### **Certain United States Tax Considerations**

#### **CIRCULAR 230 DISCLOSURE**

ANY DISCUSSIONS OF U.S. FEDERAL INCOME TAX MATTERS SET FORTH IN THIS PRICING SUPPLEMENT WERE WRITTEN IN CONNECTION WITH THE PROMOTION AND MARKETING BY THE ISSUER OF THE NOTES. SUCH DISCUSSIONS WERE NOT INTENDED OR WRITTEN TO BE LEGAL OR TAX ADVICE TO ANY PERSON AND WERE NOT INTENDED OR WRITTEN TO BE USED, AND THEY CANNOT BE USED, BY ANY PERSON FOR THE PURPOSE OF AVOIDING ANY U.S. FEDERAL TAX PENALTIES THAT MAY BE IMPOSED ON SUCH PERSON. EACH INVESTOR SHOULD SEEK ADVICE BASED ON ITS PARTICULAR CIRCUMSTANCES FROM AN INDEPENDENT TAX ADVISOR.

The following discussion summarizes certain U.S. federal income tax consequences of the purchase, beneficial ownership, and disposition of the Notes. This summary supplements the section under the heading “Taxation – United States Taxation” in the accompanying Offering Memorandum and is subject to the qualifications, limitations and exceptions set forth therein. Any terms not defined herein have the meaning given such terms in the “Taxation – United States Taxation” section of the accompanying Offering Memorandum. Further, this summary does not address tax considerations applicable to investors that own (directly or indirectly) 10% or more of the voting stock of the Issuer.

#### **U.S. Federal Income Tax Characterization of the Notes**

Generally, the determination of whether an obligation represents debt, equity, or some other instrument is based on all the relevant facts and circumstances and no single factor is determinative. Because of their level of subordination, rights in the event of a default by the Issuer, and their treatment for regulatory and other non-tax purposes, the characterization of the Notes as debt or equity for U.S. federal income tax purposes is uncertain.

To the extent required, we intend to treat the Notes as indebtedness for U.S. federal income tax purposes, although no opinions have been sought, and no assurances can be given, with respect to such treatment. Also, no rulings will be sought from the Internal Revenue Service (“IRS”) regarding the characterization of the Notes. The following discussion assumes that our treatment of the Notes as indebtedness for U.S. federal income tax purposes will be respected. If the treatment of the Notes as indebtedness is not upheld, they may be treated, for U.S. federal income tax purposes, as equity in a passive foreign investment company. If so, a U.S. Holder of the Notes could be subject to significant adverse tax consequences, including, among others, potential interest charges with respect to interest payments on the Notes and imputed interest charges together with tax calculated at ordinary income rates on any gain from the sale or other disposition of the Notes.

Each holder should consult its own tax adviser about the proper characterization of the Notes for U.S. federal income tax purposes.

The U.S. federal income tax consequences of the acquisition, ownership and disposition of the Notes by a U.S. Holder, assuming the Notes are treated as indebtedness, are generally described in the Offering Memorandum under the heading “Taxation – United States Taxation.”

## 1 Form, Denomination and Title

The Notes are issued in bearer form (“**Bearer Notes**”) or in registered form (“**Registered Notes**”), as specified in the applicable Pricing Supplement, in each case in the Specified Currency and Specified Denomination(s) shown in the applicable Pricing Supplement provided that the minimum Specified Denomination shall be U.S.\$200,000 (or its equivalent in any other currency as at the date of issue of the relevant Notes) and integral multiples of U.S.\$1,000 (or its equivalent in other currencies) in excess thereof. AMTNs will only be issued in registered certificated form.

*All Registered Notes shall have the same Specified Denomination. Unless otherwise permitted by the then current laws and regulations, Notes which have a maturity of less than one year and in respect of which the issue proceeds are to be accepted by the Issuer in the United Kingdom or whose issue otherwise constitutes a contravention of section 19 of the Financial Services and Markets Act 2000 (“**FSMA**”) will have a minimum denomination of £100,000 (or its equivalent in other currencies). Notes sold in reliance on Rule 144A will be in minimum denominations of U.S.\$200,000 (or its equivalent in other currencies) and integral multiples of U.S.\$1,000 (or its equivalent in other currencies) in excess thereof, subject to compliance with all legal and/or regulatory requirements applicable to the relevant currency. Notes which are listed on SGX-ST will be traded on the SGX-ST in a minimum board lot size of S\$200,000 (or its equivalent in other currencies) or such other amount as may be allowed or required from time to time. In the case of any Notes which are to be admitted to trading on a regulated market within the European Economic Area or offered to the public in a Member State of the European Economic Area in circumstances which require the publication of a prospectus under Directive 2003/71/EC (the “**Prospectus Directive**”), the minimum Specified Denomination shall be €100,000 (or its equivalent in any other currency as at the date of issue of the relevant Notes).*

Bearer Notes are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Notes that do not bear interest in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable. Any Bearer Note for which the applicable Pricing Supplement indicates such Notes are Installment Notes is issued with one or more Receipts attached.

Registered Notes (other than AMTNs) are represented by registered certificates (“**Certificates**”) and, save as provided in Condition 2(c), each Certificate shall represent the entire holding of Registered Notes by the same holder.

Title to the Bearer Notes and the Receipts, Coupons and Talons shall pass by delivery. Title to the Registered Notes shall pass by registration in the register that the Issuer shall procure to be kept by the Registrar or the Australian Agent in accordance with the provisions of the Agency Agreement or the Australian Agency Agreement (the “**Register**”). Except as ordered by a court of competent jurisdiction or as required by law, the holder (as defined below) of any Note, Receipt, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes whether or not it is overdue and regardless of any notice of ownership, trust or an interest in it, any writing on it (or on the Certificate representing it) or its theft or loss (or that of the related Certificate) and no person shall be liable for so treating the holder.

In these Conditions, “**Noteholder**” means the bearer of any Bearer Note and the Receipts, Coupons or Talons relating to it or the person in whose name a Registered Note is registered (as the case may be), “**holder**” (in relation to a Note, Receipt, Coupon or Talon) means the bearer of any Bearer Note, Receipt, Coupon or Talon or the person in whose name a Registered Note is registered (as the case may be) and capitalized terms have the meanings given to them in the applicable Pricing Supplement, the absence of any such meaning indicating that such term is not applicable to the Notes.

References in the Conditions to Coupons, Talons, Couponholders, Receipts and Receiptholders relate to Bearer Notes only.

In the case of AMTNs, the following provisions shall apply in lieu of the foregoing provisions of Condition 1 in the event of any inconsistency.

AMTNs will be debt obligations of the Issuer owing under the Note (AMTN) Deed Poll, will be represented by a certificate (“**AMTN Certificate**”) and will take the form of entries in a Register to be established and maintained by the Australian Agent in Sydney unless otherwise agreed with the Australian Agent (pursuant to the Australian Agency Agreement). The Agency Agreement and any Singapore Supplemental Agency Agreement are not applicable to the AMTNs.

AMTNs will not be serially numbered. Each entry in the Register constitutes a separate and individual acknowledgement to the relevant Noteholder of the indebtedness of the Issuer to the relevant Noteholder. The obligations of the Issuer in respect of each AMTN constitute separate and independent obligations which the Noteholder is entitled to enforce in accordance with these Conditions and the Note (AMTN) Deed Poll. Other than an AMTN Certificate, no certificate or other evidence of title will be issued by or on behalf of the Issuer unless the Issuer determines that certificates should be made available or it is required to do so pursuant to any applicable law or regulation.

No AMTN will be registered in the name of more than four persons. AMTNs registered in the name of more than one person are held by those persons as joint tenants. AMTNs will be registered by name only, without reference to any trusteeship and an entry in the Register in relation to an AMTN constitutes conclusive evidence that the person so entered is the registered owner of such AMTN, subject to rectification for fraud or error.

Upon a person acquiring title to any AMTNs by virtue of becoming registered as the owner of that AMTN, all rights and entitlements arising by virtue of the Note (AMTN) Deed Poll in respect of that AMTN vest absolutely in the registered owner of the AMTN, such that no person who has previously been registered as the owner of the AMTN has or is entitled to assert against the Issuer or the Australian Agent or the registered owner of the AMTN for the time being and from time to time any rights, benefits or entitlements in respect of the AMTN.

Each Tranche of AMTNs will be represented by a single AMTN Certificate substantially in the form set out in the Note (AMTN) Deed Poll. The Issuer shall issue and deliver, and procure the authentication by the Australian Agent of, such number of AMTNs Certificates as are required from time to time to represent all of the AMTNs of each Series. An AMTN Certificate is not a negotiable instrument nor is it a document of title in respect of any AMTNs represented by it. In the event of a conflict between any AMTN Certificate and the Register, the Register shall prevail (subject to correction for fraud or proven error).

## **2 No Exchange of Notes and Transfers of Registered Notes**

- (a) **No Exchange of Notes:** Registered Notes may not be exchanged for Bearer Notes. Bearer Notes may not be exchanged for Registered Notes. Bearer Notes of one Specified Denomination may not be exchanged for Bearer Notes of another Specified Denomination.
- (b) **Transfer of Registered Notes (other than AMTNs):** This Condition 2(b) does not apply to AMTNs which are specified in the applicable Pricing Supplement to be Registered Notes. Subject to Condition 2(g), one or more Registered Notes may be transferred upon the surrender (at the specified office of the Registrar or any Transfer Agent) of the Certificate representing such Registered Notes to be transferred, together with the form of transfer endorsed on such Certificate, (or another form of transfer substantially in the same form and containing the same representations and certifications (if any), unless otherwise agreed by the Issuer), duly completed and executed and any other evidence as the Registrar or Transfer Agent may require without service charge and subject to payment of any taxes, duties and other governmental charges in respect of such transfer. In the case of a transfer of part only of a holding of Registered Notes represented by one Certificate, a new Certificate shall be issued to the transferee in respect of the part transferred and a further new Certificate in respect of the balance of the holding not transferred shall be issued to the transferor. All transfers of Notes and entries on the Register will be made subject to the detailed regulations concerning transfers of Notes scheduled to the Agency Agreement. The regulations may be changed by the Issuer, with the prior written approval of the Registrar and the Trustee. A copy of the current regulations will be made available by the Registrar to any Noteholder upon request.

