BACKGROUND

On 5 March 2021, the FCA announced the future cessation or loss of representativeness of the 35 LIBOR benchmark settings currently published by ICE Benchmark Administration (“**IBA**”), the administrator of LIBOR, after taking into account the results of the consultation conducted by the IBA that closed on 25 January 2021 (the “**FCA Announcement**”). The FCA will now consult on requiring the IBA to continue to publish the 1-month, 3-month and 6-month GBP LIBOR settings for a further period following 31 December 2021 on a changed methodology (also known as a ‘synthetic’) basis. However, following the FCA Announcement, it is now certain that all GBP LIBOR settings will no longer be representative of the underlying market following 31 December 2021.

The Bank of England and the FCA have mandated a working group to promote a broad-based transition to the Sterling Overnight Index Average (“**SONIA**”) across sterling bond, loan and derivative markets to establish SONIA as the primary sterling interest rate benchmark by the end of 2021. Following the FCA Announcement, market participants are required to take active steps to implement the transition to SONIA ahead of this deadline to ensure that a sufficiently certain interest rate determination can continue to be delivered under instruments that continue to reference a GBP LIBOR setting.

On the basis that the Maturity Date (the Specified Interest Payment Date falling on or nearest to 14 March 2023) and the Extended Due for Payment Date (the Specified Interest Payment Date falling on or nearest to

14 March 2024) of the Covered Bonds fall after 2021, the Issuer has convened the Meeting for the purpose of enabling the Covered Bondholders to consider and, if they think fit, to approve the Covered Bondholder Proposal (as further described below) by way of an Extraordinary Resolution in relation to the Covered Bonds implementing a change in the Interest Basis specified in the Pricing Supplement of the Covered Bonds from ‘GBP LIBOR’ to ‘Compounded Daily SONIA’, the corresponding amendments to the existing Covered Bond Swap Confirmation relating to the Covered Bonds and such other ancillary changes as may be approved by the Bond Trustee and/or such other relevant party as are necessary to give effect to such proposals in full.

The pricing methodology proposed for the amendment of the Margin on conversion of the Interest Basis from ‘GBP LIBOR’ to ‘Compounded Daily SONIA’ uses only market observable screen spot rates. The Pricing Date has therefore been defined as a date relative to the relevant Specified Interest Payment Date from which the change in Interest Basis is proposed to occur. This is to ensure that the Pricing Date is set to a date that is as close as possible to the date on which the Interest Basis change becomes effective. The Pricing Date will, however, be set shortly prior to the date on which the change in Interest Basis is proposed to occur, in order to allow time for the necessary changes to be implemented following the determination of the Adjusted Margin (as defined below).

Copies of the draft Amendment Documents (as referred to in the Extraordinary Resolution below) have been reviewed by Moody’s Investors Service Limited (“**Moody’s**”) and Fitch Ratings Ltd. (“**Fitch**” and together with Moody’s, the “**Rating Agencies**”). Each of the Rating Agencies has, based on the information provided to it, raised no comments in respect of the Covered Bondholder Proposal and/or the Amendment Documents.

COVERED BONDHOLDER PROPOSAL

Pursuant to the above, the Issuer has convened a Meeting by the above Notice to request that Covered Bondholders consider and agree by Extraordinary Resolution to the matters contained in the Extraordinary Resolution set out below.

The Issuer, under the Covered Bondholder Proposal, is requesting that the Covered Bondholders consider and if thought fit, approve the Extraordinary Resolution. If approved by the Covered Bondholders, the Extraordinary Resolution will be binding on all Covered Bondholders, including those Covered Bondholders who do not vote in favour of the Extraordinary Resolution or who abstain from voting or do not vote in connection with the Extraordinary Resolution.

In order to implement the change in the Interest Basis applicable to the Covered Bonds from ‘GBP LIBOR’ to ‘Compounded Daily SONIA’:

- (a) The Rate of Interest for the Covered Bonds from and including the Effective Date (with the amount of interest based on such new Rate of Interest being paid on the Specified Interest Payment Date immediately following the Effective Date and on each subsequent Specified Interest Payment Date thereafter) will continue to be a floating rate and will be ‘Compounded Daily SONIA’ plus a Margin to be specified in the Amended and Restated Pricing Supplement (the “**Adjusted Margin**”). The detailed provisions relating to the calculation of ‘Compounded Daily SONIA’ are set out in Annex A to the Notice.
- (b) The Adjusted Margin in respect of the Covered Bonds shall be the sum of:
 - (i) the GBP LIBOR vs SONIA Interpolated Basis;
 - (ii) the current margin in respect of the Covered Bonds (i.e. 0.27 per cent.); and
 - (iii) (in the case of the Consent Conditions being satisfied at an adjourned Meeting) a forward adjustment spread to be determined by the Solicitation Agent at its sole discretion, subject to a minimum of 0.00 per cent. (the “**Forward Adjustment Spread**”) at the same time that the GBP LIBOR vs SONIA Interpolated Basis is

determined on the Pricing Date and announced in conjunction with the publication of the GBP LIBOR vs SONIA Interpolated Basis (and which would be specified in the notice of any such adjourned Meeting (to the extent that the Consent Solicitation has not otherwise been terminated)).

The detailed provisions relating to the adjustment of the Margin and the calculation of the GBP LIBOR vs SONIA Interpolated Basis by the Solicitation Agent are set out in Annex B to the Notice. In making any determinations and calculations as described in this Consent Solicitation Memorandum, the Solicitation Agent shall act in good faith and in a commercially reasonable manner and shall have no liability whatsoever for any determination or calculation made by it or otherwise any determination made in connection with the Covered Bonds.

The Adjusted Margin (which includes the GBP LIBOR vs SONIA Interpolated Basis) will be announced to Covered Bondholders in accordance with Condition 15 (*Notices*) as soon as practicable following the Pricing Time.

