The following terms and conditions and any other rules, procedures or instructions which we may issue from time to time (collectively “Terms and Conditions”) shall apply to OCBC Cashflo Credit Card (“OCBC Cashflo Card”).

These Terms and Conditions together with the terms of the OCBC Cardmembers Agreement (as may be amended, modified and supplemented by OCBC from time to time) shall govern and apply to the OCBC Cashflo Card. In the event of any conflict or inconsistency between these Terms and Conditions and the OCBC Cardmembers Agreement, these Terms and Conditions shall prevail in so far as they relate to OCBC Cashflo Card.

All terms and references used in these Terms and Conditions and which are defined or construed in the OCBC Cardmembers Agreement but are not defined or construed in these Terms and Conditions shall have the same meaning and construction in these Terms and Conditions.

### 1 OCBC Cashflo Card

The OCBC Cashflo Card (“Card”) is a card bearing the name MasterCard and/or the service mark of MasterCard issued by Oversea-Chinese Banking Corporation Limited (“OCBC Bank”) (including any substitution, replacements or renewals thereof) which comes with the following features:

- (a) Interest Free Instalments Scheme over a period of 3, 6 or 12 months.
- (b) Spend on the Card would earn you cash rebates.

### 2 Interest Free Instalments Scheme (“Scheme”)

2.1 Under the Scheme, a Card Transaction with an amount equivalent to or above a pre-set Trigger Amount (as defined below) or, as the case may be, the Default Trigger Amount (as defined below) will automatically be split into 3, 6 or 12 instalments as per the table below.

The instalments are interest free and payable monthly over a period of 3, 6 or 12 months (each an “Instalment Period”).

Cash Transaction Amount	Instalment Period
< \$1,000	3 months
≥ \$1,000	6 months
> \$0 (Only eligible for premium payment on Selected Great Eastern Life and Great Eastern General plans)	12 months

2.2 You authorise us to pay the relevant merchant for your purchase of the relevant goods/services and to debit your Card Account for the purchase of the goods/services in the number of instalments as we may determine under the Scheme.

2.3 Your use of the Card to pay a merchant for purchase of any goods/services is subject to the approval and/or terms and conditions of the relevant merchant.

2.4 The first instalment payment will be charged immediately to your Card Account when you purchase the goods/services. Each subsequent instalment payment will be charged to your Card Account on or about the same day in each following month, until the purchase price or transaction amount has been completely charged to the Card Account.

2.5 Each of the instalment amounts charged to your Card Account will be deemed as a charge arising from and be payable by you as a Card Transaction under the Cardmembers Agreement.

2.6 To be eligible for the Scheme, you agree that the available credit limit on your Card Account (excluding any temporary credit line increase) ("Credit Limit") must be sufficient to block out the entire transaction amount at the time the Card Transaction is made. If the transaction amount exceeds the Credit Limit of your Card Account, the transaction amount will not be split into instalments and the full transaction amount will be charged to your Card Account.

2.7 You agree that the Credit Limit of your Card Account will be reduced by such portion of the transaction amount that is unpaid, although the same may not be posted to your Card Account as yet. Upon your payment of an instalment, your reduced Credit Limit may, at our discretion, be increased by such amount corresponding to the amount paid pursuant to such instalment amount.

2.8 If any instalment payment debited to your Card Account is not paid in full when due, you must pay us the finance charges, interest and fees on the outstanding amounts at our prevailing rate.

2.9 The Scheme is not applicable to any Cash Advance, Balance Transfer, Instalment Payment Plan, interest, fees and such other promotions and transactions as we may determine.

2.10 You will not be eligible to the Scheme if you have failed to make the full payment specified in your Billing Statement by payment due date.

2.11 We reserve the right to change the Scheme (including but not limited to the number of instalments and Instalment Period) in any manner as we deem fit without notice at any time or from time to time.

2.12 We reserve the right to exclude or reject any Card Transaction under the Scheme.

### **3 Trigger Amount**

3.1 You may specify a trigger amount to be applied for the Scheme ("Trigger Amount") in your application form subject to a minimum Trigger Amount of S\$100.

3.2 If no Trigger Amount is specified by you in the application form, we will default the Trigger Amount to S\$100 ("Default Trigger Amount").

3.3 If your specified Trigger Amount is lower than S\$100 or higher than the Credit Limit of your Card Account, the Trigger Amount to be applied for your Card under the Scheme will be set at S\$100.

3.4 All Trigger Amounts indicated must be to the nearest hundred dollars.

3.5 We reserve the right to vary the Default Trigger Amount without notice at any time or from time to time.

#### **4 Extension / Acceleration of Payments**

4.1 You may make an application, subject to a non-refundable processing fee, to extend time for your instalment payments at any time during the Instalment Period if the outstanding transaction amount is no less than S\$500. We must receive your application at least 7 business days before the date of your Billing Statement for that month to process your application. We accept applications made in writing or through telephone.

4.2 If your application for extension of time is received by using less than 7 business days from the date of your Billing Statement for that month, we will not include the monthly instalment due for that month in processing your application and will proceed to charge such instalment to your Card Account for that month. Your application for extension of time will be considered for the remaining instalments or the balance transaction amount which have yet to be posted to your Card Account.

4.3 Upon our approval of your application, you will pay the remaining instalments in such number and amount of instalment as we may specify ("Extended Instalments"). In addition, you will pay a one-off non-refundable processing fee at a rate as determined by us. The processing fee will be charged to and debited from your Card Account together with the next instalment payment.

4.4 The Extended Instalments will be charged to your Card Account and be treated the same way as any other Card Transaction charged to the Card Account.

4.5 We may at our discretion and without notice to you debit the whole balance of the transaction amount then outstanding to your Card Account, in which case such balance will be immediately due and payable by you.

4.6 You agree to pay us a non-refundable administrative fee of S\$150 (or at such rate as we may determine) if you terminate the Card Account or apply to accelerate payment of the whole balance of the transaction amount then outstanding. Such administrative fee is payable and not refundable if you subsequently retract your application, fail to pay the outstanding transaction amount or decide to continue with the Card Account.

4.7 In the event that any Insurance policy transaction placed on your Card is cancelled during the freelook period and/or pre-maturely terminated, regardless of whether the removal of such policy is initiated by you or the insurer, we reserve the right to accelerate payment of the whole balance of the transaction amount then outstanding to your Card Account, in which case such balance will be immediately due and payable by you.

5.12 We may, at our sole discretion and without notice, suspend the Card at any time.