- (c) **Exercise of Options or Partial Redemption in Respect of Registered Notes:** In the case of an exercise of an Issuer or Noteholders option in respect of, or a partial redemption of, a holding of Registered Notes represented by a single Certificate, a new Certificate shall be issued to the holder to reflect the exercise of such option or in respect of the balance of the holding not redeemed. In the case of a partial exercise of an option resulting in Registered Notes of the same holding having different terms, separate Certificates shall be issued in respect of those Notes of that holding that have the same terms. New Certificates shall only be issued against surrender of the existing Certificates to the Registrar or any Transfer Agent. In the case of a transfer of Registered Notes to a person who is already a holder of Registered Notes, a new Certificate representing the enlarged holding shall only be issued against surrender of the Certificate representing the existing holding.
- (d) **Delivery of New Certificates:** Each new Certificate to be issued pursuant to Conditions 2(b) or (c) shall be available for delivery within five business days of receipt of the form of transfer or Exercise Notice (as defined in Condition 5(e)) and surrender of the Certificate for transfer, exercise or redemption. Delivery of the new Certificate(s) shall be made at the specified office of the Transfer Agent or of the Registrar (as the case may be) to whom delivery or surrender of such form of transfer, Exercise Notice and/or Certificate shall have been made or, at the option of the holder making such delivery or surrender as aforesaid and as specified in the relevant form of transfer, Exercise Notice or otherwise in writing, be mailed by uninsured post at the risk of the holder entitled to the new Certificate to such address as may be so specified, unless such holder requests otherwise and pays in advance to the relevant Transfer Agent the costs of such other method of delivery and/or such insurance as it may specify. In this Condition 2(d), “**business day**” means a day, other than a Saturday or Sunday, on which banks are open for business in the place of the specified office of the relevant Transfer Agent or the Registrar (as the case may be).
- (e) **Transfers of AMTNs:** AMTNs may be transferred in whole but not part. Unless lodged in the Austraclear System, the AMTNs will be transferable by duly completed and (if applicable) stamped transfer and acceptance forms in the form specified by, and obtainable from, the Australian Agent or by any other manner approved by the Issuer and the Australian Agent. Each transfer and acceptance form must be accompanied by such evidence (if any) as the Australian Agent may require to prove the title of the transferor or the transferor’s right to transfer the AMTNs and be signed by both the transferor and the transferee. AMTNs may only be transferred within, to or from Australia if (i) the aggregate consideration payable by the transferee at the time of transfer is at least A\$500,000 (or its equivalent in any other currency and, in either case, disregarding moneys lent by the transferor or its associates) or the offer or invitation giving rise to the transfer otherwise does not require disclosure to investors in accordance with Part 6D.2 or Chapter 7 of the Corporations Act 2001 of the Commonwealth of Australia (the “**Australian Corporations Act**”), (ii) the transfer is not to a “retail client” for the purposes of section 761G of the Australian Corporations Act, (iii) the transfer is in compliance with all applicable laws, regulations or directives (including, without limitation, in the case of a transfer to or from Australia, the laws of the jurisdiction in which the transfer takes place), and (iv) in the case of a transfer between persons outside Australia, if a transfer and acceptance form is signed outside Australia. A transfer to an unincorporated association is not permitted.

A person becoming entitled to an AMTN as a consequence of the death or bankruptcy of a Noteholder or of a vesting order or a person administering the estate of a Noteholder may, upon producing such evidence as to that entitlement or status as the Australian Agent considers sufficient, transfer such AMTN or, if so entitled, become registered as the holder of the AMTN.

Where the transferor executes a transfer of less than all of the AMTNs registered in its name, and the specific AMTNs to be transferred are not identified, the Australian Agent may register the transfer in respect of such of the AMTNs registered in the name of the transferor as the Australian Agent thinks fit, provided the aggregate nominal amount of the AMTNs registered as having been transferred equals the aggregate nominal amount of the AMTNs expressed to be transferred in the transfer.

- (f) **Transfers Free of Charge:** Transfers of Notes and Certificates on registration, transfer, exercise of an option or partial redemption shall be effected without charge by or on behalf of the Issuer, the Registrar, the Australian Agent or the Transfer Agents, but upon payment of any tax or other governmental charges that may be imposed in relation to it (or the giving of such indemnity as the Registrar, the Australian Agent or the relevant Transfer Agent may require).
- (g) **Closed Periods:** No Noteholder may require the transfer of a Registered Note to be registered (i) during the period of 15 days ending on the due date for redemption of, or payment of any Installment Amount in respect of, that Note, (ii) during the period of 15 days before any date on which Notes may be called for redemption by the Issuer at its option pursuant to Condition 5(d), (iii) after any such Note has been called for redemption or (iv) during the period of seven days ending on (and including) any Record Date.

### 3 Status

- (a) **Status of Senior Notes:** The senior notes (being those Notes that specify their status as senior in the applicable Pricing Supplement (the “**Senior Notes**”)) and the Receipts and Coupons relating to them constitute direct and unsecured obligations of the Issuer and shall at all times rank *pari passu* and without any preference among themselves. The payment obligations of the Issuer under the Senior Notes and the Receipts and Coupons relating to them shall, save for such exceptions as may be provided by applicable legislation, at all times rank at least equally with all other unsecured and unsubordinated indebtedness and monetary obligations of the Issuer, present and future.
- (b) **Status of Subordinated Notes:** The subordinated notes (being those Notes that specify their status as subordinated in the applicable Pricing Supplement) (the “**Subordinated Notes**”) and the Receipts and Coupons relating to them constitute direct, unsecured and subordinated obligations of the Issuer and rank *pari passu* and without any preference among themselves. The rights and claims of the Noteholders, the Receiptholders and the Couponholders are subordinated as described below.
- (c) **Subordination:** Upon the occurrence of any winding-up proceeding, the rights of the Noteholders, Receiptholders and Couponholders to payment of principal of and interest on the Subordinated Notes and the Receipts and Coupons relating to them and any other obligations in respect of the Subordinated Notes and the Receipts and Coupons relating to them are expressly subordinated and subject in right of payment to the prior payment in full of all claims of Senior Creditors and will rank senior to all share capital of the Issuer and Tier I Capital Securities and/or as otherwise specified in the applicable Pricing Supplement or in a supplement to the Offering Memorandum. The Subordinated Notes and the Receipts and Coupons relating to them will rank *pari passu* with Tier II Capital Securities and/or as otherwise specified in the applicable Pricing Supplement or in a supplement to the Offering Memorandum. In the event that (i) the Noteholders, Receiptholders or Couponholders do not receive payment in full of the principal amount due and payable in respect of the Subordinated Notes plus interest thereon accrued to the date of repayment in any winding-up of the Issuer and (ii) the winding-up order or resolution passed for the winding-up of the Issuer or the dissolution of the Issuer is subsequently stayed, discharged, rescinded, avoided, annulled or otherwise rendered inoperative, then to the extent that such Noteholders, Receiptholders or Couponholders did not receive payment in full of such principal of and interest on such Subordinated Notes and the Receipts or Coupons relating to them, such unpaid amounts shall remain payable in full; provided that payment of such unpaid amounts shall be subject to the provisions under this Condition 3 and Condition 9(b) and Clause 5 and Clause 7 of the Trust Deed.

The Issuer has agreed, pursuant to the terms of the Trust Deed to indemnify the Noteholders, Receiptholders and Couponholders against any loss incurred as a result of any judgment or order being given or made for any amount due under the Subordinated Notes and the Receipts and Coupons relating to them and such judgment or order being expressed and paid in a currency other than the Specified Currency. Any amounts due under such

indemnification will be similarly subordinated in right of payment with other amounts due on the Subordinated Notes or the Receipts or Coupons relating to them and payment thereof shall be subject to the provisions under this Condition 3 and Condition 9(b)(ii) and Clause 7.2 of the Trust Deed.

In order for the Subordinated Notes to qualify as Tier II Capital Securities, such Subordinated Notes must qualify with the relevant requirements set out in MAS 637 — “Notice on Risk Based Capital Adequacy Requirements for Banks Incorporated in Singapore” issued by the MAS, as amended, replaced or supplemented from time to time. For compliance with the applicable regulatory requirements at the time of issue of any Subordinated Notes, any additional or modified terms in relation to the Subordinated Notes prescribed by the MAS at the time of issue may be specified in the applicable Pricing Supplement for the issuance of such Subordinated Notes or in a supplement to the Offering Memorandum and any terms set out in these Conditions may be modified or amended in the applicable Pricing Supplement for the issuance of such Subordinated Notes or in a supplement to the Offering Memorandum.

*On a winding-up of the Issuer, there may be no surplus assets available to meet the claims of the Noteholders, Receiptholders or Couponholders after the claims of the parties ranking senior to the Noteholders, Receiptholders and Couponholders (as provided in Condition 3 and Clause 5 of the Trust Deed) have been satisfied.*

In these Conditions:

“**MAS**” means the Monetary Authority of Singapore or such other governmental authority having primary bank supervisory authority with respect to the Issuer.

“**Offering Memorandum**” means the offering memorandum dated August 31, 2012 relating to the Notes (which term shall include those documents incorporated in it by reference from time to time as provided in it) as from time to time amended, supplemented or replaced (but not including any information or documents replaced or superseded by any information so subsequently included or incorporated).

“**Senior Creditors**” means creditors of the Issuer (including the Issuer’s depositors) other than those whose claims are expressed to rank *pari passu* or junior to the claims of the holders of the Subordinated Notes.

“**Tier I Capital Securities**” means (i) any security issued by the Issuer or (ii) any other similar obligation issued by any subsidiary of the Issuer, that, in each case, constitutes Tier I capital instruments of the Issuer on an unconsolidated basis pursuant to the relevant requirements set out in MAS 637 — “Notice on Risk Based Capital Adequacy Requirements for Banks incorporated in Singapore” issued by MAS, as amended, replaced or supplemented from time to time (“**MAS 637**”).

“**Tier II Capital Securities**” means any security or other similar obligation issued by the Issuer that constitutes a Tier II capital instrument of the Issuer pursuant to the relevant requirements set out in MAS 637.

- (d) **Set-off and Payment Void:** No Noteholder, Receiptholder or Couponholder of Subordinated Notes, may exercise, claim or plead any right of set-off, counterclaim or retention in respect of any amount owed to it by the Issuer arising under or in connection with the Subordinated Notes or the Receipts or Coupons relating to them. Each Noteholder, Receiptholder and Couponholder shall, by acceptance of any Subordinated Note or, as the case may be, the Receipt or Coupon in relation to it, be deemed to have waived all such rights of set-off, counterclaim or retention to the fullest extent permitted by law. If at any time any Noteholder, Receiptholder or Couponholder receives payment or benefit of any sum in respect of the Subordinated Notes or the Receipts or Coupons relating to them (including any benefit received pursuant to any such set-off, counter-claim or retention) other than

in accordance with the second paragraph of Clause 7.2 of the Trust Deed and the second paragraph of Condition 9(b)(ii), the payment of such sum or receipt of such benefit shall, to the fullest extent permitted by law, be deemed void for all purposes and such Noteholder, Receiptholder or Couponholder, by acceptance of such Subordinated Note or a Receipt or Coupon in relation to it, shall agree as a separate and independent obligation that any such sum or benefit so received shall forthwith be paid or returned in full by such Noteholder, Receiptholder or Couponholder to the Issuer upon demand by the Issuer or, in the event of the winding-up of the Issuer, the liquidator of the Issuer, whether or not such payment or receipt shall have been deemed void under the Trust Deed. Any sum so paid or returned shall then be treated for purposes of the Issuer's obligations as if it had not been paid by the Issuer, and its original payment shall be deemed not to have discharged any of the obligations of the Issuer under the Subordinated Notes or the Receipts or Coupons relating to them.

#### 4 Interest and other Calculations

- (a) **Interest on Fixed Rate Notes:** If a Note is specified in the applicable Pricing Supplement as a Fixed Rate Note it shall bear interest on its outstanding nominal amount from and including the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest (as defined in Condition 4(l) below), such interest being payable in arrear on each Interest Payment Date specified in the applicable Pricing Supplement. The amount of interest payable shall be determined in accordance with Condition 4(h).
- (b) **Interest on Floating Rate Notes (for non-Singapore Dollar Notes) and Index Linked Interest Notes:**
- (i) *Interest Payment Dates:* If a Note is specified in the applicable Pricing Supplement as being a Floating Rate Note or an Index Linked Note, it shall bear interest on its outstanding nominal amount from and including the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 4(h). Such Interest Payment Date(s) is/are either shown in the applicable Pricing Supplement as Specified Interest Payment Dates or, if no Specified Interest Payment Date(s) is/are shown in the applicable Pricing Supplement, Interest Payment Date shall mean each date which falls the number of months or other period shown in the applicable Pricing Supplement as the Interest Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

In this Condition 4(b), Floating Rate Note shall refer to a Floating Rate Note which is denominated in a currency other than Singapore Dollars.

