   (c) Investment Entity means any entity that conducts as a business (or is managed by an entity that conducts as a business) one or more of the three following activities or operations for or on behalf of a customer:

   (d) Specified Insurance Company means any entity that is an insurance company (or the holding company of an insurance company) that issues, or is obligated to make payments with respect to, a Cash Value insurance Contract or an Annuity Contract.

2. Tax residency is defined by each country’s local tax laws and may vary from that of another country. As such, it is possible for an entity or a person to be considered a tax resident in more than one jurisdiction. In the event of any doubt, please consult your tax advisor. Guidance on tax residency is also available at the following link: https://www.oecd.org/tax/automatic-exchange/crs-implementation-and-assistance/tax-residency/

3. Passive income refers generally to the portion of gross income that consists of: dividends (including substitute dividend payments); interest; income equivalent to interest; rents and royalties (other than those derived in the active conduct of a trade or business conducted, at least in part, by employees); annuities; net gains from the sale of property that gives rise to passive income; net gains from certain transactions in commodities; net foreign currency gains; net income from property transactions; and gains from the disposition of stock or securities.

4. Charity and Non-Profit Organisation means an entity that meets ALL of the following criteria:
   (a) It is established and operated in its jurisdiction of residence exclusively for religious, charitable, scientific, artistic, cultural, athletic, or educational purposes;
   (b) It is exempt from income tax in its country of residence;
   (c) It has no shareholders or members who have a proprietary or beneficial interest in its income or assets;
   (d) The applicable laws of the entity's country of residence or the entity's formation documents do not permit any income or assets of the entity to be distributed to, or applied for the benefit of, a private person or non-charitable entity other than pursuant to the conduct of the entity's charitable activities, or as payment of reasonable compensation for services rendered, or as payment representing the fair market value of property which the entity has purchased; and
   (e) The applicable laws of the entity's country of residence or the entity's formation documents require that, upon the entity's liquidation or dissolution, all of its assets be distributed to a governmental entity or other non-profit organisation, or escheat to the government of the entity's country of residence or any political subdivision thereof.

Where that entity is treated as a Passive Non-Financial Entity (“NFE”) then a Financial Institution must determine whether such Controlling Persons are Reportable Persons.
