one month before issuance.

B.3 UNDERSTANDING ISSUE CODES

30. Why are there so many code names and numbers for Savings Bonds? Can you help me understand them?

- Savings Bonds are issued monthly and are identified by the year and month they were issued. The bond’s issuance year and month will be shown when you apply for or redeem Savings Bonds at ATMs or online, when you check your bond holdings with CDP, and in your bank statement when you receive your coupons and principal. For instance, when you apply for the Savings Bond to be issued on 1st Oct 2015, the ATM screen will show “GX15100F issued on 10/15”. Subsequently, your CDP account will show the bond as “SBOCT15 GX15100F”. Interest payments and redemptions through DCS will show in your bank statement as “CDP-SBOCT15”.
- GX15100F is the unique issue code assigned by MAS. The first two letters, “GX”, denote that this is a Savings Bond. The next four numbers show the year and month the bond was issued, e.g. “GX15100F” is the bond issued in Oct 2015. The last digit (“0”) and alphabet (“F”) are for MAS’ internal reference.
- Finally, SGX assigns each Savings Bond an ISIN (“International Securities Identification Number”), in line with international practices for securities.

B.4 SUBMITTING APPLICATIONS

31. Where can I apply for Savings Bonds?

- Apply via DBS/POSB, OCBC or UOB ATMs, or via DBS/POSB Internet Banking. Have your CDP account number ready when you apply.
- Please note that you cannot apply for Savings Bonds through the bank counters in person.

- 32. When will the money be deducted from my bank account? Do I receive interest on the monies that are deducted from my bank account when I make the application?**
- The money will be deducted from your bank account at the point of application. You will receive interest only after the Savings Bond is issued.
- 33. Can I make changes to or cancel submitted applications?**
- No. You will not be able to amend or cancel submitted applications.
- 34. Can I make multiple applications through different banks for the same Savings Bond issue? What will happen to my earlier requests? Will they be overwritten or superseded?**
- You can make multiple applications through either the same or different banks. However, each application will be charged a \$2 transaction fee by the bank.
 - You will not be able to amend or cancel your submitted applications. Submitted applications will not be overwritten or superseded. We will compile all your applications and apply the Issue Limit and Overall Limit at allocation.
 - Please note that you cannot submit a redemption request for the same bond in order to reduce the application amount. Redemption requests can only be made for securities that you already hold.
- 35. Can I authorize the bank to apply for Savings Bonds on my behalf?**
- No.

B.5 APPLICATION RESULTS

- 36. When will I know the results of my Savings Bonds application? How do I know how much Savings Bonds I have received?**
- MAS will perform the allotment (see Question 37) and announce the overall application results on the 3rd last business day of the month. You will be able to view the results on the Savings Bonds website (www.sgs.gov.sg/savingsbonds).
 - The two important figures to look out for are:
 - a. The cutoff amount: if your application is equal or less than the cutoff amount, you will receive the full amount you applied

for. If your application is above the cutoff amount, you will receive either the cutoff amount or \$500 more than the cutoff amount.

- b. Random allotment %: this is the chance that you will receive an additional \$500 of Savings Bonds if your application is above the cutoff amount.
- If your application is successful, you will be notified by CDP via mail of the amount of Savings Bonds credited to your CDP Securities account. You can also check your holdings using the CDP Internet service and the CDP telephone service.
- If your application is unsuccessful or partially filled, any excess money will be refunded by the end of the 2nd last business day of the month. You can check the amount refunded with the bank through which you applied for Savings Bonds. For example, if you applied for \$30,000 and were allotted \$13,000 of Savings Bonds, you would receive \$17,000 in refunds.

37. How are Savings Bonds allotted? Why would I be allotted less than the amount I applied for?

- In a situation where total applications exceed the total issuance size, each applicant will receive at least \$500 of Savings Bonds, with the amount increasing in multiples of \$500 for every applicant until an applicant has received the full amount that he has applied for, or until all the available bonds have been allotted, whichever comes first. The box item on the next page provides an illustration of the allotment process (also known as the Quantity Ceiling format).
- If the number of applicants is so large that issuing \$500 per applicant will exceed the total issuance size, the bonds will be allocated among applicants on a random basis, at \$500 each.
- This means that, in the event a particular issue is oversubscribed, you may not get the full amount that you have applied for, and smaller applications will have a higher chance of being fully allotted.

38. Should I apply for a larger amount so I have a higher chance of getting more Savings Bonds?

- The allotment method aims to distribute Savings Bonds as evenly as possible. Applying for a larger amount does not mean you will get

more bonds. Hence, you should only apply for the amount you wish to buy.

39. If my application is unsuccessful or partially filled, how will I be refunded? Will I be refunded the fees and charges as well?

- Your money will be returned to the bank account you used for applications. Fees and charges will still apply.