- (ii) *Business Day Convention:* If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day (as defined in Condition 4(b)), then, if the Business Day Convention specified in the applicable Pricing Supplement is (A) the Floating Rate Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event (x) such date shall be brought forward to the immediately preceding Business Day and (y) each subsequent such date shall be the last Business Day of the month in which such date would have fallen had it not been subject to adjustment, (B) the Following Business Day Convention, such date shall be postponed to the next day that is a Business Day, (C) the Modified Following Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day or (D) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day.

(iii) *Rate of Interest for Floating Rate Notes:* The Rate of Interest in respect of Floating Rate Notes for each Interest Accrual Period shall be determined in the manner specified in the applicable Pricing Supplement and the provisions below relating to either ISDA Determination or Screen Rate Determination shall apply, depending upon which is specified in the applicable Pricing Supplement.

(A) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified in the applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. For the purposes of this sub-paragraph (A), “**ISDA Rate**” for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (x) the Floating Rate Option is as specified in the applicable Pricing Supplement;
- (y) the Designated Maturity is a period specified in the applicable Pricing Supplement; and
- (z) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified in the applicable Pricing Supplement.

For the purposes of this sub-paragraph (A), “**Floating Rate**”, “**Calculation Agent**”, “**Floating Rate Option**”, “**Designated Maturity**”, “**Reset Date**” and “**Swap Transaction**” have the meanings given to those terms in the ISDA Definitions.

(B) Screen Rate Determination for Floating Rate Notes

(x) Where Screen Rate Determination is specified in the applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be either:

- (1) the offered quotation; or
- (2) the arithmetic mean of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen page as at either 11.00 a.m. (London time in the case of LIBOR or Brussels time in the case of EURIBOR or Hong Kong time in the case of HIBOR) on the Interest Determination Date in question as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean of such offered quotations.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Pricing Supplement as being other than LIBOR, EURIBOR or HIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Pricing Supplement.

- (y) if the Relevant Screen page is not available or if, sub-paragraph (x)(1) applies and no such offered quotation appears on the Relevant Screen page or if sub-paragraph (x)(2) above applies and fewer than three such offered quotations appear on the Relevant Screen page in each case as at the time specified above, subject as provided below, the Calculation Agent shall request, if the Reference Rate is LIBOR, the principal London office of each of the Reference Banks or, if the Reference Rate is EURIBOR, the principal Euro-zone office of each of the Reference Banks or, if the Reference Rate is HIBOR, the principal Hong Kong office of each of the Reference Banks, to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time), or if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time), or if the Reference Rate is HIBOR, at approximately 11.00 a.m. (Hong Kong time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Accrual Period shall be the arithmetic mean of such offered quotations as determined by the Calculation Agent; and
- (z) if paragraph (y) above applies and the Calculation Agent determines that fewer than two Reference Banks are providing offered quotations, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) or, if the Reference Rate is HIBOR, at approximately 11.00 a.m. (Hong Kong time) on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market or, if the Reference Rate is HIBOR, the Hong Kong inter-bank market, as the case may be, or, if fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) or, if the Reference Rate is HIBOR, at approximately 11.00 a.m. (Hong Kong time), on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Trustee and the Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market or, if the Reference Rate is HIBOR, the Hong Kong inter-bank market, as the case may be, provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Accrual Period).

- (iv) *Rate of Interest for Index Linked Interest Notes:* The Rate of Interest in respect of Index Linked Interest Notes for each Interest Accrual Period shall be determined in the manner specified in the applicable Pricing Supplement and interest will accrue by reference to an Index or Formula as specified in the applicable Pricing Supplement.
- (c) **Zero Coupon Notes:** Where a Note the Interest Basis of which is specified in the applicable Pricing Supplement to be Zero Coupon is repayable prior to the Maturity Date and is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Note specified in the applicable Pricing Supplement. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortization Yield (as described in Condition 5(b)(i)).
- (d) **Credit Linked Notes, Equity Linked Notes and Bond Linked Notes:** In the case of Notes which are specified in the applicable Pricing Supplement as being Credit Linked Notes, Equity Linked Notes or Bond Linked Notes, the rate or amount of interest payable shall be determined in the manner specified in the applicable Pricing Supplement.
- (e) **Dual Currency Notes:** In the case of Notes which are specified in the applicable Pricing Supplement as being Dual Currency Notes, if the rate or amount of interest falls to be determined by reference to a Rate of Exchange or a method of calculating Rate of Exchange, the rate or amount of interest payable shall be determined in the manner specified in the applicable Pricing Supplement.
- (f) **Partly-Paid Notes:** In the case of Notes which are specified in the applicable Pricing Supplement as being Partly-Paid Notes (other than Partly-Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified in the applicable Pricing Supplement.
- (g) **Accrual of Interest:** Interest shall cease to accrue on each Note on the due date for redemption unless, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (both before and after judgment) at the Rate of Interest in the manner provided in this Condition 4 to the Relevant Date (as defined in Condition 7).
- (h) **Margin, Maximum/Minimum Rates of Interest, Installment Amounts and Redemption Amounts and Rounding:**
- (i) If any Margin is specified in the applicable Pricing Supplement (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with Condition 4(b) above by adding (if a positive number) or subtracting (if a negative number) the absolute value of such Margin, subject always to the next paragraph.
- (ii) If any Maximum or Minimum Rate of Interest, Installment Amount or Redemption Amount is specified in the applicable Pricing Supplement, then any Rate of Interest, Installment Amount or Redemption Amount shall be subject to such maximum or minimum, as the case may be.
- (iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes “**unit**” means the lowest amount of such currency that is available as legal tender in the country or countries of such currency.

- (i) **Calculations:** The amount of interest payable per calculation amount specified in the applicable Pricing Supplement (or, if no such amount is so specified, the Specified Denomination) (the “**Calculation Amount**”) in respect of any Note for any Interest Accrual Period shall be equal to the product of the Rate of Interest, the Calculation Amount specified in the applicable Pricing Supplement, and the Day Count Fraction specified in the applicable Pricing Supplement for such Interest Accrual Period, unless an Interest Amount (or a formula for its calculation) is applicable to such Interest Accrual Period, in which case the amount of interest payable per Calculation Amount in respect of such Note for such Interest Accrual Period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable per Calculation Amount in respect of such Interest Period shall be the sum of the Interest Amounts payable in respect of each of those Interest Accrual Periods. In respect of any other period for which interest is required to be calculated, the provisions above shall apply save that the Day Count Fraction shall be for the period for which interest is required to be calculated.
- (j) **Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts and Installment Amounts:** The Calculation Agent shall, as soon as practicable on each Interest Determination Date, or such other time on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, determine such rate and calculate the Interest Amounts for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or Installment Amount specified in the applicable Pricing Supplement, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for the relevant Interest Accrual Period and, if required to be calculated, the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or any Installment Amount to be notified to the Trustee, the Issuer, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed on a stock exchange and the rules of such exchange or other relevant authority so require, such exchange or other relevant authority as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such exchange of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 4(b)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and payable under Condition 9, the accrued interest and the Rate of Interest payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.
- (k) **Determination or Calculation by Trustee:** In the case of Notes other than AMTNs, if the Calculation Agent does not at any time for any reason determine or calculate the Rate of Interest for an Interest Accrual Period or any Interest Amount, Installment Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, the Trustee shall do so (but without any liability attaching to the Trustee as a result in the absence of any negligence, willful misconduct or fraud of which it may be guilty) (or shall appoint an agent on its behalf to do so at the expense of the Issuer) and such determination or calculation shall be deemed to have been made by the Calculation Agent. In doing so, the Trustee shall apply the foregoing provisions of this Condition, with any necessary consequential amendments, to the extent that, in its opinion, it can do so, and, in all other respects it shall do so in such manner as, in its absolute discretion, it shall deem fair and

reasonable in all the circumstances. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Trustee pursuant to this Condition 4(j) shall (in the absence of manifest error) be final and binding upon all parties.

- (l) **Definitions:** In these Conditions, unless the context otherwise requires, the following defined terms shall have the meanings set out below:

**“Business Day”** means:

- (i) if the Specified Currency is not euro or Renminbi, a day (other than a Saturday or Sunday) on which commercial banks and foreign exchange markets settle payments in the principal financial center for such currency; and/or
- (ii) if the Specified Currency is euro, a day on which the TARGET System is operating (a **“TARGET Business Day”**); and/or
- (iii) if the Specified Currency is Renminbi, a day (other than a Saturday, Sunday or public holiday) on which commercial banks in Hong Kong are generally open for business and settlement of Renminbi payments in Hong Kong; and/or

The Rate of Interest payable from time to time in respect of each Floating Rate Note under Condition 4(n) will be determined by the Calculation Agent on the basis of the following provisions:

(x) in the case of Floating Rate Notes which are specified in the applicable Pricing Supplement as being SIBOR Notes

(1) the Calculation Agent will, at or about the Relevant Time on the relevant Interest Determination Date in respect of each Interest Period, determine the Rate of Interest for such Interest Period which shall be the offered rate for deposits in Singapore dollars for a period equal to the duration of such Interest Period which appears on the Reuters Screen ABSIRFIX01 page under the caption “ASSOCIATION OF BANKS IN SINGAPORE — SIBOR AND SWAP OFFER RATES — RATES AT 11:00 A.M. SINGAPORE TIME” and the column headed “SGD SIBOR” (or such other Relevant Screen Page);

(3) if no such rate appears on the Reuters Screen SIBP page (or such other replacement page thereof or, if no rate appears, on such other Relevant Screen Page) or if Reuters Screen SIBP page (or such other replacement page thereof or such other Relevant Screen Page) is unavailable for any reason, the Calculation Agent will request the principal Singapore offices of each of the Reference Banks to provide the Calculation Agent with the rate at which deposits in Singapore dollars are offered by it at approximately the Relevant Time on the Interest Determination Date to prime banks in the Singapore inter-bank market for a period equivalent

to the duration of such Interest Period commencing on such Interest Payment Date in an amount comparable to the aggregate nominal amount of the relevant Floating Rate Notes. The Rate of Interest for such Interest Period shall be the arithmetic mean (rounded up, if necessary, to the nearest 1/16%) of such offered quotations, as determined by the Calculation Agent;