For the avoidance of doubt, the reference rate applicable to the Covered Bonds up to but excluding the Effective Date will continue to be 'GBP LIBOR' and the interest payment made on the Effective Date will not be affected by the pricing methodology described herein.

If there is an adjourned Meeting and to the extent that the Consent Solicitation is not otherwise terminated, the GBP LIBOR vs SONIA Interpolated Basis and/or the Adjusted Margin may be different to the amounts which would be calculated if the Extraordinary Resolution was passed (and the Eligibility Condition was satisfied) at the initial Meeting. In particular, the new Adjusted Margin will be the sum of (i) the GBP LIBOR vs SONIA Interpolated Basis, (ii) 0.27 per cent. and (iii) (in the case of the Consent Conditions being satisfied at an adjourned meeting) a Forward Adjustment Spread to be determined by the Solicitation Agent at its sole discretion, subject to a minimum of 0.00 per cent. The Forward Adjustment Spread will be determined at the same time that the GBP LIBOR vs SONIA Interpolated Basis is determined on the Pricing Date and (if applicable) announced in conjunction with the publication of the GBP LIBOR vs SONIA Interpolated Basis.

It is also proposed that the existing Covered Bond Swap Confirmation in respect of the Covered Bonds will be amended and restated between the Issuer (in its capacity as the Covered Bond swap provider) and the CBG pursuant to the Amended and Restated Covered Bond Swap Confirmation due to the expected discontinuation and/or loss of representativeness of 'GBP LIBOR', which will result in the existing Covered Bond Swap Confirmation being inoperable in its current form. The Amended and Restated Covered Bond Swap Confirmation contains consequential changes to facilitate the change from 'GBP LIBOR' to 'Compounded Daily SONIA'. The proposed amendments to the existing Covered Bond Swap Confirmation are to amend (i) the "Party A Floating (I) Rate Option: GBP-LIBOR-BBA" to "Party A Floating (I) Rate: Compounded Daily SONIA", (ii) the "Party A Floating (II) Rate Option: GBP-LIBOR-BBA" to "Party A Floating (II) Rate: Compounded Daily SONIA" and (iii) the 'Spread' under the headings "Party A Floating (I) Amounts" and "Party A Floating (II) Amounts" from "Plus 0.27%" to "Plus the Adjusted Margin (*to be calculated on the Pricing Date as set out in Annex B to the Notice*)%", in each case with effect from the Effective Date.

The Extraordinary Resolution, if passed, constitutes (amongst others) a direction by the Covered Bondholders to the Bond Trustee and the Security Trustee to consent to and to concur in the amendments to the Amended and Restated Pricing Supplement, the Conditions of the Covered Bonds, the Supplemental Trust Deed, the Amended and Restated Covered Bond Swap Confirmation and such other ancillary changes as may be approved by the Bond Trustee and/or such other relevant party as are necessary to implement relevant changes to the Covered Bonds and the related swap transaction in order to change the Interest Basis from 'GBP LIBOR' to 'Compounded Daily SONIA', as more fully set out in the Amendment Documents and as may be necessary to give effect to the Covered Bondholder Proposal.

The Covered Bondholder Proposal is being put to Covered Bondholders for the reasons set out in the Consent Solicitation Memorandum.

Covered Bondholders are referred to the Consent Solicitation Memorandum which provides further background to the Covered Bondholder Proposal and the reasons therefor.

CONSENT SOLICITATION

Covered Bondholders are further given notice that the Issuer has invited holders of the Covered Bonds (such invitation a “**Consent Solicitation**”) to consent to the approval, by Extraordinary Resolution at the Meeting, of the modification of the Conditions relating to the Covered Bonds as described in paragraph 1 of the Extraordinary Resolution set out below, all as further described in the Consent Solicitation Memorandum (as defined in paragraph 12 of the Extraordinary Resolution set out below).

The Consent Solicitation Memorandum and any other documents or materials relating to the Consent Solicitation are only for distribution or to be made available to persons who are (i) located and resident outside the United States, its territories and possessions and who are not U.S. persons (as defined in Regulation S under the United States Securities Act of 1933, as amended (the “**Securities Act**”)) or acting for the account or benefit of any U.S. person, (ii) eligible counterparties or professional clients (each as defined in the UK FCA Handbook Conduct of Business Sourcebook (“**COBS**”), Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (as amended) (the “**UK MiFIR**”) or Directive 2014/65/EU (as amended or superseded, “**MiFID II**”), as applicable) and, if applicable and acting on a non-discretionary basis, who is acting on behalf of a beneficial owner that is also an eligible counterparty or a professional client, in each case in respect of the Covered Bonds and (iii) otherwise a person to whom the Consent Solicitation can be lawfully made and that may lawfully participate in the Consent Solicitation (all such persons “**Eligible Covered Bondholders**”).

Subject to the restrictions described in the previous paragraph, Eligible Covered Bondholders may obtain from the date of this Notice a copy of the Consent Solicitation Memorandum from the Tabulation and Information Agent, the contact details for which are set out below. In order to receive a copy of the Consent Solicitation Memorandum, a Covered Bondholder will be required to provide confirmation as to his or her status as an Eligible Covered Bondholder.

INELIGIBLE COVERED BONDHOLDERS

Submission of Ineligible Covered Bondholder Instructions

Any Covered Bondholder that is not an Eligible Covered Bondholder (an “**Ineligible Covered Bondholder**”) may not participate in the Consent Solicitations. However, any Ineligible Covered Bondholder may deliver, or arrange to have delivered on its behalf, a valid Ineligible Covered Bondholder Instruction (as defined below).