Allotment in an oversubscription – an illustration

Total available: \$10,000 Total applied: \$18,000 Cut-off: \$2,500

Amount applied	Round 1	Round 2	Round 3	Round 4	Round 5	Round 6	Random								Amount allotted
A \$2,000	\$500	\$500	\$500	\$500											\$2,000
B \$4,000	\$500	\$500	\$500	\$500	\$500		\$500	\$500	\$500						\$2,500
C \$5,500	\$500	\$500	\$500	\$500	\$500	\$500	\$500	\$500	\$500	\$500	\$500	\$500	\$500		\$3,000
D \$6,500	\$500	\$500	\$500	\$500	\$500	\$500	\$500	\$500	\$500	\$500	\$500	\$500	\$500	\$500	\$2,500
	Round 1	Round 2	Round 3	Round 4	Round 5	Round 6									

The Government plans to issue up to \$10,000 of Savings Bonds. Four individuals A (\$2,000), B (\$4,000) C (\$5,500) and D (\$6,500) applied for a total of \$18,000 of Savings Bonds.

The available bonds will be spread out among as many investors as possible in the following manner:

- Applications are filled in denominations of \$500 upwards.
- After Round 4, \$8,000 of Savings Bonds have been allotted, and A’s application has been fully met. \$2,000 of Savings Bonds are left.
- In Round 5, \$1,500 of Savings Bonds are allotted.
- The remaining \$500 is insufficient to fill all applications in Round 6. One person amongst B, C and D is randomly allotted the remaining \$500. In this case, C gets the \$500.

A is allotted \$2,000, B and D receive \$2,500 each, and C gets \$3,000.

40. What happens if I close my CDP account before the bonds are credited?

- If you close your CDP account, CDP will be unable to credit the Savings Bonds into your account. If CDP is unable to contact you to re-open your CDP account, the Savings Bonds will be automatically

redeemed after 30 days and a cheque for the principal and accrued interest will be sent to the last mailing address which you had provided to CDP.

41. How will I receive interest payments?

- Interest will be automatically credited into the designated bank account under your existing DCS arrangement. This is the bank account that is linked to your individual CDP Securities account.

B.6 FEES & CHARGES

42. What are the fees and charges involved? Does the bank charge an administration fee as well?

- The bank will charge a transaction fee of \$2 for each Savings Bond application and each Savings Bond redemption request. For other fees and charges which may arise from your participating bank account, kindly refer to the bank's Terms and Conditions.
- Transaction fees are non-refundable and will apply even if your application requests were unsuccessful.

43. Is the \$2 fee chargeable per application or per individual?

- The \$2 transaction fee will apply for each Savings Bond application request and each Savings Bond redemption request.

B.7 CHECKING YOUR SAVINGS BOND HOLDINGS**44. How and where can I check what Savings Bonds I have?**

- You will receive CDP statements by mail during the months in which Savings Bonds are allocated to you and/or interest is paid. You will also receive half-yearly CDP statements in June and December each year as long as you have holdings in CDP. To ensure that you receive your CDP statements, please check that CDP has your latest mailing address. You can confirm your mailing address through the CDP Internet Service or by calling CDP (6535-7511).
- You can also check the bonds held in your CDP Securities account through the following methods:
 - View the CDP Securities account holdings online through the CDP Internet service (www.sgx.com/cdp).
 - Call and retrieve the information via the CDP Phone service (6535-7511), using your Telephone PIN.
 - Call CDP (6535-7511) to ask for your latest statement to be sent to your mailing address.
 - Visit the CDP Customer Service Centre with your identification card (IC) or passport to obtain a copy of your statement.

45. How can I check how much interest I'm receiving from each of the Savings Bonds I hold?

- Your interest payments will be reflected in the CDP statement for the month when the interest is paid.
- You may also visit the Savings Bonds website (www.sgs.gov.sg/savingsbonds) to view the interest rates of all Savings Bond issues.

C. REDEEMING YOUR SAVINGS BONDS

C.1 GENERAL INFORMATION

46. What does “redemption” mean?

- It means that you return your Savings Bond to the Government before it matures in exchange for your principal and any accrued interest.

47. Can you guide me on how to redeem my Savings Bonds?

- You can submit redemption requests through DBS/POSB, OCBC or UOB ATMs, or through DBS/POSB’s Internet Banking portal.
- The minimum redemption amount for each Savings Bond issue is \$500, and in multiples of \$500 up to the amount you have invested.
- You will get your cash back (along with any accrued interest) by the 2nd business day of the following month. The combined principal and accrued interest will be credited as a single amount to the designated DCS bank account that is linked to your individual CDP Securities account.
- The bank will charge a transaction fee of \$2 for each Savings Bond redemption request.