- (4) if on any Interest Determination Date two but not all the Reference Banks provide the Calculation Agent with such quotations, the Rate of Interest for the relevant Interest Period shall be determined in accordance with (3) above on the basis of the quotations of those Reference Banks providing such quotations; and
- (5) if on any Interest Determination Date one only or none of the Reference Banks provides the Calculation Agent with such quotations, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Calculation Agent determines to be the arithmetic mean (rounded up, if necessary, to the nearest 1/16%) of the rates quoted by the Reference Banks or those of them (being at least two in number) to the Calculation Agent at or about the Relevant Time on such Interest Determination Date as being their cost (including the cost occasioned by or attributable to complying with reserves, liquidity, deposit or other requirements imposed on them by any relevant authority or authorities) of funding, for the relevant Interest Period, an amount equal to the aggregate nominal amount of the relevant Floating Rate Notes for such Interest Period by whatever means they determine to be most appropriate or if on such Interest Determination Date one only or none of the Reference Banks provides the Calculation Agent with such quotation, the rate per annum which the Calculation Agent determines to be arithmetic mean (rounded up, if necessary, to the nearest 1/16%) of the prime lending rates for Singapore dollars quoted by the Reference Banks at or about the Relevant Time on such Interest Determination Date.
- (y) in the case of Floating Rate Notes which are specified in the applicable Pricing Supplement as being Swap Rate Notes
- (1) the Calculation Agent will, at or about the Relevant Time on the relevant Interest Determination Date in respect of each Interest Period, determine the Rate of Interest for such Interest Period which shall be the Average Swap Rate for such Interest Period (determined by the Calculation Agent as being the rate which appears on the Reuters Screen ABSIRFIX01 page under the caption "ASSOCIATION OF BANKS IN SINGAPORE — SIBOR AND SWAP OFFER RATES — RATES AT 11:00 A.M. SINGAPORE TIME" under the column headed "SGD SWAP OFFER" (or such other page as may replace Reuters Screen ABSIRFIX01 page for the purpose of displaying the swap rates of leading reference banks) at or about the Relevant Time on such Interest Determination Date and for a period equal to the duration of such Interest Period);
- (2) if on any Interest Determination Date, no such rate is quoted on Reuters Screen ABSIRFIX01 page (or such other replacement page as aforesaid) or Reuters Screen ABSIRFIX01 page (or such other replacement page as aforesaid) is unavailable for any reason, the Calculation Agent will determine the Average Swap Rate (which shall be round up to the nearest 1/16%) for such Interest Period in accordance with the following formula:

In the case of Premium:

$$\begin{aligned} \text{Average Swap Rate} &= \frac{365}{360} \times \text{SIBOR} + \frac{(\text{Premium} \times 365)}{(\text{T} \times \text{Spot Rate})} \\ &+ \frac{(\text{SIBOR} \times \text{Premium})}{(\text{Spot Rate})} \times \frac{365}{360} \end{aligned}$$

In the case of Discount:

$$\begin{aligned} \text{Average Swap Rate} &= \frac{365}{360} \times \text{SIBOR} - \frac{(\text{Discount} \times 365)}{(\text{T} \times \text{Spot Rate})} \\ &- \frac{(\text{SIBOR} \times \text{Discount})}{(\text{Spot Rate})} \times \frac{365}{360} \end{aligned}$$

where:

**SIBOR** = the rate which appears on the Reuters Screen SIBOR page under the caption "SINGAPORE INTERBANK OFFER RATES (DOLLAR DEPOSITS) 11 A.M." and the row headed "SIBOR USD" (or such other page as may replace Reuters Screen SIBOR page for the purpose of displaying Singapore inter-bank U.S. dollar offered rates of leading reference banks) at or about the Relevant Time on the relevant Interest Determination Dates for a period equal to the duration of the Interest Period concerned;

**Spot Rate** = the rate (determined by the Calculation Agent) being the composite quotation or, in the absence of which, the arithmetic mean (rounded up, if necessary, to the nearest four decimal places) of the rates quoted by the Reference Banks and which appear under the caption "ASSOCIATION OF BANKS IN SINGAPORE — SGD SPOT AND SWAP OFFER RATES AT 11.00 A.M. SINGAPORE TIME" and the column headed "SPOT" on the Reuters Screen ABSIRFIX06 page (or such other page as may replace the Reuters Screen ABSIRFIX06 page for the purpose of displaying the spot rates and swap points of leading reference banks) at or about the Relevant Time on the relevant Interest Determination Date for a period equal to the duration of the Interest Period concerned;

**Premium or Discount** = the rate (determined by the Calculation Agent) to be the arithmetic mean (rounded up, if necessary, to the nearest four decimal places) of the rates quoted by the Reference Banks for a period equal to the duration of the Interest Period concerned which appear under the caption "ASSOCIATION OF BANKS IN SINGAPORE- SGD SPOT AND SWAP OFFER RATES AT 11.00 A.M. SINGAPORE TIME" on the Reuters Screen ABSIRFIX06 Page (or such other page as may replace the Reuters Screen ABSIRFIX06 Page for the purpose of displaying the spot rates and swap points of leading reference banks) at or about the Relevant Time on the relevant Interest Determination Date for a period equal to the duration of the Interest Period concerned; and

T = the number of days in the Interest Period concerned.

The Rate of Interest for such Interest Period shall be the Average Swap Rate (as determined by the Calculation Agent);

- (3) if on any Interest Determination Date any one of the components for the purposes of calculating the Average Swap Rate under (bb) above is not quoted on the relevant Reuters Screen page (or such other replacement page as aforesaid) or the relevant Reuters Screen page (or such other replacement page as aforesaid) is unavailable for any reason, the Calculation Agent will request the principal Singapore offices of the Reference Banks to provide the Calculation Agent with quotations of their Swap Rates for the Interest Period concerned at or about the Relevant Time on that Interest Determination Date and the Rate of Interest for such Interest Period shall be the Average Swap Rate for such Interest Period (which shall be the rate per annum equal to the arithmetic mean (rounded up, if necessary, to the nearest 1/16%) of the Swap Rates quoted by the Reference Banks to the Calculation Agent). The Swap Rate of a Reference Bank means the rate at which that Reference Bank can generate Singapore dollars for the Interest Period concerned in the Singapore inter-bank market at or about the Relevant Time on the relevant Interest Determination Date and shall be determined as follows:

In the case of Premium:

$$\text{Swap Rate} = \frac{365}{360} \times \text{SIBOR} + \frac{(\text{Premium} \times 365)}{(T \times \text{Spot Rate})} + \frac{(\text{SIBOR} \times \text{Premium})}{(\text{Spot Rate})} \times \frac{365}{360}$$

In the case of Discount:

$$\text{Swap Rate} = \frac{365}{360} \times \text{SIBOR} - \frac{(\text{Discount} \times 365)}{(T \times \text{Spot Rate})} - \frac{(\text{SIBOR} \times \text{Discount})}{(\text{Spot Rate})} \times \frac{365}{360}$$

where:

SIBOR = the rate per annum at which U.S. dollar deposits for a period equal to the duration of the Interest Period concerned are being offered by that Reference Bank to prime banks in the Singapore inter-bank market at or about the Relevant Time on the relevant Interest Determination Date;

Spot Rate = the rate at which that Reference Bank sells U.S. dollars spot in exchange for Singapore dollars in the Singapore inter-bank market at or about the Relevant Time on the relevant Interest Determination Date;

Premium = the premium that would have been paid by that Reference Bank in buying U.S. dollars forward in exchange for Singapore dollars on the last day of the Interest Period concerned in the Singapore inter-bank market;

Discount = the discount that would have been received by that Reference Bank in buying U.S. dollars forward in exchange for Singapore dollars on the last day of the Interest Period concerned in the Singapore inter-bank market; and

T = the number of days in the Interest Period concerned;

- (4) if on any Interest Determination Date two but not all of the Reference Banks provide the Calculation Agent with quotations of their Swap Rate(s), the Average Swap Rate shall be determined in accordance with (cc) above on the basis of the quotations of those Reference Banks providing such quotations; and
- (5) if on any Interest Determination Date one only or none of the Reference Banks provides the Calculation Agent with quotations of their Swap Rate(s), the Average Swap Rate shall be determined by the Calculation Agent to be the rate per annum equal to the arithmetic mean (rounded up, if necessary, to the nearest 1/16%) of the rates quoted by the Reference Banks or those of them (being at least two in number) to the Calculation Agent at or about the Relevant Time on such Interest Determination Date as being their cost (including the cost occasioned by or attributable to complying with reserves, liquidity, deposit or other requirements imposed on them by any relevant authority or authorities) of funding, for the relevant Interest Period, in an amount equal to the aggregate nominal amount of the relevant Floating Rate Notes for such Interest Period by whatever means they determine to be most appropriate and the Rate of Interest for the relevant Interest Period shall be the Average Swap Rate (as so determined by the Calculation Agent), or if on such Interest Determination Date one only or none of the Reference Banks provides the Calculation Agent with such quotation, the Rate of Interest for the relevant Interest Period shall be the rate per annum equal to the arithmetic mean (rounded up, if necessary, to the nearest 1/16%) of the prime lending rates for Singapore dollars quoted by the Reference Banks at or about the Relevant Time on such Interest Determination Date.
- (C) On the last day of each Interest Period, the Issuer will pay interest on each Floating Rate Note to which such Interest Period relates at the Rate of Interest for such Interest Period.

(iii) *Agreed Yield – Variable Rate Notes*

- (A) Each Variable Rate Note bears interest at a variable rate determined in accordance with the provisions of this paragraph (iii). - (C) The Issuer has undertaken to the Issuing and Paying Agent and the Calculation Agent that it will as soon as possible after the Agreed Yield in respect of any Variable Rate Note is determined but not later than 10.30 a.m. (Singapore time) on the next following business day:

- (D) The Issuer will pay the Agreed Yield applicable to each Variable Rate Note for each Interest Period relating to such Variable Rate Note on the first day of such Interest Period.

(iv) *Determination of Rate of Interest and Calculation of Interest Amounts*

The Calculation Agent will, at the Relevant Time on each Interest Determination Date, determine the Rate of Interest and calculate the amount of interest payable (the “**Interest Amounts**”) in respect of each denomination of the relevant Floating Rate Notes for the relevant Interest Period. The Interest Amounts shall be calculated by applying the Rate of Interest to the Calculation Amount, multiplying such product by the actual number of days in the Interest Period concerned, divided by the FRN Day Basis shown on the face of such Note and rounding the resultant figure to the nearest cent. The determination of the Rate of Interest and the Interest Amounts by the Calculation Agent shall (in the absence of manifest error) be final and binding upon all parties.

(v) *Duration of Rate of Interest and Interest Amounts*

The Calculation Agent will cause the Rate of Interest and the Interest Amounts for each Interest Period and the relevant Interest Payment Date to be notified to the Issuing and Paying Agent, the Issuer and each of the Paying Agents and to be notified to Noteholders and, if the Notes are listed on a stock exchange and the rules of such exchange or other relevant authority so require, such exchange or other relevant authority as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such exchange or other relevant authority, or (ii) in all other cases the fourth Relevant Business Day thereafter. The Issuer will procure that, so long as any relevant Floating Rate Note remains outstanding, there shall at all times be three Reference Banks and a Calculation Agent. If any Reference Bank (acting through its relevant office) is unable or unwilling to continue to act as a Reference Bank or the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for

any Interest Period or to calculate the Interest Amounts or the Redemption Amount, the Issuer will appoint the Singapore office of a leading bank or merchant bank engaged in the Singapore interbank market to act as such in its place and will notify such change(s) to the Noteholders. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.

## 5 Redemption, Purchase and Options

### (a) Redemption by Installments and Final Redemption:

- (i) Unless previously redeemed, purchased and cancelled as provided in this Condition 5, each Note that provides for Installment Dates and Installment Amounts shall be partially redeemed on each Installment Date at the related Installment Amount specified in the applicable Pricing Supplement. The outstanding nominal amount of each such Note shall be reduced by the Installment Amount (or, if such Installment Amount is calculated by reference to a proportion of the nominal amount of such Note, such proportion) for all purposes with effect from the related Installment Date, unless payment of the Installment Amount is improperly withheld or refused, in which case, such amount shall remain outstanding until the Relevant Date relating to such Installment Amount.