In respect of any Covered Bonds held through Euroclear Bank SA/NV (“**Euroclear**”) or Clearstream Banking, S.A. (“**Clearstream**”), the submission of Ineligible Covered Bondholder Instructions will be deemed to have occurred upon receipt by the Tabulation and Information Agent from Euroclear or Clearstream, as applicable, of a valid instruction (an “**Ineligible Covered Bondholder Instruction**”) submitted in accordance with the requirements of Euroclear or Clearstream, as applicable. Each such Ineligible Covered Bondholder Instruction must specify, among other things, the aggregate principal amount of the Covered Bonds to which such Ineligible Covered Bondholder Instruction relates, the securities account number at Euroclear or Clearstream, as applicable, in which the Covered Bonds are held and whether the Ineligible Covered Bondholder wishes to instruct the Registered Holder to appoint one or more representatives of the Tabulation and Information Agent to attend the Meeting (via videoconference (failing which, teleconference)) (and any adjourned such Meeting) and vote in favour of or against, or abstain from voting in connection with, the Extraordinary Resolution. The receipt of such Ineligible Covered Bondholder Instruction by Euroclear or Clearstream, as applicable, will be acknowledged in accordance with the standard practices of Euroclear or Clearstream, as applicable, and will result in the blocking of the Covered Bonds in the relevant Ineligible Covered Bondholder’s account with Euroclear or Clearstream, as applicable, so that no transfers may be effected in relation to the Covered Bonds until the earlier of (i) the date on which the relevant Ineligible Covered Bondholder Instruction is validly revoked (including their automatic revocation on the termination of the Consent Solicitation) and (ii) the conclusion of the Meeting (or, if applicable, any adjourned Meeting).

Only Direct Participants (as defined under “ – *Voting and Quorum*” below) may submit Ineligible Covered Bondholder Instructions. Each beneficial owner of Covered Bonds who is an Ineligible Covered Bondholder and is not a Direct Participant, must arrange for the Direct Participant through which such beneficial owner of Covered Bonds who is an Ineligible Covered Bondholder holds its Covered Bonds to submit an Ineligible Covered Bondholder Instruction on its behalf to Euroclear or Clearstream, as applicable, before the deadlines specified by the relevant clearing system.

By delivering, or arranging for the delivery on its behalf, of an Ineligible Covered Bondholder Instruction in accordance with the procedures described below, a Covered Bondholder shall be deemed to agree, undertake, acknowledge and represent to the Issuer, the CBG, the Tabulation and Information Agent, the Bond Trustee, the Security Trustee, the Issuing and Paying Agent and the Solicitation Agent that at (i) the time of submission of such Ineligible Covered Bondholder Instruction, (ii) the Expiration Date and (iii) the time of the Meeting and at the time of the adjourned Meeting (and if a Covered Bondholder is unable to make any such acknowledgement or give any such representation or warranty, such Covered Bondholder or Direct Participant should contact the Tabulation and Information Agent immediately):

- (a) It is an Ineligible Covered Bondholder.
- (b) It is not a person or entity (a “**Person**”) (A) that is, or is directly or indirectly owned or controlled by a Person that is, described or designated in (i) the most current “Specially Designated Nationals and Blocked Persons” list (which as of the date hereof can be found at: <https://www.treasury.gov/ofac/downloads/sdnlist.pdf>) or (ii) the Foreign Sanctions Evaders List (which as of the date hereof can be found at: <http://www.treasury.gov/ofac/downloads/fse/fselist.pdf>) or (iii) the most current “Consolidated list of persons, groups and entities subject to EU financial sanctions” (which as of the date hereof can be found at: https://eeas.europa.eu/headquarters/headquarters-homepage_en/8442/Consolidated%20list%20of%20sanctions); or (B) that is otherwise the subject of any sanctions administered or enforced by any Sanctions Authority, other than solely by virtue of their

inclusion in: (i) the most current “Sectoral Sanctions Identifications” list (which as of the date hereof can be found at: <https://www.treasury.gov/ofac/downloads/ssi/ssilist.pdf>) (the “**SSI List**”), (ii) Annexes 3, 4, 5 and 6 of Council Regulation No. 833/2014, as amended from time to time including by Council Regulation No. 960/2014 and Council Regulation (EU) No 1290/2014 and Council Regulation (EU) No 2015/1797 (the “**EU Annexes**”), or (iii) any other list maintained by a Sanctions Authority, with similar effect to the SSI List or the EU Annexes. GENERAL INFORMATION

The attention of Covered Bondholders is particularly drawn to the quorum required for the Covered Bondholders Meeting and for any adjourned Meeting which is set out in paragraphs 1, 2, 3, 4, 5 and 6 of “– Voting and Quorum” below.

Due to the ongoing Covid-19 pandemic and in order to comply with the current (and/or future) measures imposed by relevant government to combat virus transmission, including restrictions on public gatherings, social distancing and restrictions on non-essential travel, the Meeting will be held via videoconference (failing which, teleconference) rather than at a designated place or address.

Those Covered Bondholders who have indicated that they wish to attend the Meeting (being held via videoconference (failing which, teleconference)) will be provided with further details about attending the Meeting.

Covered Bondholders who have requested that their votes are included in a valid electronic voting instruction to the relevant clearing system (a “Consent Instruction”) instructing the Registered Holder to appoint one or more representatives of the Tabulation and Information Agent as its proxy to attend the Meeting (and any adjourned Meeting) and to vote or to abstain from voting in the manner specified or identified in such Consent Instruction will be unaffected by these alternative regulations and will not be requested to take any further action. The Issuer will take appropriate steps to ensure that only those who would otherwise be entitled to attend and vote at a physical meeting will be entitled to attend the videoconference (failing which, teleconference).