C.2 REDEMPTION PERIOD

48. When can I redeem my Savings Bonds? Will I lose money if I redeem before it matures?

- You can redeem your Savings Bonds in any given month before the bond matures, with no penalty for exiting your investment early.
- The redemption period opens on the 1st business day of each month and closes on the 4th last business day of the month. You will receive your redemption proceeds along with any accrued interest by the 2nd business day of the following month. For example, if you submit a redemption request of \$1,000 in May 2017, you will receive the \$1,000 and any accrued interest by the end of the 2nd business day in June 2017.

C.3 SUBMITTING REDEMPTION REQUESTS**49. Can I make a partial redemption? Is there a minimum redemption amount? Must I redeem in blocks of \$500?**

- Partial redemptions are allowed. The minimum redemption amount for each issue is \$500. You can redeem in multiples of \$500 up to the amount you invested. You will receive the amount you requested in full, along with any accrued interest.

50. Can I authorize the bank to redeem Savings Bonds on my behalf?

- No.

51. Will there be any penalty for exiting my investment early?

- No, there will not be any penalty for redeeming your bond before it matures. You will receive your investment amount back in full along with any accrued interest. However, a transaction fee of \$2 will apply for each redemption request.

52. Can I make changes to or withdraw submitted redemptions? Do I do that through my bank?

- You will not be able to amend or cancel submitted redemption requests.

53. Can I make multiple redemptions for the same Savings Bond issue through the same and/or different banks? What will happen to my earlier requests? Will they be overwritten or superseded?

- Yes. You can submit multiple redemption requests through either the same or different banks. Your earlier redemption requests will not be overwritten or superseded. The multiple requests will be processed, so long as you have that amount of Savings Bonds.
- Please note that a transaction fee of \$2 will apply for each redemption request. You will not be able to amend or cancel submitted redemption requests.

54. Must I redeem Savings Bonds through the same bank that I applied through? If I made my Savings Bonds application via Bank A, can I redeem my Savings Bonds via another Bank (e.g. Bank B)?

- You do not need to submit redemption requests through Bank A. You may redeem your Savings Bond via Bank B. Bank B's transaction fees will apply. Redemption proceeds will be credited to your designated DCS bank account with CDP.

C.4 ACCRUED INTEREST

55. What is accrued interest? How is the accrued interest calculated if I redeem my Savings Bond before it matures?

- Accrued interest is interest that you have earned on your bond since the last interest payment was made. When you redeem part or all of your Savings Bonds in between scheduled interest payments (which occur every 6 months), you will receive accrued interest together with the redemption amount.
- For example, suppose you bought \$1,000 of Savings Bonds issued in January that is scheduled to make an interest payment of \$6 in July. If you submit a request in March to redeem the full \$1,000 of your January bond, you will receive the following by the end of the 2nd business day of April:
 - Your redemption amount of \$1,000; and
 - 3 months' worth of accrued interest (Jan to Mar), which is about \$3.

56. How is accrued interest calculated?

- The actual amount of accrued interest paid out on each redemption date is calculated according to this formula:

$$AI = (CPN / 2) \times (DC/PC) \times H$$

Where:

AI = Accrued interest

CPN = Annual interest rate (as a percentage) and not more than 2 decimal places

DC = Actual day count from the most recent interest payment up to, but not including, the date that the accrued interest will be paid out

PC = Total number of days from the most recent interest payment to, but not including, the next interest payment

H = Redemption amount

C.5 REDEMPTION STATUS

57. How can I check the results of my redemption requests? Will the bank notify me?

- Upon redemption, CDP will send you a notification by mail and the combined principal and accrued interest will be credited as a single amount to your designated DCS bank account by the 2nd business day of the following month.

58. Will my redemption request be only partially fulfilled? Will my redemption request be rejected?

- No. You will get the amount you requested in full, along with any accrued interest.

C.6 AT MATURITY

59. What happens when my Savings Bond matures? What do I need to do?

- You do not need to take any action. Your principal and the last interest payment will be combined and automatically credited to your DCS bank account as a single amount. The \$2 transaction fee is not applicable in this instance.

D. CENTRAL DEPOSITORY (CDP) SECURITIES ACCOUNT OPENING AND DIRECT CREDITING SERVICE (DCS) ACTIVATION

D.1 GENERAL INFORMATION

60. Why do I need to open a CDP Securities account to buy Savings Bonds?

- You will need to have an Individual CDP Securities account as a holding account to deposit your Savings Bonds. Savings Bonds may not be held in any other types of CDP accounts (such as joint accounts) or in accounts outside CDP.

61. Can Savings Bonds be placed into a joint CDP Securities account?

- You will require an Individual CDP Securities account in order to apply for Savings Bonds. Applications through other types of CDP accounts, including joint CDP Securities accounts, will be rejected.
- Transfers of Savings Bonds from individual CDP Securities accounts to other types of CDP Securities accounts will also not be allowed.