- (ii) Unless otherwise provided in the applicable Pricing Supplement and unless previously redeemed, purchased and cancelled as provided below, each Note shall be finally redeemed on the Maturity Date specified in the applicable Pricing Supplement at its Final Redemption Amount (which, unless otherwise provided in the applicable Pricing Supplement, is its nominal amount) or, in the case of a Note falling within paragraph (i) above, its final Installment Amount.

(b) **Early Redemption:**

(i) *Zero Coupon Notes:*

- (A) The Early Redemption Amount payable in respect of any Zero Coupon Note, the Early Redemption Amount of which is not linked to an index and/or a formula, upon redemption of such Note pursuant to Condition 5(c) or upon it becoming due and payable as provided in Condition 9 shall be the Amortized Face Amount (calculated as provided below) of such Note unless otherwise specified in the applicable Pricing Supplement.
- (B) Subject to the provisions of Condition 5(b)(i)(C) below, the Amortized Face Amount of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortization Yield (which, if none is shown in the applicable Pricing Supplement, shall be such rate as would produce an Amortized Face Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually.
- (C) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 5(c) or upon it becoming due and payable as provided in Condition 9 is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortized Face Amount of such Note as defined in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the date on which the Note becomes due and payable were the Relevant Date. The calculation of the Amortized Face Amount in accordance with this sub-paragraph shall continue to be made (both before and after judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 4(c).

Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction shown in the applicable Pricing Supplement.

- (ii) *Other Notes:* The Early Redemption Amount payable in respect of any Note (other than Notes described in (i) above), upon redemption of such Note pursuant to Condition 5(c) or upon it becoming due and payable as provided in Condition 9, shall be the Final Redemption Amount unless otherwise specified in the applicable Pricing Supplement.

(c) **Redemption for Taxation Reasons:**

- (i) *Senior Notes:* The Senior Notes may be redeemed at the option of the Issuer in whole, but not in part, (the “**Senior Notes Optional Tax Redemption**”) on any Interest Payment Date (if this Senior Note is either a Floating Rate Note or an Index Linked Note) or at any time (if this Senior Note is neither a Floating Rate Note nor an Index Linked Note), on giving not less than 30 nor more than 60 days’ notice to the Noteholders (which notice shall be irrevocable) at their Early Redemption Amount (as described in Condition 5(b) above) together with interest accrued but unpaid (if any) to (but excluding) the date fixed for redemption or, if the Early Redemption

Amount is not specified in the applicable Pricing Supplement, at their nominal amount together with interest accrued but unpaid (if any) to (but excluding) the date fixed for redemption, if (aa) the Issuer has or will become obliged to pay Additional Amounts (as described under Condition 7) as a result of any change in, or amendment to, the laws or regulations of a Relevant Taxing Jurisdiction (as described under Condition 7) or any political subdivision or any authority thereof or therein having power to tax, or any change in the official application or official interpretation of such laws or regulations, or the Notes do not qualify as “qualifying debt securities” for the purposes of the Income Tax Act, Chapter 134 of Singapore which change or amendment becomes effective on or after the date on which agreement is reached to issue the first Tranche of the Senior Notes, and (bb) such obligation cannot be avoided by the Issuer taking reasonable measures available to it, provided that, where the Issuer has or will become obliged to pay Additional Amounts, no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such Additional Amounts were a payment in respect of the Senior Notes then due.

Before the publication of any notice of redemption pursuant to this Condition 5(c) (i), the Issuer shall deliver to (i) if the subject of the Senior Notes Optional Tax Redemption is Senior Notes other than AMTNs, the Trustee or (ii) if the subject of the Senior Notes Optional Tax Redemption is AMTNs, the Australian Agent, a certificate signed by two authorized signatories of the Issuer or, where the Relevant Issuer is any other Specified Issuer, one authorized signatory of such Specified Issuer of the Issuer stating that the payment of Additional Amounts cannot be avoided by the Issuer taking reasonable measures available to it and the Trustee or the Australian Agent, as the case may be, shall be entitled to accept such certificate without any further inquiry as sufficient evidence of the satisfaction of Condition 5(c)(i) (aa) and (bb) above without liability to any person in which event it shall be conclusive and binding on the relevant Noteholders, Receiptholders and Couponholders. The Australian Agent will make such certificate available to the holders of the relevant AMTNs for inspection. Upon expiry of such notice, the Issuer shall redeem such Senior Notes in accordance with this Condition 5(c)(i).

- (ii) *Subordinated Notes*: Subject to Condition 5(m), the Subordinated Notes may be redeemed at the option of the Issuer in whole, but not in part, (the “**Subordinated Notes Optional Tax Redemption**”) on any Interest Payment Date (if this Subordinated Note is a Floating Rate Note) or at any time (if this Subordinated Note is not a Floating Rate Note), on giving not less than 30 but not more than 60 days’ notice to the Noteholders (which notice shall be irrevocable) at their Early Redemption Amount (as described in Condition 5(b) above) together with interest accrued but unpaid (if any) to (but excluding) the date fixed for redemption or, if the Early Redemption Amount is not specified in the applicable Pricing Supplement, at their nominal amount, together with interest accrued but unpaid (if any) to (but excluding) the date fixed for redemption, if:
  - (aa) the Issuer has or will become obliged to pay Additional Amounts (as described under Condition 7); or
  - (bb) payments of interest on the Subordinated Notes will or would be treated as “**distributions**” or dividends within the meaning of the Income Tax Act, Chapter 134 of Singapore or any other act in respect of or relating to Singapore taxation or would otherwise be considered as payments of a type that are non-deductible for Singapore income tax purposes,

in each case as a result of any change in, or amendment to, the laws or regulations of Singapore or any political subdivision or any authority thereof or therein having power to tax, or any change in the official application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the date on which agreement is reached to issue the Subordinated Notes, and the foregoing

cannot be avoided by the Issuer taking reasonable measures available to it, provided that, where the Issuer has or will become obliged to pay Additional Amounts, no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such Additional Amounts were a payment in respect of the Subordinated Notes then due.

Before the publication of any notice of redemption pursuant to this Condition 5(c)(ii), the Issuer shall deliver to the Trustee a certificate signed by two authorized signatories of OCBC (and in the case of any other Issuer, one authorized signatory of such Issuer) of the Issuer stating that the payment of Additional Amounts, or that the non-deductibility of the payments of interest for Singapore income tax purposes, as the case may be, cannot be avoided by the Issuer taking reasonable measures available to it and the Trustee shall be entitled to accept such certificate without any further inquiry as sufficient evidence of the satisfaction of Condition 5(c)(ii) above without liability to any person in which event it shall be conclusive and binding on Noteholders, Receiptholders and Couponholders. Upon expiry of such notice, the Issuer shall redeem the Subordinated Notes in accordance with this Condition 5(c)(ii).

(d) **Redemption at the option of the Issuer:**

All Subordinated Notes in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition.

*The Maturity Date of the Subordinated Notes will not be less than five years from the Issue Date.*

- (e) **Redemption at the option of holders of Senior Notes:** If Put Option is specified in the applicable Pricing Supplement, the Issuer shall, at the option of the holder of any such Senior Note, upon the holder of such Senior Note giving not less than 15 but not more than 30 days’ notice to the Issuer (or such other notice period as may be specified in the applicable Pricing Supplement) redeem such Senior Note on the Optional Redemption Date(s) at the Optional Redemption Amount stated in the applicable Pricing Supplement together with interest accrued but unpaid (if any) to (but excluding) the date fixed for redemption.

To exercise such option the holder must deposit (in the case of Bearer Notes) such Senior Note (together with all unmatured Receipts and Coupons and unexchanged Talons) with any Paying Agent or (in the case of Registered Notes other than AMTNs) the Certificate representing such Senior Note(s) with the Registrar or any Transfer Agent at its specified office, together with a duly completed option exercise notice (“**Exercise Notice**”) in the form obtainable from any Paying Agent, the Registrar or any Transfer Agent (as applicable) within the notice period. No such Senior Note so deposited and option exercised may be withdrawn (except as provided in the Agency Agreement) without the prior consent of the Issuer.

*Unless otherwise provided in the applicable Pricing Supplement, the Subordinated Notes are not redeemable prior to the Maturity Date at the option of the Noteholders.*

- (f) **Purchase at the option of Noteholders of Senior Notes:** If VRN Purchase Option is specified in the applicable Pricing Supplement, each Noteholder shall have the option to have all or any of its Variable Rate Notes purchased by the Issuer at their nominal amount on any Interest Payment Date (as defined in Condition 4(n)) and the Issuer will purchase such Variable Rate Notes accordingly. To exercise such option, a Noteholder shall deposit any Variable Rate Notes to be purchased, together with all Coupons relating to such Variable Rate Notes which mature after the date fixed for purchase, together with a duly completed option exercise notice in the form obtainable from the Paying Agent, not later than 5.00 p.m. (Singapore time) on the last day of the VRN Purchase Option Period shown on the face hereof. The obligation on the Issuer to procure delivery of the required number of shares is subject to the exercising Noteholder depositing a duly completed exercise notice in the form obtainable from the Paying Agent, at least five Business Days before the Maturity Date or such date or dates provided, as the case may be. No Senior Notes so deposited and option exercised may be withdrawn without the prior consent of the Issuer.
- (h) **Redemption for Change of Qualification Event in respect of Subordinated Notes:** Subject to Condition 5(m), if immediately prior to the giving of the notice referred to below, as a result of a change to the relevant requirements issued by MAS in relation to the qualification of the Subordinated Notes as Tier II Capital Securities of the Issuer or to the recognition of the Subordinated Notes as capital for calculating the total capital adequacy ratio of the Issuer (either on a consolidated or unconsolidated basis) (“**Eligible Capital**”), or any change in the application of official or generally published interpretation of such relevant requirements issued by MAS or any relevant authority, including a ruling or notice issued by MAS or any relevant authority, or any interpretation or pronouncement by MAS or any relevant authority that provides for a position with respect to such relevant requirements issued by MAS that differs from the previously generally accepted position in relation to similar transactions or which differs from any specific written statements made by any authority regarding the qualification of the Subordinated Notes as Tier II Capital Securities of the Issuer or to the recognition of the Subordinated Notes as Eligible Capital, which change or amendment (i) (subject to (ii)) becomes effective on or after the Issue Date, or (ii) in the case of a change to the relevant requirements issued by MAS, if such change is issued by MAS, on or after the Issue Date, the relevant Subordinated Notes, in whole or in part, would not qualify as Tier II Capital Securities or as Eligible Capital of the Issuer (excluding, for the avoidance of doubt, non-qualification solely by virtue of the Issuer already having, or coming to have, an issue of securities with an aggregate nominal amount up to or in excess of the limit of Tier II Capital Securities or Eligible Capital permitted pursuant to the relevant legislation and statutory guidelines in force as at the Issue Date) (a “**Change of Qualification Event**”), then the Issuer may, having given not less than 30 but not more than 60 days’ prior written notice to the Noteholders (which notice shall be irrevocable), redeem in accordance with these Conditions on any Interest Payment Date all, but not some only, of the relevant Subordinated Notes, at their Early Redemption Amount or, if no Early Redemption Amount is specified in the applicable Pricing Supplement, at their nominal amount together with interest accrued but unpaid (if any) to (but excluding) the date of redemption in accordance with these Conditions.

Prior to the publication of any notice of redemption pursuant to this Condition 5(h), the Issuer shall deliver to the Trustee a certificate signed by two authorized signatories of OCBC (and in the case of any other Issuer, one authorized signatory of such Issuer) stating that a Change of Qualification Event has occurred and the Trustee shall be entitled to accept such certificate without any further inquiry as sufficient evidence of the satisfaction of the conditions set out above without liability to any person in which event it shall be conclusive and binding on the Noteholders, Receiptholders and Couponholders. Upon expiry of such notice, the Issuer shall redeem the Subordinated Notes in accordance with this Condition 5(h).

