Investment Business

Our capacity in various transactions

Unless otherwise notified to you, the Bank will assume the position of counterparty to you, and deal with you as principal, in any contract or transaction which you have instructed the Bank to effect. The Bank will act as your agent in contracts or transactions relating to securities which are traded on an exchange units in unit trusts and interests in mutual funds.

Our affiliation with product issuers and fund houses

The Bank may distribute products issued by OCBC and other affiliates of the Bank (e.g. Lion Global Investors Limited) [collectively the "Group"] which in turn may be entitled to separate commissions. The Bank may recommend and/or effect transactions in which the Group has, directly or indirectly, an interest. For example, companies in the Group may have banking, advisory or other relationships and arrangements with companies whose securities are purchased and sold for your account.

Disclosure of monetary and non-monetary benefits in relation to product distribution

The Bank may receive commissions, fees, rebates or non-monetary benefits (such as free security price quotations, research publications and invitations to seminars) from any counterparty, broker, agent or another company within the Group in respect of any trades, transactions or services effected for you. You agree that the Bank is entitled to retain such commissions, fees, rebates and non-monetary benefits. The fees and charges set out below are not exhaustive. In exceptional cases, the fees and charges for certain specialised products may fall outside the scope of those listed below, and in such event, you will be notified accordingly.

Where the Bank acts as principal and not as agent to you

Where the Bank acts as principal, the Bank and other affiliates of the Bank will benefit from your purchase/sale of the product. Fees and charges incurred by the Bank and other affiliates of the Bank as well as profit margins, if any, are inherently contained and subsumed into the calculation of the interest rate, interest amounts and/or other variables of the relevant product.

In instances where the Bank is able to execute the trade at a more favorable price / parameter(s) than the price / parameter(s) quoted to and confirmed with you, the full benefits will be passed back to you in a manner determined by the Bank at its sole discretion.
