Cancer Benefit

We will pay the cancer benefit according to the plan type in one lump sum, if the life assured is diagnosed for the first time in the life assured's lifetime as suffering from any one of the Early, Intermediate or Major stages of cancer listed below. The policy will then terminate.

Early Cancer: Carcinoma in situ	Intermediate Cancer: Carcinoma in situ of Specified Organs treated with Radical Surgery	Major Cancer*
<p>Carcinoma in situ means the focal autonomous new growth of carcinomatous cells confined to the cells in which it originated and has not yet resulted in the invasion and/or destruction of surrounding tissues. 'Invasion' means an infiltration and/or active destruction of normal tissue beyond the basement membrane. The diagnosis of the Carcinoma in situ must always be supported by a histo-pathological report. Furthermore, the diagnosis of Carcinoma in situ must always be positively diagnosed upon the basis of a microscopic examination of the fixed tissue, supported by a biopsy result.</p> <p>Early Prostate Cancer Prostate cancer that is</p>	<p>The actual undergoing of a Radical Surgery to arrest the spread of malignancy in that specific organ, which must be considered as appropriate and necessary treatment. "Radical Surgery" is defined in this policy as the total and complete removal of one (1) of the following organs: breast (mastectomy), prostate (prostatectomy), corpus uteri (hysterectomy), ovary (oophorectomy), fallopian tube (salpingectomy), colon (at least partial colectomy with end to end anastomosis) or stomach (at least partial gastrectomy with end to end anastomosis). Apart from the colon and stomach, partial removal of</p>	<p>A malignant tumour positively diagnosed with histological confirmation and characterised by the uncontrolled growth of malignant cells with invasion and destruction of normal tissue.</p> <p>The term Major Cancer includes, but is not limited to, leukemia, lymphoma and sarcoma. Major Cancer diagnosed on the basis of finding tumour cells and/or tumour-associated molecules in blood, saliva, faeces, urine or any other bodily fluid in the absence of further definitive and clinically verifiable evidence does not meet the above definition.</p> <p>For the above definition, the following are excluded:</p> <ul style="list-style-type: none"> • All tumours which are histologically classified as

Terms of Renewal

We reserve the right to amend the terms and conditions of this policy provided that (a) the amendment(s) take effect on the Renewal Date; (b) the amendment(s) apply to all policies of this class of insurance; and (c) we have informed you of the amendment(s) at least 45 days before the Renewal Date. The receipt of the renewal premium by us shall be construed as an acceptance of the amended terms and conditions by you.

Please keep this copy for reference.

When will you not receive the benefits of this plan?

There are certain situations whereby the benefits under this plan will not be payable. These are stated as exclusions in the policy contract.

You are advised to read the policy contract for the full list of exclusions.

We will not pay the benefit for:

- (a) Any Cancer (Early, Intermediate or Major), if the diagnosis of the Cancer (Early, Intermediate or Major) or undergoing of such medical procedure which is regarded as a Cancer (Early, Intermediate or Major) condition was made within ninety (90) days from any of the following:
 - (i) the date of issue of the policy; and
 - (ii) the date of reinstatement of the policy (if applicable).
- (b) Any Cancer (Early, Intermediate or Major) caused directly or indirectly by any of the following:
 - (i) a pre-existing condition which is related to the Cancer (Early, Intermediate or Major) that is the subject of a claim under this policy;
 - (ii) alcohol or drug abuse;
 - (iii) any congenital anomaly or defect.

How do you define Pre-Existing Condition?

Any condition which existed prior to the Policy Issue Date or the date of any reinstatement (if applicable) of this Policy and for which:

- (a) symptoms of the condition existed that would cause an ordinarily prudent person to seek diagnosis, care or treatment; or
- (b) medical advice or treatment was recommended by or received from a Medical Practitioner; or
- (c) the life assured has undergone medical tests or investigations.

Will we change your premium rates for this plan?

Please note that premium rates for the policy are not guaranteed. These rates may be adjusted based on future experience.

We reserve the right to amend the terms and conditions of this policy provided that (a) the amendment(s) take effect on the Renewal Date; (b) the amendment(s) apply to all policies of this class of insurance; and (c) we have informed you of the amendment(s) at least 45 days before the Renewal Date. The receipt of the renewal premium by us shall be construed as an acceptance of the amended terms and conditions by you.

Risks of this plan

What happens if you surrender the policy early?

There will be no protection if you surrender this policy early. As this product has no savings or investment feature, there is no cash value if the policy ends or if the policy is terminated prematurely.

Buying a new policy may mean we need to reassess the life assured's health and circumstances and may result in higher premiums and/or benefit exclusions due to the age and health status.

Please keep this copy for reference.

What happens if you do not pay your premiums on time?

If you do not pay your premiums on time, your policy will lapse (after 30 days grace period). However, reinstatement of the policy is allowed within 6 months from the lapse date and the usual reinstatement conditions apply.

What happens if your policy lapses?

There will be no protection under the policy if your policy lapses.

What are the risks that we will refuse your claim?

The claim must meet the terms as shown in the policy contract before we can approve a claim.

We may reject your claim if the life assured has a pre-existing condition and:

- has not declared it in the proposal form as required for a new policy (if applicable); or
- has not declared it in the reinstatement form as required for a reinstatement (if applicable); or
- has not declared it in the application form as required for an increase in the sum assured (if applicable).

You are advised to read the policy contract for the exact definitions, terms and conditions and full list of exclusions.

When will your policy be terminated?

The policy will terminate on the earliest of the following dates:

- (a) when the cancer benefit claim is admitted;
- (b) when we receive your request to terminate this policy in writing;
- (c) when the premium has not been paid at the end of the grace period;
- (d) the policy anniversary on which the life assured's age next birthday is eighty-five (85) years;
- (e) the life assured dies; or
- (f) when this policy lapses or is otherwise terminated.

If the premiums paid for this policy after it has been terminated, the fact that the Company has received the premiums does not mean that this policy continues to be in force. The Company's only obligation is to refund such premium.

You are advised to read the policy contract for the detailed terms and conditions.

What is the free-look period?

After purchasing an insurance policy, you have a 14-day free-look period starting from the day you receive your policy documents to review the documents carefully. During this time, if you choose to cancel your policy, we will refund you the premiums you have paid, less any medical fees and other expenses, such as payments for medical check-ups and medical reports, incurred by us.

If your policy document is sent by post, we will assume it has been delivered and received 7 days after the date of posting.

Please keep this copy for reference.

Total Distribution Cost(TDC)

The Total Distribution Cost of this product is 56% of premium for the first year and 15% of premiums for renewal years.

The Total Distribution Cost is not an extra cost to you. We have already included it when calculating your premium.

Policy Owners' Protection Scheme

This policy is protected under the Policy Owners' Protection Scheme which is administered by the Singapore Deposit Insurance Corporation (SDIC).