- (i) **Partly Paid Notes:** If the Notes are specified in the applicable Pricing Supplement as being Partly Paid Notes, such Notes will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition and the provisions specified in the applicable Pricing Supplement.

The Issuer or any such subsidiary may, at its option, retain such purchased Notes for its own account and/or resell or cancel or otherwise deal with them at its discretion.
- (k) **Cancellation:** All Notes purchased by or on behalf of the Issuer or any of its subsidiaries may be surrendered for cancellation, in the case of Bearer Notes, by surrendering each such Note together with all unmatured Receipts and Coupons and all unexchanged Talons to the Issuing and Paying Agent and, in the case of Registered Notes (other than AMTNs), by surrendering the Certificate representing such Notes to the Registrar and, in each case, if so surrendered, shall, together with all Notes redeemed by the Issuer, be cancelled forthwith (together with all unmatured Receipts and Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so surrendered for cancellation may not be reissued or resold and the obligations of the Issuer in respect of any such Notes shall be discharged.

If any AMTN represented by an AMTN Certificate is redeemed or purchased and cancelled in accordance with this Condition 5 then (i) the applicable AMTN Certificate will be deemed to be surrendered and cancelled without any further formality, and (ii) where some, but not all, of the AMTNs represented by that AMTN Certificate are so redeemed, the Issuer will, promptly and without charge, issue and deliver, and procure the authentication by the Australian Agent of, a new AMTN Certificate in respect of those AMTNs that had been represented by the original AMTN Certificate and which remain outstanding following such redemption.

- (l) **No Obligation to Monitor:** In the case of Notes other than AMTNs, the Trustee shall not be under any duty to monitor whether any event or circumstance has happened or exists within this Condition 5 and will not be responsible to the Noteholders, Receiptholders or Couponholders for any loss arising from any failure by it to do so. Unless and until the Trustee has notice in writing of the occurrence of any event or circumstance within this Condition 5, it shall be entitled to assume that no such event or circumstance exists.
- (m) **Redemption Conditions of Subordinated Notes:** Without prejudice to any provisions in this Condition 5, any redemption of Subordinated Notes by the Issuer is subject to the Issuer obtaining the prior approval of MAS.

*These Conditions may be amended, modified or varied in relation to any Series of Notes by the terms of the applicable Pricing Supplement in relation to such Series.*

(h) **Unmatured Coupons and Receipts and unexchanged Talons:**

- (i) Upon the due date for redemption of Bearer Notes which comprise Fixed Rate Notes such Notes should be surrendered for payment together with all unexpired Coupons (if any) relating thereto, failing which an amount equal to the face value of each missing unexpired Coupon (or, in the case of payment not being made in full, that proportion of the amount of such missing unexpired Coupon that the sum of principal so paid bears to the total principal due) shall be deducted from the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, due for payment. Interest accrued on a Note that only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Note or Certificate representing it, as the case may be.
- (i) **Talons:** On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Bearer Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Issuing and Paying Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 8).
- (j) **Non-Business Days:** If any date for payment in respect of any Note, Receipt or Coupon is not a business day, the holder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. In this paragraph, “**business day**” means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in the relevant place of presentation, in such other jurisdictions as shall be specified as “Financial Centers” in the applicable Pricing Supplement and:
- (i) (in the case of a payment in a currency other than euro and Renminbi) where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial center of the country of such currency or

- (ii) (in the case of a payment in euro) which is a TARGET Business Day or
  - (iii) (in the case of Renminbi) on which banks and foreign exchange markets are open for business and settlement of Renminbi payments in Hong Kong.
- (k) **Payment of U.S. Dollar Equivalent:** Notwithstanding the foregoing, if by reason of Inconvertibility, Non-transferability or Illiquidity, the Issuer is not able to satisfy payments of principal or interest in respect of the Notes when due in Renminbi in Hong Kong, the Issuer shall, on giving not less than five nor more than 30 days' irrevocable notice to the Noteholders prior to the due date for payment, settle any such payment in U.S. dollars on the due date at the U.S. Dollar Equivalent of any such Renminbi denominated amount. The due date for payment shall be the originally scheduled due date or such postponed due date as shall be specified in the notice referred to above, which postponed due date may not fall more than 20 days after the originally scheduled due date. Interest on the Notes will continue to accrue up to but excluding any such date for payment of principal.

In such event, payments of the U.S. Dollar equivalent of the relevant principal or interest in respect of the Notes shall be made by transfer to a U.S. dollar denominated account maintained by the payee with, or by a U.S. dollar denominated cheque drawn on, or, at the option of the holder, by transfer to a U.S. dollar account maintained by the holder with, a bank in New York City; and the definition of "business day" for the purpose of Condition 6(j) shall mean any day on which banks and foreign exchange markets are open for general business in the relevant place of presentation, and New York City.

For the purposes of this Condition 6, "**U.S. Dollar Equivalent**" means the Renminbi amount converted into U.S. dollars using the Spot Rate for the relevant Determination Date as promptly notified to the Issuer and the Paying Agents.

"**Determination Business Day**" means a day (other than a Saturday or Sunday) on which commercial banks are open for general business (including dealings in foreign exchange) in Hong Kong and New York City.

"**Determination Date**" means the day which is two Determination Business Days before the due date for payment of the relevant amount under these Conditions.

"**Governmental Authority**" means any *de facto* or *de jure* government (or any agency or instrumentality thereof), court, tribunal, administrative or other governmental authority or any other entity (private or public) charged with the regulation of the financial markets (including the central bank) of Hong Kong.

"**Illiquidity**" means the general Renminbi exchange market in Hong Kong becomes illiquid as a result of which the Issuer cannot obtain sufficient Renminbi in order to satisfy its obligation to pay interest or principal in respect of the Notes as determined by the Issuer in good faith and in a commercially reasonable manner following consultation with two Renminbi Dealers.

"**Inconvertibility**" means the occurrence of any event that makes it impossible (where it had been previously possible) for the Issuer to convert any amount due in respect of the Notes in the general Renminbi exchange market in Hong Kong, other than where such impossibility is due solely to the failure of the Issuer to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after August 31, 2012 and it is impossible for the Issuer, due to an event beyond its control, to comply with such law, rule or regulation).

"**Non-transferability**" means the occurrence of any event that makes it impossible for the Issuer to transfer Renminbi between accounts inside Hong Kong or from an account inside Hong Kong to an account outside Hong Kong, other than where such impossibility is due solely to the failure of the Issuer to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after August 31, 2012 and it is impossible for the Issuer, due to an event beyond its control, to comply with such law, rule or regulation).

“**PRC**” means the People’s Republic of China (excluding the Hong Kong Special Administrative Region, the Macau Special Administrative Region and Taiwan).

“**Renminbi Dealer**” means an independent foreign exchange dealer of international repute active in the Renminbi exchange market in Hong Kong.

“**Spot Rate**” means the spot CNY/U.S. dollar exchange rate for the purchase of U.S. dollars with Renminbi in the over-the-counter Renminbi exchange market in Hong Kong for settlement in two Determination Business Days, as determined by the Calculation Agent at or around 11.00 a.m. (Hong Kong time) on the Determination Date, on a deliverable basis by reference to Reuters Screen Page TRADCNY3, or if no such rate is available, on a non-deliverable basis by reference to Reuters Screen Page TRADNDF.

If such rate is not available, the Calculation Agent will determine the Spot Rate at or around 11.00 a.m. (Hong Kong time) on the Determination Date as the most recently available CNY/U.S. dollar official fixing rate for settlement in two Determination Business Days reported by The State Administration of Foreign Exchange of the PRC, which is reported on the Reuters Screen Page CNY=SAEC. Reference to a page on the Reuters Screen means the display page so designated on the Reuter Monitor Money Rates Service (or any successor service) or such other page as may replace that page for the purpose of displaying a comparable currency exchange rate.

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 6(k) by the Calculation Agent, will (in the absence of willful default, bad faith or manifest error) be binding on the Issuer, the Agents and all Noteholders.

(l) **AMTNs:**

- (i) The Australian Agent will act (through its office in Sydney) as paying agent for AMTNs pursuant to the Australian Agency Agreement and:
  - (A) if the AMTN is in the Austraclear System, by crediting on the relevant Interest Payment Date or Maturity Date (as the case may be) the amount then due to the account (held with a bank in Australia) of Austraclear in accordance with the Austraclear System Regulations;
  - (B) if the AMTN is not in the Austraclear System, by crediting on the Interest Payment Date or Maturity Date (as the case may be), the amount then due to an account (held with a bank in Australia) previously notified in writing by the holder of the AMTN to the Issuer and the Australian Agent.

If a payment in respect of the AMTN is prohibited by law from being made in Australia, such payment will be made in an international financial center for the account of the relevant payee, and on the basis that the relevant amounts are paid in immediately available funds, freely transferrable at the order of the payee.

For the purposes of this Condition 6(l), in relation to AMTNs, “**Business Day**” has the meaning given in the Australian Agency Agreement.

- (ii) Payments of principal and interest will be made in Sydney in Australian dollars to the persons registered at the close of business in Sydney on the relevant Record Date (as defined below) as the holders of such AMTNs, subject in all cases to normal banking practice and all applicable laws and regulations. Payment will be made by cheques drawn on the Sydney branch of an Australian bank dispatched by post on the relevant payment date at the risk of the Noteholder or, at the option of the Noteholder, by the Australian Agent giving in Sydney irrevocable instructions for the effecting of a transfer of the relevant funds to an Australian dollar account in Australia specified by the Noteholder to the Australian Agent (or in any other manner in Sydney which the Australian Agent and the Noteholder agree).

- (iii) In the case of payments made by electronic transfer, payments will for all purposes be taken to be made when the Australian Agent gives irrevocable instructions in Sydney for the making of the relevant payment by electronic transfer, being instructions which would be reasonably expected to result, in the ordinary course of banking business, in the funds transferred reaching the account of the Noteholder on the same day as the day on which the instructions are given.
- (iv) If a cheque posted or an electronic transfer for which irrevocable instructions have been given by the Australian Agent is shown, to the satisfaction of the Australian Agent, not to have reached the Noteholder and the Australian Agent is able to recover the relevant funds, the Australian Agent may make such other arrangements as it thinks fit for the effecting of the payment in Sydney.
- (v) Interest will be calculated in the manner specified in Condition 4 and will be payable to the persons who are registered as Noteholders at the close of business in Sydney on the relevant Record Date and cheques will be made payable to the Noteholder (or, in the case of joint Noteholders, to the first-named) and sent to their registered address, unless instructions to the contrary are given by the Noteholder (or, in the case of joint Noteholders, by all the Noteholders) in such form as may be prescribed by the Australian Agent. Payments of principal will be made to, or to the order of, the persons who are registered as Noteholders at the close of business in Sydney on the relevant Record Date, subject, if so directed by the Australian Agent, to receipt from them of such instructions as the Australian Agent may require.
- (vi) If payment in respect of any AMTN is not a Business Day, such payment shall not be made until the next following day which is a Business Day, and no further interest shall be paid in respect of the delay in such payment.
- (vii) Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto. Neither the Issuer nor the Australian Agent shall be liable to any Noteholder or other person for any commissions, costs, losses or expenses in relation to or resulting from such payments.

