OCBC PRICES S\$550,000,000 4.50 PER CENT. PERPETUAL CAPITAL SECURITIES FIRST CALLABLE IN 2029

Oversea-Chinese Banking Corporation Limited (“**OCBC**” or the “**Bank**”) has priced S\$550,000,000 4.50 per cent. perpetual capital securities first callable in 2029 (“**Capital Securities**”) under its U.S.\$30 billion Global Medium Term Note Program. The Capital Securities are intended to qualify as Additional Tier 1 capital of the Bank under the requirements of the Monetary Authority of Singapore (“**MAS**”). The net proceeds from the issue of the Capital Securities will be used for the general corporate purposes of OCBC.

The Capital Securities may, subject to MAS approval, be redeemed at the option of the Bank: (i) on 15 February 2029 (the “**First Reset Date**”) or any distribution payment date falling after the First Reset Date; (ii) upon the occurrence of a tax event; or (iii) if the Capital Securities would no longer qualify as eligible capital. The terms of the Capital Securities may also be varied, subject to MAS approval, so that the Capital Securities remain as Additional Tier 1 capital of the Bank. As a Basel III capital instrument, if the Bank is determined by the MAS to be non-viable, the Capital Securities will be written off in whole or in part. In addition, the Capital Securities may be subject to cancellation, modification, conversion, change in form, or have the effect as if a right of modification, conversion, or change of form had been exercised by the MAS in the exercise of the MAS’s powers under Division 4A of Part IVB of the Monetary Authority of Singapore Act 1970 of Singapore without prior notice.

The Capital Securities will confer a right on the holder to receive distributions semi-annually in arrear at a fixed rate of 4.50 per cent. per annum from the issue date to the First Reset Date. If the Capital Securities are not redeemed on the First Reset Date, the distribution rate will be reset on the First Reset Date and every five years thereafter to a fixed rate per annum equal to the aggregate of the then-prevailing 5-year SORA-OIS and the initial spread of 1.3348 per cent. Distributions may be cancelled by the Bank at its sole discretion, subject to the provisions of the Capital Securities. The Bank is also not obliged to pay distributions to holders under certain circumstances. Any distributions which are not paid, in accordance with the terms and conditions of the Capital Securities, are non-cumulative and will not compound.

OCBC is the sole lead manager and bookrunner for this issue.

The Capital Securities are expected to be rated Baa1 by Moody’s Investors Service, BBB- by Standard & Poor’s Rating Services and BBB+ by Fitch Ratings Ltd, and to be issued on 15 August 2023. Application will be made for the listing of the Capital Securities on the Singapore Exchange Securities Trading Limited (the “**SGX-ST**”) and the Capital Securities are expected to be listed on the SGX-ST on 16 August 2023. The SGX-ST assumes no responsibility for the correctness of any of the statements made or opinions or reports contained herein. Admission of the Capital Securities to the Official List of the SGX-ST is not to be taken as an indication of the merits of OCBC or the Capital Securities.

Not for distribution, directly or indirectly, in or into the United States.
