- iv. Notwithstanding anything to the contrary:
  1. where the Available Limit is equivalent to or more than the Facility Amount, you are only allowed to draw up to the Facility Amount; or
  2. where the Available Limit is less than the Facility Amount, the Bank will only disburse up to the Available Limit. c. Tenor

The Facility is subject to periodic review and repayable on demand by the Bank. The Facility is an uncommitted facility and the Bank reserves the right, notwithstanding any provisions to the contrary, express or implied, contained herein or otherwise, to vary any or all of the terms and conditions of the Facility granted to you at any time or to reduce or cancel the Facility at any time. Any variation, reduction or cancellation of the Facility by the Bank shall take effect on the date specified by the Bank to you. Nothing contained herein shall be deemed to impose on the Bank any obligations either at law or in equity to make or continue to make the Facility available to you.

d. Interest Rate

- i. The interest rate applicable for the Facility is the aggregate of the Bank's margin and the Bank's prevailing cost of funds (the "COF") for the Applicable Interest Period (as defined in Clause 5(c) below), each as determined by the Bank and (in the case of the margin) notified to you at each drawdown and thereafter (if required) from time to time.
- ii. The applicable COF shall remain fixed and apply throughout each Applicable Interest Period save as varied in accordance with these MCST Terms and Conditions.

- iii. On each Business Day (as defined below) immediately following the end of each Applicable Interest Period (each such date being referred to as the “**Review Date**”), the prevailing COF, as determined by the Bank in its sole discretion, shall automatically apply for the Applicable Interest Period within which such Review Date falls, unless instruction to vary the Applicable Interest Period is received by the Bank from you at least 3 Business Days (as defined below) prior to that Review Date. In these MCST Terms and Conditions, “**Business Day**” shall mean a day on which commercial banks are open for business in Singapore.
  - iv. The applicable COF for each Applicable Interest Period shall be the prevailing COF on: (i) (in the case of the first Applicable Interest Period) the date of loan disbursement, or (ii) (in the case of each subsequent Applicable Interest Period) on each Review Date.
  - v. Where applicable, all interest shall be calculated on a monthly rest basis and on the outstanding drawing(s) under the Facility, on the basis of the number of days elapsed and a 360/365-day year (depending on the currency in which the relevant advance is made) at the discretion of the Bank. This shall commence to be payable from and including the date of first disbursement of the Facility, whether in full or in part, and irrespective of whether monthly instalments have commenced.
  - vi. The rate(s) applicable to the Facility shall hereinafter be referred to as the “**Prescribed Rate**”. The Bank shall, at its discretion at any time upon notification (but without your consent), be entitled to revise the Prescribed Rate, the periodic rates applicable to the Facility, and the commission, fee or Bank charges in respect thereof. Such notification shall be conclusive and binding on you.
- e. Default interest
- i. For the purposes of this clause, “**Prime Lending Rate**” means on any day the rate per annum which is the prime lending rate of the Bank as announced by the Bank from time to time, in force on such day and for the purposes of these MCST Terms and Conditions, a change in such rate shall be effective on and from the day on which it is announced or if such announcement provides for such change to come into effect on a later day, on and from such later day.
  - ii. Default interest shall be payable at the rate of 4.75% per annum over the Bank’s prevailing Prime Lending Rate or such other rates as may be determined by the Bank in its sole discretion on:
    - 1. any part of the Facility which is not paid on demand; and
    - 2. any utilisation in excess of the approved limit of the Facility.
- f. Repayment
- i. All outstanding amounts under the Facility together with all interest accrued thereon shall be fully repaid on demand by the Bank. Without prejudice to the aforesaid, each advance is to be repaid on its maturity date or rolled over at the Bank’s absolute discretion. Amounts drawn under the Facility can only be repaid and/or redrawn on their respective maturity

dates. All outstanding loans under the Facility together with all interest accrued thereon shall be fully repaid on demand.