VOTING AND QUORUM

Covered Bondholders who have submitted and not revoked (in the limited circumstances in which revocation is permitted) a valid Consent Instruction or Ineligible Covered Bondholder Instruction in respect of the Extraordinary Resolution which is received by the Tabulation and Information Agent by 4 p.m. London time (11 p.m. Singapore time) on 4 June 2021 (the “Expiration Deadline”), by which they will have given instructions for the appointment of one or more representatives of the Tabulation and Information Agent by the Registered Holder as their proxy to vote or to abstain from voting in the manner specified or identified in such Consent Instruction or Ineligible Covered Bondholder Instruction at the Meeting (or any adjourned such Meeting), need take no further action to be represented at the Meeting (or any such adjourned Meeting).

Covered Bondholders who have not submitted, or who have submitted and revoked, a Consent Instruction or Ineligible Covered Bondholder Instruction in respect of the Extraordinary Resolution by the Expiration Deadline should take note of the provisions set out below detailing how such Covered Bondholders can attend or take steps to be represented (via videoconference (failing which, teleconference)) at the Meeting (references to which, for the purposes of such provisions, include, unless the context otherwise requires, any adjourned such Meeting).

1. The provisions governing the convening and holding of the Meeting are set out in Schedule 3 (*Provisions for Meetings of Covered Bondholders*) to the Trust Deed, a copy of which is available for inspection by the Covered Bondholders from the Tabulation and Information Agent at <https://deals.lucid-is.com/ocbc> up to and including the date of the Meeting and at the Meeting.

A. Covid-19

Due to the ongoing Covid-19 pandemic and in order to comply with the current (and/or future) measures imposed by relevant government to combat virus transmission, including restrictions on public gatherings, social distancing and restrictions on non-essential travel, the Meeting will be held via videoconference (failing which, teleconference) rather than at a designated place or address.

Under the Trust Deed, subject to all other provisions therein, the Bond Trustee may prescribe such further regulations regarding the holding of meetings of Covered Bondholders and attendance and voting at them as the Bond Trustee may in its sole discretion determine.

All references in this Notice to attendance or voting “in person” shall refer to the attendance or voting at the Meeting by way of the videoconference (failing which, teleconference) facility.

The Meeting will be held via videoconference (failing which, teleconference) using a platform hosted by the chairman of the Meeting to allow attendees to participate electronically. Details for accessing the Meeting (or any adjourned Meeting) will be made available to proxies who have been duly appointed under a form of proxy or forms of proxy issued by the Registered Holder in accordance with the procedures set out in this Notice. Such proxies should contact the Tabulation and Information Agent (whose contact details are set out in this Notice) at least 24 hours before the Meeting in order to ensure that they are provided with the necessary information for attending and communicating their votes during the Meeting via videoconference (failing which, teleconference).

B. Voting procedures for the Meeting

All of the Covered Bonds are represented by a global certificate and are held by a common depository for Euroclear Bank SA/NV (“**Euroclear**”) and Clearstream Banking, S.A. (“**Clearstream**”). For the purpose of the Meeting, a “**Direct Participant**” shall mean each person who is for the time being shown in the records of Euroclear or Clearstream as the holder of a particular Principal Amount Outstanding of the Covered Bonds.

Each person (a “**beneficial owner**”) who is the owner of a particular principal amount of the Covered Bonds through Euroclear, Clearstream or a Direct Participant, should note that such person will not be a Covered Bondholder for the purposes of this Notice and will only be entitled to attend (via videoconference (failing which, teleconference)) and vote at the Meeting or appoint a proxy to do so in accordance with the procedures set out below and where a beneficial owner is not a Direct Participant it will need to make the necessary arrangements, either directly or with the intermediary through which it holds its Covered Bonds, for the Direct Participant to complete these procedures on its behalf by all applicable deadlines. On this basis, the only Covered Bondholder for the purposes of this Notice will be the registered holder of the global certificate which is The Bank of New York Depository (Nominees) Limited as nominee for the Clearing Systems (the “**Registered Holder**”).

The Registered Holder may by instrument in writing (a “**form of proxy**”) in the form available from the specified office of the Tabulation and Information Agent specified below signed by the Registered Holder and delivered to the specified office of the Registrar not less than 48 hours before the time fixed for the Meeting, appoint a proxy (a “**proxy**”) to act on his or its behalf in connection with the Meeting (or any adjourned such Meeting). A proxy so appointed shall so long as such appointment remains in force be deemed, for all purposes in connection with the meeting to be the holder of the Covered Bonds to which such appointment relates and the Registered Holder of the Covered Bonds shall be deemed for such purposes not to be the holder.

A Direct Participant or beneficial owner of Covered Bonds wishing to attend (via videoconference (failing which, teleconference)) the Meeting in person must produce at the Meeting a valid form of proxy issued by the Registered Holder relating to the Covered Bonds in respect of which such Direct Participant or beneficial owner wishes to vote. Alternatively, beneficial owners and Direct Participants who wish a different person to be appointed as their proxy to attend and vote at the Meeting (or any adjourned such meeting) should contact the relevant Clearing System to make arrangements for such person to be appointed as a proxy (by the Registered Holder) in respect of the Covered Bonds in which they have an interest for the purposes of attending and voting at the Meeting (or any adjourned such Meeting).

A Direct Participant not wishing to attend (via videoconference (failing which, teleconference)) the Meeting in person may (or the beneficial owner of the relevant Covered Bonds may arrange for the relevant Direct Participant on its behalf to) submit valid Consent Instructions and instruct the Registered Holder to appoint one or more representatives of the Tabulation and Information Agent as its proxy to attend (via videoconference (failing which, teleconference)) the Meeting (and any adjourned Meeting) and to vote or to abstain from voting in the manner specified or identified in such Consent Instructions in respect of the Extraordinary Resolution.