62. Why must I apply for Direct Crediting Service (DCS)? What is DCS activation? Why do I need to do this?

- DCS allows CDP to credit your Singapore-dollar cash entitlements such as dividends and interest payments into your designated bank account. Your CDP Securities account must already have a DCS bank account linked up before you can apply for the Savings Bonds.
- Participating DCS banks in Singapore are currently: Citibank, DBS/POSB, HSBC, OCBC, Standard Chartered Bank and UOB. There are no DCS banks outside Singapore.

D.2 CDP SECURITIES ACCOUNT OPENING

63. How do I set up a CDP Securities account?

1. Send your application by mail to CDP if you are residing in Singapore

Your application should include the following documents:

- a. Completed CDP Securities account application form, including your bank account number (to apply for DCS).
- b. Photocopy of your IC or passport.
- c. Original copy or E-statement of ONE of the following, dated within the last 3 months, which cross-references the particulars in the NRIC/passport:
 - i. Bank statement from any MAS licensed bank; OR
 - ii. CPF statement; OR
 - iii. Notice of Tax Assessment.

Note: These documents will be retained by CDP.

The CDP Securities account application form can be downloaded [here](#). You may also visit <http://www.sgx.com/cdp/faq>.

Send your application to:

The Central Depository (Pte) Limited
 11 North Buona Vista Drive
 #06-07 The Metropolis Tower 2
 Singapore 138589

2. Visit the CDP Service Counter or any of the securities brokers listed at the end of this section in person

You need to bring along the following:

- a. Your original IC or passport.
- b. Your bank account number (to apply for DCS).

To save time, you are encouraged to download, complete and bring along the CDP Securities account application form, and bring a photocopy of your IC or passport (whichever is required).

64. Do I need to open another CDP Securities account if I already have one?

- If you already have an individual CDP Securities account, there is no need to open another account.

65. Do I need to open a trading account with my securities broker in order to purchase Savings Bonds?

- It is not necessary to have a trading account with a securities broker to purchase Savings Bonds.

66. I've forgotten if I have a CDP Securities account. How do I check if I have one?

- You can contact the CDP Call Centre at Tel: 6535 7511 from 8.30am to 5pm (Mondays to Fridays) and 9am to 12.30pm (Saturdays) (excluding Public Holidays) to enquire.

67. How long does it take to open a CDP Securities account and to activate DCS?

- It takes an average of 10 business days from the time you submit the account application form to the time that you receive notifications from CDP on (i) the opening of the CDP Securities account; and (ii) activation of DCS.
- Please note that you will not be able to apply to buy Savings Bonds until you have received both of these notifications.

68. Can my bank assist with the opening of CDP account and same day investment of Savings Bonds at any of its bank branches?

- The opening of CDP Securities accounts is not available at the banks.

69. Are there any charges for opening a CDP Securities account?

- No.

D.3 DIRECT CREDITING SERVICE (DCS) ACTIVATION

70. I have CDP Securities Account but do not have a designated DCS bank account. How do I apply for DCS?

- a. Online through the CDP Internet service:
 - Click on “CDP Internet Service/Login”
 - Click on “Customer Service/Direct Crediting Service”
 - Click on “Click here to apply for DCS”
 - Enter bank account details
 - Click “Confirm”

Note: This option is only available if you have been issued a security token by CDP.

- b. Complete the application form and mail the original signed copy to CDP at the following address. Please sign off the form as per CDP’s records to avoid delay in processing.

The Central Depository (Pte) Limited
11 North Buona Vista Drive
#06-07 The Metropolis Tower 2
Singapore 138589

- c. By visiting the CDP Customer Service Centre with relevant supporting documents (NRIC or passport) at:

9 North Buona Vista Drive
#01-19/20
The Metropolis
Singapore 138588

To save time for offline applications, you are encouraged to download and complete the DCS application form, and to bring along the completed form. The DCS application form can be downloaded [here](#). You may also visit <http://www.sgx.com/cdp/faq>.

71. I've forgotten if I have a designated DCS bank account. How do I check if I have one?

- You can check your DCS bank account number through the following channels:
 - a. Refer to the header section in your monthly CDP statement.
 - b. Online through the CDP Internet service at www.sgx.com/cdp using the following steps:
 - Click on “CDP Internet Service/Login”
 - Click on “Customer Service/Direct Crediting Service”
 - c. Contact CDP Call Centre at Tel: 6535-7511 from 8.30am – 5pm (Mondays – Fridays) and 9am – 12.30pm (Saturdays) (excluding public holidays) to enquire.

72. Can I change the nominated bank account for DCS later?

- Yes, you can change the nominated bank account for DCS.
- The process for changing the nominated account is the same as for DCS application. (Please refer to Qn [71].)