- ii. If any of the investments provided to the Bank as collateral (the “**Investments**”) matures or is terminated or sold before the maturity date of an advance, all proceeds received from the maturity, termination or sale of the Investments (the “**Proceeds**”) shall continue to be charged to the Bank as security for all outstanding amounts owing by you to the Bank. For the avoidance of doubt, the Bank may at its sole and absolute discretion (and shall not be obliged to) apply all or any part of the Proceeds to repay such advance immediately. For the further avoidance of doubt, if the Bank at its absolute discretion (the Bank not being obliged to) decides to apply any part of the Proceeds to repay the said advance, any balance of any Proceeds not so applied to the repayment as aforesaid shall continue to be charged to the Bank. If the Proceeds are not denominated in the same currency as the advance made, any risk or loss arising from any conversion of currency or from fluctuation of the rate of exchange shall be borne solely by you.
- iii. On the maturity date, termination or early repayment of each advance, you shall pay the interest accrued on such advance at the applicable Prescribed Rate.

## 2. Security

### a. Security

The Facility will be secured by (1) the security as set out in the Application under the section “Collateral Details” and (2) any other security granted by you in favour of the Bank from time to time (the security in (1) and (2) are hereafter referred to as the “**Security**”). In addition, you undertake to (and to procure any other party providing Security to):

- ii. execute any transfer or other forms and notices as may be required by the Bank from time to time in favour of the Bank or such other party as the Bank may in its absolute discretion direct or nominate and deliver the certificates relating to the Security to the Bank or to its nominee(s); and
- iii. from time to time as may be required by the Bank, execute a letter of consent in respect of outsourcing by the Bank of its depository agent’s activities and appointment of sub-custodian.

### b. Security Top-Up

- i. The Security is provided as additional security to all credit facilities granted to you by the Bank. In the event that you default under any credit facilities granted by the Bank, the Bank may (the Bank not being obliged to) enforce its rights over any one or a combination of all of the Security provided under these MCST Terms and Conditions without further reference to you.

- ii. Neither the total outstanding nor the limit of the Facility shall at any time exceed the stipulated percentage of the market value of the deposits, shares, stocks, bonds, unit trusts and any other financial assets (together with all attendant rights, income, dividends, and interests) as the Bank may determine at its sole discretion. Otherwise, you will have to top-up by providing additional collateral acceptable to the Bank and/or reduce the total outstanding and/or the facility limit within such period as the Bank may in its absolute discretion determine and notify to you.

### 3. Basis of Availability

- a. For the purposes of this Clause 3:
  - i. **“Loan-to-Security Ratio”** means the ratio of the loan amount to the Total Recognised Value of Security at any given point in time as determined by the Bank;
  - ii. **“Total Recognised Value of Security”** means the relevant portion of the total value of all security provided to the Bank that is recognised by the Bank as security for the Facility;
  - iii. **“First LTSR Breach”** means any time at which the Loan-to-Security Ratio exceeds 102% (or such other percentage determined by the Bank from time to time in its absolute discretion); and
  - iv. **“Second LTSR Breach”** means any time at which the Loan-to-Security Ratio exceeds 105% (or such other percentage determined by the Bank from time to time in its absolute discretion).
- b. The Bank shall not be under any obligation to make any advance or continue to avail the Facility unless the collateral or security held or to be held by the Bank is, in the opinion of the Bank, acceptable and adequate to cover the requests for all advances and/or satisfies the margin requirements stipulated by the Bank.
- c. The determination of the adequacy and acceptability of collateral and whether margin requirements are satisfied shall at all times be at the discretion of the Bank.
- d. Without prejudice to paragraphs (b) and (c) above, if in the opinion of OCBC a First LTSR Breach has occurred, you shall within 3 Business Days (or such other notice period as OCBC may determine) of receipt by you of a notice from OCBC either:
  - i. repay such amount to OCBC so as to restore the Loan-to-Security Ratio to 100% or lower to the satisfaction of OCBC; and/or
  - ii. provide additional collateral acceptable to OCBC so as to restore the Loan-to-Security Ratio to 100% or lower.
- e. Without prejudice to paragraphs (b) to (d) above, if in the opinion of OCBC a Second LTSR Breach has occurred, you shall within 1 Business Day (or such other notice period as OCBC may determine) of receipt by you of a notice from OCBC either:

- i. repay such amount to OCBC so as to restore the Loan-to-Security Ratio to 100% or lower to the satisfaction of OCBC; and/or
  - ii. provide additional collateral acceptable to OCBC so as to restore the Loan-to-Security Ratio to 100% or lower.
- f. For the purposes of paragraphs (d) and (e) above, even if contract prices move in your favour such that the Loan-to-Security Ratio referred to above is not breached after the margin call by the Bank, you shall still be required to make the repayment and deliver the collateral or security acceptable to OCBC in accordance with the margin call.
- g. On the occurrence of one or more of the following events:
  - i. the occurrence of a First LTSR Breach or a Second LTSR Breach, notwithstanding that OCBC has made a margin call (where applicable) or you have delivered the collateral or security in accordance with such margin call;
  - ii. an event of default under the Terms and Conditions Governing Banking Facilities; and
  - iii. any other circumstance or development that the Bank deems at its absolute discretion that the Facility and/or its interests hereunder may be affected,

OCBC may, without prejudice and in addition to any other rights or remedies which OCBC may have against you, realise any cash deposit and/or any collateral and/or do all such things as OCBC deems necessary to protect or enforce OCBC's rights.
- h. Upon the exercise by OCBC of any of the rights set out at paragraph (g) above, you shall remain liable to OCBC for any interest, fees and charges which may howsoever result therefrom.
- i. For the avoidance of doubt and notwithstanding anything to the contrary, if the relevant Investments do not meet the relevant requirements or criteria as may be set or imposed by the Bank in its absolute discretion from time to time (including, without limitation, if the rating of the Investment is downgraded to a level or grade that is deemed unacceptable to the Bank), the Bank has the absolute discretion to:
  - i. reject or disallow such Investments to be used as collateral;
  - ii. deem such Investments to be unsuitable to be used as collateral; and/or
  - iii. make a margin call and/or request that you immediately provide such additional or other collaterals as the Bank may deem appropriate.
- j. Notwithstanding anything to the contrary, the Bank is not required to provide any reason or justification for any of its decisions made under paragraph (i) above.
- k. You agree that notwithstanding the collateral provided to the Bank and notwithstanding anything to the contrary, the Bank has the absolute discretion to decide on or vary, amend or change the quantum of loans it wishes to grant or disburse to you without providing any reason whatsoever.

#### 4. Break Costs

- a. If you fail to effect drawdown in respect of the Facility or satisfy the conditions for advance after a Notice of Drawing (as defined in Clause 5(e) below) has been given by you, in addition to the other remedies of the Bank hereunder, you shall on demand, pay to the Bank such amount as the Bank may certify as necessary to compensate it for any costs incurred by the Bank resulting from your failure to effect the drawdown or a failure to satisfy the conditions for the advance, including but not limited to losses from re-employment of funds borrowed or contracted for to fund the advance at rates lower than the cost of such funds (such costs referred to herein as **“Break Costs”**).
- b. Any Break Costs incurred by the Bank, in respect of any amount prepaid before its original due date or in unwinding its funding prematurely (as determined by the Bank in its sole discretion) shall be borne by you notwithstanding that the prepayment or full settlement before the maturity of the Facility is requested by the Bank.
- c. For the avoidance of doubt, where the early prepayment of an advance/advances of the Facility is due to any corporate action that affects any Security including and not limited to the maturity of any Security, the relevant Break Costs will still be payable.

#### 5. Availability/Drawdown

- a. 5. unless the Bank has received instructions from you indicating otherwise at least 3 Business Days prior to the final day of the requested loan period (the "Repayment Date"), the Bank may:
  - A. deem itself to have received a notice of drawing duly completed from you on the same terms as the requested loan with a proposed drawing date which is the same date as the Repayment Date (the "Rollover Loan");