In this Condition 6(l) in relation to AMTNs, “**Record Date**” means, in the case of payments of principal or interest, the close of business in Sydney on the date which is the fifteenth calendar day before the due date of the relevant payment of principal or interest.

## 7 Taxation

All payments of principal and interest by or on behalf of the Issuer in respect of the Notes, the Receipts and the Coupons shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by a Relevant Taxing Jurisdiction or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law. In that event, the Issuer shall pay such additional amounts (the “**Additional Amounts**”) as shall result in receipt by the Noteholders, Receiptholders and Couponholders of such amounts as would have been received by them had no such withholding or deduction been required, except that no such Additional Amounts shall be payable with respect to any Note, Receipt or Coupon:

- (a) **Other connection:** to, or to a third party on behalf of, a holder who is (i) treated as a resident of the Relevant Taxing Jurisdiction or as having a permanent establishment in the Relevant Taxing Jurisdiction for tax purposes or (ii) liable to such taxes, duties, assessments or governmental charges in respect of such Note, Receipt or Coupon by reason of his having some connection with the Relevant Taxing Jurisdiction other than the mere holding of the Note, Receipt or Coupon; or

- (b) **Lawful avoidance of withholding:** to, or to a third party on behalf of, a holder who could lawfully avoid (but has not so avoided) such deduction or withholding by complying or procuring that any third party complies with any statutory requirements or by making or procuring that any third party makes a declaration of non-residence or other similar claim for exemption to any tax authority in the place where the relevant Note (or the Certificate representing it), Receipt or Coupon is presented for payment; or
- (c) **Presentation more than 30 days after the Relevant Date:** presented (or in respect of which the Certificate representing it is presented) for payment more than 30 days after the Relevant Date except to the extent that the holder of it would have been entitled to such Additional Amounts on presenting it for payment on the thirtieth such day; or
- (d) **Payment to individuals:** where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to any law implementing European Council Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with or introduced in order to conform to, such Directive; or
- (e) **Payment by another Paying Agent:** (except in the case of Registered Notes) presented for payment by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to another Paying Agent in a Member State of the European Union; or
- (f) **Payment to an Associate:** to a holder of a Note issued by the Issuer through its Australian branch or by a Specified Issuer that is a resident of Australia (and who is not acting through a branch outside of Australia) who is an “associate” (as that term is defined in section 128F(9) of the Income Tax Assessment Act 1936 of Australia) of the Issuer or Specified Issuer, as relevant and such holder is not acting in the capacity of a clearing house, paying agent, custodian, funds manager or responsible entity of a managed investment scheme within the meaning of the Australian Corporations Act.

As used in these Conditions,

- (i) **“Relevant Date”** in respect of any Note, Receipt or Coupon means the date on which payment in respect of it first becomes due or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is made or (if earlier) the date seven days after that on which notice is duly given to the Noteholders that, upon further presentation of the Note (or relative Certificate), Receipt or Coupon being made in accordance with the Conditions, such payment will be made, provided that payment is in fact made upon such presentation. References in these Conditions to (i) “principal” shall be deemed to include any premium payable in respect of the Notes, all Installment Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortized Face Amounts and all other amounts in the nature of principal payable pursuant to Condition 5 or any amendment or supplement to it, (ii) “interest” shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 4 or any amendment or supplement to it and (iii) “principal” and/or “interest” shall be deemed to include any additional amounts that may be payable under this Condition or any undertaking given in addition to or in substitution for it under the Trust Deed.
- (ii) **“Relevant Taxing Jurisdiction”** means, in respect of Senior Notes, Singapore or any country in which the branch of the Issuer through which the Issuer is issuing the Senior Notes is located or the country of the Specified Issuer and (ii) in respect of Subordinated Notes, Singapore.

Where interest, discount income, prepayment fee, redemption premium or break cost is derived from any of the Notes or Coupons (if applicable) by any person who is not resident in Singapore and who carries on any operations in Singapore through a permanent establishment in Singapore, the tax exemption available for qualifying debt securities (subject to certain conditions) under the Income Tax Act, Chapter 134 of Singapore (the "**Income Tax Act**"), shall not apply if such person acquires such Notes or Coupons (if applicable) using the funds and profits of such person's operations through a permanent establishment in Singapore. Any person whose interest, discount income, prepayment fee, redemption premium or break cost derived from the Notes is not exempt from tax (including for the reasons described above) shall include such income in a return of income made under the Income Tax Act.

## 8 Prescription

Claims against the Issuer for payment in respect of the Notes, Receipts and Coupons (which, for this purpose, shall not include Talons) shall be prescribed and become void unless made within 10 years (in the case of principal) or five years (in the case of interest) from the appropriate Relevant Date in respect of them.

## 9 Events of Default

### (a) Senior Notes:

If any of the following events ("**Events of Default**") occurs and is continuing, (i) in the case of Senior Notes (other than AMTNs), the Trustee at its absolute discretion may, and if so requested by holders of at least one-quarter in nominal amount of the Senior Notes then outstanding or if so directed by an Extraordinary Resolution shall (subject in each case to its being indemnified and/or secured to its satisfaction) give notice to the Issuer that the Senior Notes are, and they shall immediately become, due and payable at their Early Redemption Amount together (if applicable) with accrued interest or (ii) in the case of AMTNs, the holder of an AMTN may, give written notice to the Australian Agent and the Issuer that such AMTN is immediately repayable, whereupon the Early Redemption Amount of such AMTN together (if applicable) with accrued interest to the date of payment shall become immediately due and payable, unless such event of default shall have been remedied prior to the receipt of such notice by the Australian Agent or the Issuer:

- (i) *Non-Payment*: default is made for more than 14 days in the payment on the due date of interest or principal in respect of any of the Senior Notes; or
- (ii) *Breach of Other Obligations*: the Issuer does not perform or comply with any one or more of its other obligations under the Senior Notes, the Trust Deed or the Note (AMTN) Deed Poll, which default has not been remedied within 60 days after notice of such default shall have been given to the Issuer by the Trustee or a holder of the relevant AMTNs; or
- (iii) *Insolvency*: the Issuer is (or is deemed by law or a court of competent jurisdiction to be) insolvent or bankrupt or unable to pay its debts as they fall due, stops, suspends or threatens to stop or suspend payment of all or a material part of its debts, or makes a general assignment or an arrangement or composition with or for the benefit of all its creditors in respect of any such debts or a moratorium is agreed or declared in respect of all or a material part of the debts of the Issuer; or
- (iv) *Winding-up*: an order is made or an effective resolution passed for the winding-up or dissolution or administration of the Issuer, or the Issuer shall apply or petition for a winding-up or administration order in respect of itself or ceases or through an official action of its board of directors threatens to cease to carry on all or a substantial part of its business or operations, in each case except for the purpose of and followed by a reconstruction, amalgamation, reorganization, merger or consolidation.

(b) **Subordinated Notes: In the case of the Subordinated Notes:**

- (i) **Default:** “Default”, wherever used in Condition 9(b), means (except as expressly provided below, whatever the reason for such Default and whether or not it shall be voluntary or involuntary or be effected by the operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body) failure to pay principal of or interest on any Subordinated Note or Coupon (which default in the case of principal continues for seven Business Days and in the case of interest continues for 14 Business Days) after the due date for such payment.
- (ii) **Enforcement:** If a Default occurs and is continuing, the Trustee may in its absolute discretion institute proceedings in Singapore (but not elsewhere) for the winding-up of the Issuer. The Trustee shall have no right to enforce payment under or accelerate payment of any Subordinated Note, Receipt or Coupon in the case of such Default in payment on such Subordinated Note, Receipt or Coupon or a default in the performance of any other covenant of the Issuer in such Subordinated Note, Receipt, Coupon or in the Trust Deed except as provided for in this Condition 9 and Clause 7 of the Trust Deed.

Subject to the subordination provisions as set out in Condition 3, in Clause 5 and Clause 7 of the Trust Deed, if a court order is made or an effective resolution is passed for the winding-up of the Issuer, there shall be payable on the Subordinated Notes, Receipts and Coupons, after the payment in full of all claims of all Senior Creditors, but in priority to holders of share capital of the Issuer and Tier I Capital Securities and/or as otherwise specified in the applicable Pricing Supplement or in a supplement to the Offering Memorandum, such amount remaining after the payment in full of all claims of all Senior Creditors up to, but not exceeding, the nominal amount of the Subordinated Notes together with interest accrued to the date of repayment.

- (iii) **Rights and Remedies upon Default:** If a Default in respect of the payment of principal of or interest on the Subordinated Notes or Coupons occurs and is continuing, the sole remedy available to the Trustee shall be the right to institute proceedings in Singapore (but not elsewhere) for the winding-up of the Issuer. If the Issuer shall default in the performance of any obligation contained in the Trust Deed, the Subordinated Notes or the Coupons other than a Default specified in Condition 9(b)(i) above, the Trustee, the Noteholders, Receiptholders and Couponholders shall be entitled to every right and remedy given hereunder or thereunder or now or hereafter existing at law or in equity or otherwise, provided, however, that the Trustee shall have no right to enforce payment under or accelerate payment of any Subordinated Note or Coupon except as provided in this Condition 9 and Clause 7 of the Trust Deed.

If any court awards money damages or other restitution for any default with respect to the performance by the Issuer of its obligations contained in the Trust Deed, the Subordinated Notes or the Coupons, the payment of such money damages or other restitution shall be subject to the subordination provisions set out herein and in Clause 5 and Clause 7 of the Trust Deed.

- (iv) **Entitlement of the Trustee:** The Trustee shall not be bound to take any of the actions referred to in Condition 9(b)(i) or Condition 9(b)(ii) above or Clause 7.2 of the Trust Deed or any other action under the Trust Deed unless (i) it shall have been so requested by an Extraordinary Resolution (as defined in the Trust Deed) of the Noteholders or in writing by the holders of at least one-quarter in nominal amount of the Subordinated Notes then outstanding and (ii) it shall have been indemnified and/or secured to its satisfaction.

- (v) **Rights of Holders:** No Noteholder, Receiptholder or Couponholder shall be entitled to proceed directly against the Issuer or to institute proceedings for the winding-up of the Issuer in Singapore or to prove in any winding-up of the Issuer unless the Trustee, having become so bound to proceed (in accordance with the terms of the Trust Deed) or being able to prove in such winding-up, fails to do so within a reasonable period and such failure shall be continuing, in which case the Noteholder, Receiptholder or Couponholder shall have only such rights against the Issuer as those which the Trustee is entitled to exercise.

No remedy against the Issuer, other than as referred to in this Condition 9 and Clause 7 of the Trust Deed, shall be available to the Trustee or any Noteholder, Receiptholder or Couponholder whether for the recovery of amounts owing in relation to or arising from the Subordinated Notes or the Coupons and Receipts relating to them and/or the Trust Deed or in respect of any breach by the Issuer of any of its other obligations relating to or arising from the Subordinated Notes and the Coupons, Receipts relating to them and/or the Trust Deed.

## 10 Meetings of Noteholders, Modification and Waiver

Conditions 10(a), 10(b) and 10(c) do not apply to AMTNs.