Beneficial owners or their Direct Participants must have made arrangements to vote with the relevant Clearing System by not later than 48 hours before the time fixed for the Meeting (or any adjourned such Meeting) and within the relevant time limit specified by the relevant Clearing System (who may set a significantly earlier deadline) and request or make arrangements for the relevant Clearing System to block the Covered Bonds in the relevant Direct Participant's account and to hold the same to the order or under the control of the Issuing and Paying Agent.

A Direct Participant whose Covered Bonds have been blocked will thus be able to procure that an electronic voting instruction is given in accordance with the procedures of the relevant Clearing System to the Issuing and Paying Agent.

Covered Bonds blocked as set out above will not be released until the earlier of (i) the date on which the relevant electronic voting and blocking instruction is validly revoked (including its automatic revocation on the termination of the Consent Solicitation); (ii) the conclusion of the Meeting (or, if applicable, any adjourned such Meeting); and (iii) not less than 48 hours before the time for which the Meeting (or, if applicable, any adjourned such Meeting) is convened, the notification in writing of any revocation of a Direct Participant's previous instructions to the Issuing and Agent.

Any electronic voting instructions given or forms of proxy submitted may not be revoked during the period starting 48 hours before the time fixed for the Meeting (or any adjourned such Meeting) and ending at the conclusion of such Meeting.

Covered Bondholders should note that the timings and procedures set out below reflect the requirements for Covered Bondholders' meetings set out in the Trust Deed, but that the Clearing Systems and the relevant intermediaries may have their own additional requirements as to timings and procedures for voting on the Extraordinary Resolution. Accordingly, Covered Bondholders wishing to vote in respect of the Extraordinary Resolution are strongly urged either to contact their custodian (in the case of a beneficial owner whose Covered Bonds are held in book-entry form by a custodian) or the relevant Clearing System (in the case of a Covered Bondholder whose Covered Bonds are held in book-entry form directly in the relevant Clearing System), as soon as possible.

2. The quorum at any Meeting for passing an Extraordinary Resolution shall (subject as provided below) be two or more Covered Bondholders holding or representing or being proxies or representatives and holding or representing in aggregate not less than 75 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds then outstanding. If a quorum is not present within 15 minutes (or such longer period not exceeding 30 minutes as the Chairman of the Meeting may decide) after the time fixed for a Meeting, the Meeting will be adjourned for such period being not less than 14 days nor more than 42 days, to be held via videoconference (failing which, teleconference). In addition, in the event that the quorum required for, and the requisite majority of votes cast at, the Meeting is satisfied but the Eligibility Condition in respect of such Meeting is not satisfied, the chairman of the Meeting (with the approval of the Bond Trustee) will adjourn the Meeting for such period being not less than 14 days nor more than 42 days, to be held via videoconference (failing which, teleconference). The Extraordinary Resolution will be considered at an adjourned Meeting (notice of which will be given to the Covered Bondholders). At any adjourned Meeting, two or more Covered Bondholders holding or being proxies or representatives and holding or representing in aggregate not less than 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds shall (subject as provided below) form a quorum and a majority in favour consisting of at least 75 per cent. of the votes cast at such adjourned meeting shall have the power to pass the Extraordinary Resolution.
3. To be passed at the Meeting, the Extraordinary Resolution requires a majority in favour consisting of at least 75 per cent. of the votes cast. The question submitted to the Meeting shall be decided in the first instance by a show of hands unless a poll is (before, or on the declaration of the result of, the show of hands) demanded by the chairman of the Meeting, the Issuer, the Bond Trustee or one or more persons representing 2 per cent. of the Covered Bonds. A declaration by the Chairman that a resolution has been carried or carried by a particular majority or lost or not carried by a particular majority shall

be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.

4. Any Principal Amount Outstanding of the Covered Bonds held by the Issuer and any of its subsidiaries or the CBG in each case as beneficial owner will be deemed not to remain outstanding for the purposes of the right to vote at the Meeting
5. The implementation of the Consent Solicitation and the Extraordinary Resolution will be conditional on:
 - (a) the passing of the Extraordinary Resolution; and
 - (b) the quorum required for, and the requisite majority of votes cast at, the Meeting being satisfied by Eligible Covered Bondholders, irrespective of any participation at the Meeting by Ineligible Covered Bondholders, including the satisfaction of such condition at an adjourned Meeting) (the “**Eligibility Condition**”),(together, the “**Consent Conditions**”).
6. If passed, the Extraordinary Resolution will be binding upon all the Covered Bondholders whether or not present at the Meeting and whether or not voting.

If, subject to Condition 4(n), in respect of any London Business Day in the relevant SONIA Observation Period, the Calculation Agent determines that the SONIA Reference Rate is not available on the Relevant Screen Page or has not otherwise been published by the relevant authorised distributors, such SONIA reference rate shall be:

the Calculation Agent shall, to the extent that it is reasonably practicable, follow such guidance in order to determine the SONIA rate for the purpose of the relevant Covered Bonds for so long as the SONIA Reference Rate is not available or has not been published by the authorised distributors.

