Front cover image: OCBC Bank’s WealthMap is a proprietary financial planning and advisory tool that our Personal Financial Consultants (PFCs) use to help customers discover, prioritize and plan their financial goals. At the same time, WealthMap enables our PFCs to thoroughly analyze our customers’ financial needs before recommending the most appropriate financial solutions for them. This one-stop tool, which harnesses the power of sophisticated technology, is also fully integrated with customer accounts and features straight-through processing capabilities for more efficient response delivery.

The use of smart technology in a secured, in-branch environment is just one of the many reasons why we continue to be Singapore’s leading financial institution in wealth management, and a trusted financial partner.

Corporate Profile

OCBC Bank is the largest bank in Singapore, born in 1932 through the amalgamation of two banks. It has since become one of Asia’s leading banks, having received high bank credit ratings in the region.

Our full spectrum of services spans more than 250 branches and service outlets, 400+ ATMs and a network of service outlets in Singapore and a network in more than 20 countries and the Singapore Dollar is accepted in over 150 countries.

We have an excellent history of recognition for our products and services, Asia-Pacific Banker magazine and

Financial Magazine

actively forging lifetime partnerships and commitment to create value on our existing strengths and financial services throughout.