- (a) **Meetings of Noteholders:** The Trust Deed contains provisions for convening meetings of Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution (as defined in the Trust Deed) of a modification of any of these Conditions or any provisions of the Trust Deed. Such a meeting may be convened by Noteholders holding not less than 10% in nominal amount of the Notes for the time being outstanding. The quorum for any meeting convened to consider an Extraordinary Resolution shall be two or more persons holding or representing a clear majority in nominal amount of the Notes for the time being outstanding, or at any adjourned meeting two or more persons being or representing Noteholders whatever the nominal amount of the Notes held or represented, unless the business of such meeting includes consideration of proposals, *inter alia*, (i) to amend the dates of maturity or redemption of the Notes, any Installment Date or any date for payment of interest or Interest Amounts on the Notes, (ii) to reduce or cancel the nominal amount of, or any Installment Amount of, or any premium payable on redemption of, the Notes, (iii) to reduce the rate or rates of interest in respect of the Notes or to vary the method or basis of calculating the rate or rates or amount of interest or the basis for calculating any Interest Amount in respect of the Notes, (iv) if a Minimum and/or a Maximum Rate of Interest, Installment Amount or Redemption Amount is shown in the applicable Pricing Supplement, to reduce any such Minimum and/or Maximum, (v) to vary any method of, or basis for, calculating the Final Redemption Amount, the Early Redemption Amount or the Optional Redemption Amount, including the method of calculating the Amortized Face Amount, (vi) to vary the currency or currencies of payment or denomination of the Notes, (vii) to take any steps that as specified in the applicable Pricing Supplement may only be taken following approval by an Extraordinary Resolution to which the special quorum provisions apply, (viii) to modify the provisions concerning the quorum required at any meeting of Noteholders or the majority required to pass the Extraordinary Resolution or (ix) to modify Condition 3 in respect of the Subordinated Notes, in which case the necessary quorum shall be two or more persons holding or representing not less than 75%, or at any adjourned meeting not less than 25%, in nominal amount of the Notes for the time being outstanding. Any Extraordinary Resolution duly passed shall be binding on Noteholders (whether or not they were present at the meeting at which such resolution was passed) and on all Couponholders and Receiptholders.

The Trust Deed provides that a resolution in writing signed by or on behalf of the holders of not less than 90% in nominal amount of the Notes outstanding shall for all purposes be as valid and effective as an Extraordinary Resolution passed at a meeting of Noteholders duly convened and held. Such a resolution in writing may be contained in one document or several documents in the same form, each signed by or on behalf of one or more Noteholders.

*These Conditions may be amended, modified or varied in relation to any Series of Notes by the terms of the applicable Pricing Supplement in relation to such Series.*

- (b) **Modification of the Trust Deed and waiver:** The Trustee may agree, without the consent of the Noteholders, Receiptholders or Couponholders, to (i) any modification of any of the provisions of the Trust Deed which is, in its opinion, of a formal, minor or technical nature or is made to correct a manifest error or to comply with any mandatory provision of law, and (ii) any other modification (except as mentioned in the Trust Deed), and waive or authorize, on such terms as seem expedient to it, any breach or proposed breach, of any of the provisions of the Trust Deed that is in the opinion of the Trustee not materially prejudicial to the interests of the Noteholders. Notwithstanding any other provision of these Conditions or the Trust Deed, for Notes specified in the applicable pricing Supplement as being Subordinated Notes, no modification to any Condition or any provision of the Trust Deed may be made without the prior approval of MAS. Any such modification, authorization or waiver shall be binding on the Noteholders, Receiptholders and the Couponholders and, if the Trustee so requires, such waiver or authorization shall be notified by the Issuer to the Noteholders as soon as practicable.
- (c) **Entitlement of the Trustee:** In connection with the exercise of its functions (including but not limited to those referred to in this Condition) the Trustee shall have regard to the interests of the Noteholders as a class and shall not have regard to the consequences of such exercise for individual Noteholders, Receiptholders or Couponholders and the Trustee shall not be entitled to require, nor shall any Noteholder, Receiptholders or Couponholder be entitled to claim, from the Issuer any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders, Receiptholders or Couponholders.
- (d) **Meetings of AMTN holders:** The Note (AMTN) Deed Poll contains provisions for convening meetings of holders of AMTNs to consider any matter affecting their interests.

## 11 Enforcement in respect of Senior Notes

In the case of Senior Notes (that are not AMTNs), at any time after the Senior Notes become due and payable, the Trustee may, in its absolute discretion and without further notice, institute such proceedings against the Issuer as it may think fit to enforce the terms of the Trust Deed, the Senior Notes, the Receipts and the Coupons, but it need not take any such proceedings unless (a) it shall have been so directed by an Extraordinary Resolution or so requested in writing by Noteholders holding at least one-quarter in nominal amount of the Senior Notes outstanding, and (b) it shall have been indemnified and/or secured to its satisfaction. No Noteholder, Receiptholder or Couponholder in respect of Senior Notes (that are not AMTNs) may proceed directly against the Issuer unless the Trustee, having become bound so to proceed, fails to do so within a reasonable time and such failure is continuing, in which case such Noteholder, Receiptholder or Couponholder shall have only such rights against the Issuer as those which the Trustee is entitled to exercise. In the case of any AMTN, at any time after such AMTN becomes due and payable, the holder of such AMTN may at its discretion and without further notice, institute such proceeding against the Issuer as it may think fit to enforce the terms of the Note (AMTN) Deed Poll and such AMTN.

## 12 Indemnification of the Trustee

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility. The Trustee is entitled to enter into business transactions with the Issuer and any entity related to the Issuer without accounting for any profit.

The Trustee may accept and rely without liability to Noteholders, Receiptholders or Couponholders on a report, confirmation or certificate or any advice of any accountants, financial advisors, financial institution or any other expert, whether or not addressed to it and whether their liability in relation thereto is limited (by its terms or by any engagement letter relating thereto entered into by the Trustee or in any other manner) by reference to a monetary cap, methodology or otherwise. Such report, confirmation or certificate or advice shall be binding on the Issuer, the Trustee, the Noteholders, Receiptholders and the Couponholders.

### 13 Replacement of Notes, Certificates, AMTN Certificates, Receipts, Coupons and Talons

If a Note, Certificate, Receipt, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and stock exchange or other relevant authority regulations, at the specified office of the Issuing and Paying Agent (in the case of Bearer Notes, Receipts, Coupons or Talons) and of the Registrar (in the case of Certificates) or such other Paying Agent or Transfer Agent, as the case may be, as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to Noteholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, inter alia, that if the allegedly lost, stolen or destroyed Note, Certificate, Receipt, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Notes, Certificates, Receipts, Coupons or further Coupons) and otherwise as the Issuer or such agent may require. Mutilated or defaced Notes, Certificates, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

Should any AMTN Certificate be lost, stolen, mutilated, defaced or destroyed, upon written notice of such having been received by the Issuer and the Australian Agent:

- (a) that AMTN Certificate will be deemed to be cancelled without any further formality; and
- (b) the Issuer will, promptly and without charge, issue and deliver, and procure the authentication by the Australian Agent of, a new AMTN Certificate to represent the holding of the AMTNs that had been represented by the original AMTN Certificate.

### 14 Further Issues

The Issuer may from time to time without the consent of the Noteholders, Receiptholders or Couponholders create and issue further securities either having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest on them) and so that such further issue shall be consolidated and form a single Series with the outstanding securities of any Series (including the Notes) or upon such terms as the Issuer may determine at the time of their issue. References in these Conditions to the Notes include (unless the context requires otherwise) any other securities issued pursuant to this Condition and forming a single Series with the Notes. Any further securities forming a single series with the outstanding securities of any Series (including the Notes) constituted by the Trust Deed or any deed supplemental to it shall, and any other securities may (with the consent of the Trustee), be constituted by the Trust Deed. The Trust Deed contains provisions for convening a single meeting of the Noteholders and the holders of securities of other Series where the Trustee so decides.

### 15 Notices

Notices to the holders of Registered Notes shall be mailed to them at their respective addresses in the Register and deemed to have been given on the fourth (or seventh if being given internationally) weekday (being a day other than a Saturday or a Sunday) after the date of mailing. Notices to the holders of Bearer Notes shall be valid if published in a daily newspaper of general circulation in Singapore (which is expected to be *The Business Times* but may be another leading daily English language newspaper with general circulation in Singapore) and so long as the Notes are listed on the Singapore Exchange Securities Trading Limited ("**SGX**") and the rules of the SGX so require, published on the website of the SGX ([www.sgx.com](http://www.sgx.com)). Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the first date on which publication is made, as provided above. Notices regarding AMTNs may also be published in a leading daily newspaper of general circulation in Australia. If so given, it is expected that such notices will be published in *The Australian Financial Review*. Any such notice will be deemed to have been given on the date of such publication.

## **16 Contracts (Rights of Third Parties) Act 1999**

No person shall have any right to enforce any term or condition of the Notes under (i) if the Notes are specified in the applicable Pricing Supplement as being governed by English law, the Contracts (Rights of Third Parties) Act 1999 or (ii) if the Notes are specified in the applicable Pricing Supplement as being governed by Singapore law, Contracts (Rights of Third Parties) Act, Chapter 53B of Singapore.

## **17 Governing Law and Jurisdiction**

Conditions 17(a), (b) and (c) do not apply to AMTNs.

- (a) **Governing Law:** The Trust Deed and, if the Notes are specified in the applicable Pricing Supplement as being governed by Singapore law, as supplemented by the Singapore Supplemental Trust Deed, the Notes, the Receipts, the Coupons and the Talons and any non-contractual obligations arising out of or in connection with them are governed by, and shall be construed in accordance with, English or Singapore law, as specified in the applicable Pricing Supplement, save that the provisions of the subordination Conditions in Conditions 3, 9(b)(ii) and 9(b)(iii) for Notes specified in the applicable Pricing Supplement as Subordinated Notes are in all cases governed by, and shall be construed in accordance with, Singapore law.
- (b) **Jurisdiction:** If the Notes are specified in the applicable Pricing Supplement as being governed by English law, the Courts of England, or if the Notes are specified in the applicable Pricing Supplement as being governed by Singapore law, the Courts of Singapore, are to have jurisdiction to settle any disputes that may arise out of or in connection with any Notes, Receipts, Coupons or Talons and accordingly any legal action or proceedings arising out of or in connection with any Notes, Receipts, Coupons or Talons (“**Proceedings**”) may be brought in such courts. For Notes for which English law is specified as the governing law in the applicable Pricing Supplement, the Issuer has in the Trust Deed irrevocably submitted to the jurisdiction of such courts and waives any objection to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. These submissions are made for the benefit of each of the holders of the Notes, Receipts, Coupons and Talons and shall not affect the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).
- (c) **Service of Process:** For Notes for which English law is specified as the governing law in the applicable Pricing Supplement, the Issuer has in the Trust Deed agreed that its branch in England shall accept service of process on its behalf in respect of any Proceedings in England. If such branch ceases to be able to accept service of process in England, the Issuer shall immediately appoint a new agent to accept such service of process in England.

(d) **AMTNs:**

- (i) The AMTNs, the Australian Agency Agreement and the Note (AMTN) Deed Poll shall be governed by the laws in force in New South Wales, Australia.
- (ii) The courts of New South Wales, Australia and the courts of appeal from them are to have non-exclusive jurisdiction to settle any disputes which may arise out of or in connection with them and any suit, action or proceedings arising out of or in connection with the AMTNs, the Australian Agency Agreement and the Note (AMTN) Deed Poll (together referred to as "**Australian Proceedings**") may be brought in such courts.
- (iii) For so long as any AMTNs are outstanding, the Issuer agrees that its Sydney branch in Australia shall accept service of process on its behalf in New South Wales, Australia in respect of any Australian Proceedings. In the event there is no such branch, the Issuer shall immediately appoint another agent to accept such service of process in Sydney.