In the event that the Rate of Interest cannot be determined in accordance with the foregoing provisions by the Calculation Agent, subject to Condition 4(n), the Rate of Interest shall be:

- (i) that determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum Rate of Interest or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum Rate of Interest or Minimum Rate of Interest (as specified on in the applicable Pricing Supplement) relating to the relevant Interest Accrual Period in place of the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to that last preceding Interest Accrual Period); or
- (ii) if there is no such preceding Interest Determination Date, the initial Rate of Interest which would have been applicable to such series of Covered Bonds for the first Interest Accrual Period had the Covered Bonds been in issue for a period equal in duration to the scheduled first Interest Accrual Period but ending on (and excluding) the Effective Date (but applying the Margin and any Maximum Rate of Interest or Minimum Rate of Interest applicable to the first Interest Accrual Period);

3. The following new Condition 4(n) shall be included in the Conditions for the purpose of this series of Covered Bonds only:

(n) Benchmark Discontinuation (General)

Where the Pricing Supplement specifies this Condition 4(n) as applicable:

(A) Independent Adviser

If a Benchmark Event occurs in relation to an Original Reference Rate when any Rate of Interest (or any component part thereof) remains to be determined by reference to such Original Reference Rate, the Issuer shall use its reasonable endeavours to appoint an Independent Adviser, as soon as reasonably practicable, to determine a Successor Rate, or failing which, an Alternative Rate (in accordance with Condition 4(n)(B)) and, in either case, an Adjustment Spread and any Benchmark Amendments (in accordance with Condition 4(n)(D)).

In making such determination, the Independent Adviser appointed pursuant to this Condition 4(n) shall act in good faith as an expert and in consultation with the Issuer. In the absence of bad faith or fraud, the Independent Adviser shall have no liability whatsoever to the Issuer, the Bond Trustee, the Paying Agents or the Covered Bondholders for any determination made by it, pursuant to this Condition 4(n).

If:

- (i) the Issuer is unable to appoint an Independent Adviser; or

- (ii) the Independent Adviser fails to determine a Successor Rate or, failing which, an Alternative Rate, in accordance with this Condition 4(n)(A) prior to the relevant Interest Determination Date,

the Rate of Interest applicable to the next succeeding Interest Accrual Period shall be equal to the Rate of Interest last determined in relation to the Covered Bonds in respect of the immediately preceding Interest Accrual Period. If there has not been a first Specified Interest Payment Date, the Rate of Interest shall be the initial Rate of Interest. Where a different Margin or Maximum Rate of Interest or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum Rate of Interest or Minimum Rate of Interest shall be substituted in place of the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to that last preceding Interest Accrual Period. For the avoidance of doubt, this paragraph shall apply to the relevant next succeeding Interest Accrual Period only and any subsequent Interest Accrual Periods are subject to the subsequent operation of, and to adjustment as provided in, the first paragraph of this Condition 4(n)(A).

(B) Successor Rate or Alternative Rate

If the Independent Adviser determines that:

- (i) there is a Successor Rate, then such Successor Rate and the applicable Adjustment Spread shall subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Covered Bonds (subject to the operation of this Condition 4(n)); or
- (ii) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate and the applicable Adjustment Spread shall subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Covered Bonds (subject to the operation of this Condition 4(n)).

(C) Adjustment Spread

The Adjustment Spread (or the formula or methodology for determining the Adjustment Spread) shall be applied to the Successor Rate or the Alternative Rate (as the case may be). If the Independent Adviser (in consultation with the Issuer) is unable to determine the quantum of, or a formula or methodology for determining, such Adjustment Spread, then the Successor Rate or Alternative Reference Rate (as applicable) will apply without an Adjustment Spread.

(D) Benchmark Amendments

If any Successor Rate or Alternative Rate and, in either case, the applicable Adjustment Spread is determined in accordance with this Condition 4(n) and the Independent Adviser (in consultation with the Issuer) determines:

- (i) that amendments to these Conditions and/or the Trust Deed are necessary to ensure the proper operation of such Successor Rate or Alternative Rate and/or (in either case) the applicable Adjustment Spread (such amendments, the “**Benchmark Amendments**”); and
- (ii) the terms of the Benchmark Amendments, then the Issuer shall, subject to giving notice thereof in accordance with Condition 4(n)(E), without any requirement for the consent or approval of the Covered Bondholders, the Bond Trustee or the Agents, vary these Conditions and/or the Trust Deed to give effect to such Benchmark Amendments with effect from the date specified in such notice.

At the request of the Issuer, but subject to receipt by the Bond Trustee of a certificate signed by two authorised signatories of the Issuer pursuant to Condition 4(n)(E), the Bond Trustee shall (at the expense of the Issuer), without any requirement for the consent or approval of the Covered Bondholders, be obliged to concur with the Issuer in effecting any Benchmark Amendments (including, inter alia, by the execution of a deed supplemental to or amending the Trust Deed), provided that the Bond Trustee shall not be obliged so to concur if in the opinion of the Bond Trustee doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend the protective provisions afforded to the Bond Trustee in these Conditions or the Trust Deed (including, for the avoidance of doubt, any supplemental trust deed) in any way.

For the avoidance of doubt, the Bond Trustee and the Issuing and Paying Agent shall, at the direction and expense of the Issuer, effect such consequential amendments to the Trust Deed, the Agency Agreement and these Conditions as may be required in order to give effect to this Condition 4(n)(D). Covered Bondholders' consent shall not be required in connection with the effecting of the Successor Rate or the Alternative Rate (as applicable) or such other changes, including the execution of any documents or any steps by the Bond Trustee or the Issuing and Paying Agent (if required). Further, none of the Bond Trustee, the Calculation Agent, the Paying Agents, the Registrars or the Transfer Agents shall be responsible or liable for any determinations or certifications made by the Issuer or the Independent Adviser with respect to any Successor Rate or Alternative Rate (as applicable) or any other changes and shall be entitled to rely conclusively on any certifications provided to each of them in this regard.

(E) Notices

Any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments, determined under this Condition 4(n) will be notified promptly by the Issuer to the Bond Trustee, the Calculation Agent, the Paying Agents and, in accordance with Condition 16, the Covered Bondholders. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any.

