A Loyalty Programme by  
NTUC Social Enterprises

# Dear Valued Cardmember,

Thank you for signing up with Plus! and giving us a chance to serve you.

Plus! is a programme of financial products, services and benefits brought to you jointly by OCBC Bank and NTUC Social Enterprises like FairPrice, Link, Income, Healthcare, and Club, just to name a few. Together, with our Key Partners, Plus! aims to give you better **Value** for your daily spend, a more **Simple** way to achieve your financial goals, while staying **Transparent** with you always.

Value, Simplicity and Transparency are our Brand Values, and we will work tirelessly to always do the right things for you.

We will avoid expensive advertising and fancy merchant tie-ups, so that we can provide better value for things that really matter to you. With Plus!, you enjoy the convenience of self-service banking through our island-wide ATM network, Internet Banking and Phone Banking services. By doing away with branch services, we can keep our costs low and pass the savings back to you as rewards, better value and much more!

This is just the beginning. We will continue to bring you more value and benefits along our journey together. To help you take the next step, we have put together a summary guide on what the Plus! programme is all about.

Thank you once again for your vote of confidence and we trust you will enjoy your experience with Plus!

Yours sincerely,