No later than notifying the Covered Bondholders of the same, the Issuer shall deliver to the Bond Trustee a certificate signed by two authorised signatories of the Issuer:

- (x) confirming
 - (i) that a Benchmark Event has occurred;
 - (ii) the Successor Rate or, as the case may be, the Alternative Rate;
 - (iii) the applicable Adjustment Spread; and
 - (iv) the specific terms of the Benchmark Amendments (if any),in each case as determined in accordance with the provisions of this Condition 4(n); and
- (y) certifying that the Benchmark Amendments (if any) are necessary to ensure the proper operation of such Successor Rate or Alternative Rate and (in either case) the applicable Adjustment Spread.

The Bond Trustee shall be entitled to rely on such certificate (without liability to any person) as sufficient evidence thereof. The Successor Rate, Alternative Rate, the Adjustment Spread or the Benchmark Amendments (if any) specified in such certificate will (in the absence of manifest error or bad faith in the determination of the Successor Rate, Alternative Rate, the Adjustment Spread or the Benchmark Amendments (if any) and without prejudice to the Bond Trustee's ability to rely on such

certificate as aforesaid) be binding on the Issuer, the Bond Trustee, the Calculation Agent, the Paying Agents and the Covered Bondholders.

(F) Survival of Original Reference Rate

Without prejudice to the obligations of the Issuer under Condition 4(n)(A), Condition 4(n)(B), 4(n)(C) and 4(n)(D), the Original Reference Rate and the fallback provisions provided for in Condition 4(b)(iii)(C) will continue to apply unless and until a Benchmark Event has occurred.

(G) Definitions:

As used in this Condition 4(n):

“**Adjustment Spread**” means either:

- (i) a spread (which may be positive, negative or zero); or
- (ii) a formula or methodology for calculating a spread, in each case to be applied to the Successor Rate or the Alternative Rate (as the case may be) and is the spread, formula or methodology which:
 - (x) in the case of a Successor Rate, is formally recommended in relation to the replacement of the Original Reference Rate with the Successor Rate by any Relevant Nominating Body; or (if no such recommendation has been made, or in the case of an Alternative Rate);
 - (y) the Independent Adviser determines as being customarily applied to the relevant Successor Rate or the Alternative Rate (as the case may be) in international debt capital markets transactions to produce an industry-accepted replacement rate for the Original Reference Rate; or (if the Independent Adviser determines that no such spread is customarily applied);
 - (z) the Independent Adviser (in consultation with the Issuer) determines, and which is recognised or acknowledged as being the industry standard for over-the-counter derivative transactions which reference the Original Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate (as the case may be).

“**Alternative Rate**” means an alternative benchmark or screen rate which the Independent Adviser determines in accordance with Condition 4(n)(B) is customarily applied in international debt capital markets transactions for the purposes of determining rates of interest (or the relevant component part thereof) in the same Specified Currency as the Covered Bonds.

“**Benchmark Amendments**” has the meaning given to it in Condition 4(n)(D).

“**Benchmark Event**” means:

- (i) the Original Reference Rate ceasing to be published for a period of at least five Business Days or ceasing to exist; or
- (ii) a public statement by the administrator of the Original Reference Rate that it has ceased or that it will cease publishing the Original Reference Rate permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue

publication of the Original Reference Rate) and such cessation is reasonably expected by the Issuer to occur prior to the Maturity Date; or

- (iii) a public statement by the supervisor of the administrator of the Original Reference Rate, that the Original Reference Rate has been or will be permanently or indefinitely discontinued and such discontinuation is reasonably expected by the Issuer to occur prior to the Maturity Date; or
- (iv) a public statement by the supervisor of the administrator of the Original Reference Rate as a consequence of which the Original Reference Rate will be prohibited from being used either generally, or in respect of the Covered Bonds and such prohibition is reasonably expected by the Issuer to occur prior to the Maturity Date; or
- (v) a public statement by the supervisor of the administrator of the Original Reference Rate that the Original Reference Rate is or will be (or is or will be deemed by such supervisor to be) no longer representative of its relevant underlying market; or
- (vi) it has become unlawful for any Paying Agent, Calculation Agent, the Issuer or other party to calculate any payments due to be made to any Covered Bondholder using the Original Reference Rate,

provided that the Benchmark Event shall be deemed to occur (a) in the case of sub-paragraphs (ii) and (iii) above, on the date of the cessation of publication of the Original Reference Rate or the discontinuation of the Original Reference Rate, as the case may be, (b) in the case of sub-paragraph (iv) above, on the date of the prohibition of use of the Original Reference Rate and (c) in the case of sub-paragraph (v) above, on the date with effect from which the Original Reference Rate will no longer be (or will be deemed by the relevant supervisor to no longer be) representative of its relevant underlying market and which is specified in the relevant public statement, and, in each case, not the date of the relevant public statement.

The occurrence of a Benchmark Event shall be determined by the Issuer and promptly notified to the Bond Trustee, the Calculation Agent and the Paying Agent. For the avoidance of doubt, none of the Bond Trustee, the Calculation Agent or the Paying Agents shall have any responsibility for making such determination.

“Independent Adviser” means an independent financial institution of international repute or an independent financial adviser with appropriate expertise appointed by and at the expense of the Issuer under Condition 4(n)(A).

“Original Reference Rate” means the originally-specified benchmark or screen rate (as applicable) used to determine the Rate of Interest (or any component part thereof) on the Covered Bonds.

“Relevant Nominating Body” means, in respect of a benchmark or screen rate (as applicable):

- (i) the central bank for the currency to which the benchmark or screen rate (as applicable) relates, or any central bank or other supervisory authority which is responsible for supervising the administrator of the benchmark or screen rate (as applicable); or
- (ii) any working group or committee sponsored by, chaired or co-chaired by or constituted at the request of:
 - (w) the central bank for the currency to which the benchmark or screen rate (as applicable) relates;

- (x) any central bank or other supervisory authority which is responsible for supervising the administrator of the benchmark or screen rate (as applicable);
- (y) a group of the aforementioned central banks or other supervisory authorities; or
- (z) the Financial Stability Board or any part thereof.

“Successor Rate” means a successor to or replacement of the Original Reference Rate which is formally recommended by any Relevant Nominating Body.

ANNEX B

MARGIN ADJUSTMENT

1. Rationale for the Covered Bondholder Proposal

The pricing methodology proposed for the amendment of the Margin on conversion of the Interest Basis from ‘GBP LIBOR’ to ‘Compounded Daily SONIA’ uses only market observable screen spot rates.

The date from which the proposed change in reference rate is to occur will be the Effective Date (which shall be 14 June 2021 in the case of the Consent Conditions being satisfied at the initial Meeting), except where there is an adjournment of the Meeting, in which case the Effective Date will be the Specified Interest Payment Date immediately following the satisfaction of the Consent Conditions.

The determination of the relevant market observable screen spot rates will take place at or around 2 p.m. London time (9 p.m. Singapore time) (the “**Pricing Time**”) on 9 June 2021 (the “**Pricing Date**”, except where there is an adjournment of the Meeting, in which case the Pricing Date will be specified in the notice of the adjourned Meeting). This is to ensure that the Pricing Date is as close as possible to the Effective Date whilst allowing sufficient time for the necessary changes to be implemented following the determination of the Adjusted Margin.

For the avoidance of doubt, the reference rate applicable to the Covered Bonds up to but excluding the Effective Date will continue to be ‘GBP LIBOR’.

If there is an adjourned Meeting and to the extent that the Consent Solicitation is not otherwise terminated, the GBP LIBOR vs SONIA Interpolated Basis and/or the Adjusted Margin may be different to the amounts which would be calculated if the Extraordinary Resolution was passed (and the Eligibility Condition was satisfied) at the initial Meeting. In particular, the new Adjusted Margin will be the sum of (i) the GBP LIBOR vs SONIA Interpolated Basis (ii) 0.27 per cent. and (iii) (in the case of the Consent Conditions being satisfied at an adjourned meeting) a Forward Adjustment Spread to be determined by the Solicitation Agent at its sole discretion, subject to a minimum of 0.00 per cent (the “**Forward Adjustment Spread**”). The Forward Adjustment Spread will be determined at the same time that the GBP LIBOR vs SONIA Interpolated Basis is determined on the Pricing Date and (if applicable) announced in conjunction with the publication of the GBP LIBOR vs SONIA Interpolated Basis.

Notwithstanding the provisions for determining a Forward Adjustment Spread in connection with an adjourned Meeting, if the initial Meeting is adjourned for want of quorum, the Issuer may elect to terminate the Consent Solicitation prior to the adjourned Meeting with the result that the Covered Bondholder Proposal (including with respect to the determination of any Forward Adjustment Spread) is not adopted (as implementation of the Extraordinary Resolution is conditional on the Consent Solicitation not having been terminated).

2. The Adjusted Margin

The Adjusted Margin in respect of the Covered Bonds shall be the sum of:

- (a) the GBP LIBOR vs SONIA Interpolated Basis;
- (b) the current margin in respect of the Covered Bonds (i.e. 0.27 per cent.); and
- (c) (in the case of the Consent Conditions being satisfied at an adjourned Meeting) the Forward Adjustment Spread,

where:

“GBP LIBOR vs SONIA Interpolated Basis” is a number of basis points rounded to the nearest 0.1 basis points (with 0.05 basis points rounded upwards) as calculated by the Solicitation Agent on the Pricing Date by means of linear interpolation to the Maturity Date of the 1 Year GBP LIBOR vs SONIA Basis v the 2 Year GBP LIBOR vs SONIA Basis as follows:

On the Pricing Date the Solicitation Agent will determine:

- (i) the 1 Year GBP LIBOR vs SONIA Basis (as quoted on the Bloomberg page ICAB9 at or around the Pricing Time), or such other page as may replace it on that information service, or on such similar or replacement service as may be determined by the Solicitation Agent; and
- (ii) the 2 Year GBP LIBOR vs SONIA Basis (as quoted on the Bloomberg page ICAB9 at or around the Pricing Time) or such other page as may replace it on that information service, or on such similar or replacement service as may be determined by the Solicitation Agent.

Thereafter the Solicitation Agent will calculate the linear interpolation to the Maturity Date of the Covered Bonds (being the GBP LIBOR vs SONIA Interpolated Basis) by:

- (iii) subtracting (i) above from (ii) above and multiplying the result of such subtraction by the Maturity Weight (and rounding the result of such multiplication to the nearest 0.1 basis points); and
- (iv) adding (i) above to the result calculated in accordance with subparagraph (iii) above,

and for the purposes of this calculation:

“Maturity Weight” means the amount, expressed as a percentage, calculated by dividing the actual number of days from (and including) the date falling exactly 1 year after the Pricing Date to (but excluding) the Maturity Date of the Covered Bonds by 365; and

“Forward Adjustment Spread” is a number calculated by the Solicitation Agent in accordance with market practice, reflecting the forward starting nature of the next Specified Interest Payment Date relative to the Pricing Date, being the amount so calculated by the Solicitation Agent at or around the Pricing Time on the Pricing Date (and subject to a minimum of 0.00 per cent.) and announced to Covered Bondholders in accordance with Condition 15 (*Notices*) as soon as practicable following the Pricing Time on the Pricing Date.

The Adjusted Margin will be announced to Covered Bondholders in accordance with Condition 15 (*Notices*) as soon as practicable following the Pricing Time on the Pricing Date.

In making any determinations and calculations as described in this Consent Solicitation Memorandum, the Solicitation Agent shall act in good faith and in a commercially reasonable manner and shall have no liability whatsoever for any determination or calculation made by it or otherwise any determination made in connection with the Covered Bonds.
